CHAPTER - I

PRELIMINARY

The Constitution of India has established a representative parliamentary democracy under which elections are held from territorial constituencies as determined under the law.

2. If you are standing as a candidate for election from a parliamentary or an assembly constituency, it is essential that you should know the salient provisions of election law and procedure so that you may not experience any difficulty or inconvenience in connection with your candidature. Perhaps you are already aware of the basic provision of the election law and rules; still for your benefit and guidance, the Election Commission of India has brought out this Handbook, giving in brief the important and relevant provisions of the law, rules and instructions/directions issued in relation to an election to the House of People (Lok Sabha) or to a Legislative Assembly (Vidhan Sabha) (other than the Legislative Assembly of the State of Jammu & Kashmir).

3. Conduct of credible and periodic election has been the hallmark of modern democratic India. Indian electoral system has gained a world-wide reputation and being a contesting candidate as one of the stakeholders, you have also a great responsibility to further strengthen this reputation. In spite of election being peaceful, there could still be malpractices that can take place if the election machinery is not vigilant. Election can be called truly free and fair election only when all the stakeholders perceive and accept the election to be free and fair.

4. There have been tremendous changes in the approach and methodology of the election management in the country over a period of time, particularly, in recent times. The elections are being more and more micro managed as an institutional responsibility to the growing complexities associated with the elections. In this chapter, outlines of some of the salient features of the election management in the light of new guidelines and instructions issued by the Election Commission of India in recent times have been given.

4.1 MODEL CODE OF CONDUCT

A visible and rigorous enforcement of Model Code of Conduct enhance the credibility of the elections and gives confidence to the stakeholders/voters. It is ensured that official machinery for the electoral purposes is not misused. It is also ensured that electoral offences, malpractices and corrupt practices such as impersonation, bribing and inducement of voters, threat and intimidation to the voters, is prevented be prevented by all means. Introduction of photo electoral roll by the Election Commission is expected to play a crucial role in minimizing the scope for impersonation.

4.2 POLLING AGENTS

The polling agent appointed by the candidate shall be a voter in the same polling station aims at minimizing the external interference in the election process at the polling station. Such polling agents shall be ordinarily resident
and elector of the concerned polling areas only and must have Electors Photo Identity Card.

4.3 VULNERABILITY MAPPING
The threat and intimidation to the voters particularly, the voters from vulnerable sections of the society in some parts of the country has been a cause of concern. With a view to meet this challenge, the Commission has recently introduced the system of ‘Vulnerability Mapping’. A free and fair election can be conducted only in a conducive atmosphere from the law and order point of view. Hence, it becomes imperative to keep track of the law and order situation during the run up to the election and on the poll day.

4.4 ELECTRONIC VOTING MACHINES
The Electronic Voting Machine was used universally in all polling stations in the country during the Lok Sabha election 2004. However, the voter awareness about the EVM cannot be taken for granted. It is endeavour of the Commission to spread the awareness about the EVM among all the voters particularly, in the remote areas and among the new voters. The Commission has introduced the system of randomization of EVMs for allotment of EVMs to the polling stations and specific responsibility has been given to the Returning Officer. By the system the first level checking of EVMs are carried out only by BEL/ECIL Engineers, as the case may be, only at the District Headquarters. At this stage, the EVMs are randomized in the presence of representative of recognized political parties for distribution to Assembly Constituencies. The second randomization of EVMs for allotting to specific polling stations is done in the presence of candidate or his election agent or authorized representative of the candidate and Election Commission’s Observer.

4.5 POSTAL BALLOT PAPERS
The Commission has issued new instruction with reference to postal ballot in recent elections. The new system calls for a greater involvement on the part of Returning Officer in managing postal ballot to prevent delay in dispatching and further postal delays in delivering the postal ballot to the eligible voters and in receiving the ballots back from them. The candidate and their election agents have some responsibility in making the new system functional and transparent.

4.6 CURBING OF MONEY POWER
An important pre-condition for fair election is to curb the money power which undermines the level playing field. This can be achieved by keeping a proper watch on expenditure incurred by the candidates/political parties. The Commission expects you to co-operate with the election machinery for implementation of its instructions on campaigning through vehicles and defacement of public and private properties.

4.7 MICRO OBSERVERS
The Commission has introduced the system of appointment of Micro Observers at the polling station level who work directly under control and supervision of Observer of the Commission. The Micro Observers are deployed at polling stations on the basis of various factors which contribute to
vulnerability of voters, like domination of one social group over other, in accessibility of the area, EPIC non availability, previous history of violence etc.

4.8 VIDEOGRAPHY OF CRITICAL EVENTS
Videography of critical events are made during the process of electioneering and on the day of poll, after taking into account the number of electors, the size of constituency, the number of sensitive polling stations, previous history of booth capturing and other malpractices, the general law and order situation, the likelihood of commission corrupt practices and electoral offences and other related factors and after analyzing the video recording, the corrective measures are taken.

4.9 CENTRAL POLICE FORCES (CPF)
The Commission deploys significant number of Central Police Forces into the election going States on the basis of its assessment on the ground realities. It is ensured that the approved deployment of CPF is implemented properly.

4.10 VOTERS ASSISTANCE BOOTH
To assist the electors for locating their names on the day of poll, in every premise/building where three or more polling stations are located, a “VOTER ASSISTANCE BOOTH” manned by the team of officials is also set up. In the said booth, a copy of part-wise electoral roll in alphabetical order of each of the concerned polling stations are kept to assist the voters for giving information regarding their S.No. in the roll and name of polling station.

4.11 TRANSPARENCY
Transparency is the key for an effective and efficient election management for transparency adds to the credibility of the election. It is endeavour of the Commission that the election management should be transparent and there should not be any scope for complaint of partiality on the part of any official involved in the election management. The Commission takes very serious view about lack of neutrality on the part of any election official. Hence, Political parties and candidates are informed of the Commission’s instructions issued in this behalf from time to time.

5. DELIMITATION AND EXTENT OF CONSTITUENCIES
It is very important that you should know the exact extent of the constituency from which you are contesting or intend to contest the election. The extents of Parliamentary and Assembly Constituencies in all States (except Arunachal Pradesh, Assam, Jammu & Kashmir, Jharkhand, Manipur and Nagaland) have been re-determined by the Delimitation Commission which was set up under the Delimitation Act, 2000. As your constituency may be one of them, you may check this from the Parliamentary and Assembly Constituencies Order, 2008. You should also know the nature of your constituency, i.e., whether it is a general constituency or a reserved constituency. Consult the up-to-date corrected copy of the Delimitation of Parliamentary and Assembly Constituencies Order. The copies of updated Orders will be available for inspection with the District Election Officer, Returning Officer and Electoral Registration Officer of your constituency.
6 PHOTO ELECTORAL ROLLS (PER) AND ELECTORS’ PHOTO IDENTITY CARDS (EPIC)

6.1 Elections to the House of the People and to the Legislative Assembly of every State are held on the basis of adult suffrage. Every person who is a citizen of India and who is not less than 18 years of age on the qualifying date (i.e., the 1st January of the year in which the electoral roll has been prepared or revised and finally published) and who is not otherwise disqualified under the Constitution of India or any law made by the appropriate legislature on the ground of non residence, unsoundness of mind, crime or corrupt or illegal practice, is entitled to be registered as a voter at these elections (Article 326). There are certain Constitutional and statutory qualifications and disqualifications. The conditions for registration in an electoral roll are laid down in the Representation of the People Act, 1950. The relevant provisions on this behalf are reproduced in Appendix - I.

6.2 Section 15 of the Representation of the People Act., 1950 lays down that for every assembly constituency, there shall be an electoral roll which shall be prepared in accordance with the provisions of that Act under the superintendence, direction and control of the Election Commission. In all States and Union Territories, the electoral roll for a Parliamentary constituency shall consist of the electoral rolls for all the Assembly constituencies comprised within that Parliamentary constituency. In the State of Jammu and Kashmir and Union Territories not having a Legislative Assembly (viz. Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli, Daman and Diu and Lakshadweep), separate electoral rolls are prepared for Parliamentary constituencies in the same manner as the electoral rolls are prepared for Assembly constituencies in other States and Union Territories.

6.3 For Jammu & Kashmir, the electoral rolls for assembly constituencies are prepared in accordance with Jammu & Kashmir Representation of the People Act, 1957 and the rules made thereunder. Only state-subjects as defined under the constitution of Jammu and Kashmir are entitled to be included therein.

6.4 Greater emphasis is being laid on the clean electoral roll. Consequent upon introduction of Booth Level Officer system, the identification and removal of names of the dead voters and the shifted voters has become more accurate and this has helped the election machinery in ensuring the fidelity of the electoral rolls.

6.4.1 In order to enhance the participation by the recognised political parties in roll revision, the Commission has also desired from the recognized political parties that they may appoint one Booth Level Agent (BLA) for roll revision on the pattern of appointment of Polling Agents during polling (and Counting Agents during counting) to complement the BLO.
6.4.2 The issue of distribution of EPICs to electors has contributed a lot in avoiding bogus voting. This work of EPICs was started from 1994. All the EPICs issued were assigned a unique number and the same was printed on these EPICs. The EPIC number is incorporated in the Electoral Rolls. To prevent impersonation, the photograph of electors have now been printed in the electoral roll itself so as to achieve the purpose of identification of electors at the polling stations.

6.4.3 Further, with a view to prevent impersonation on the day of poll, the Commission has prepared Photo Electoral Rolls (PER) which are now available in all States and Union Territories.

6.4.4 The Photo Electoral Roll contains the photographs of the electors in addition to all the information presently incorporated in the existing rolls. This simplifies the process of verification of elector’s identity at the polling station on the day of poll.

6.4.5 The EPIC is used for identification of electors at the polling stations. However, if the photograph of the elector is available in the electoral roll, he/she can be identified by means of the photographs on the electoral rolls. In the case of those electors, whose identity cannot be established even by means of the photograph in the electoral rolls or whose photograph is not available in the electoral roll, the identity is established by means of any of the alternative documents prescribed by the Commission, specific orders for which are issued at the time of election.

6.4.6 An elector who produces an electors photo identity card, which has been issued by the Electoral Registration Officer of another assembly constituency, such card is also taken into account provided the name of that elector finds place in the electoral roll pertaining to the polling station where the elector has turned up for voting. But in such cases, it is ensured that the elector does not vote at more than one place by thoroughly checking the left hand forefinger of the elector to see that there is no indelible ink mark thereon, and by applying the indelible ink on the left forefinger properly while allowing him to vote.

7. CANDIDATE MUST BE AN ELECTOR
One of the basic qualifications for candidature at an election to Parliament or the Legislature of a State is that the person concerned should be an elector. In the next chapter, you will find detailed discussion regarding various qualifications and disqualifications for candidature at elections. However, it is necessary to note here that as a candidate, you must first ensure that your name has been included in the current electoral roll on the basis of which the election will be held. Under the law, the electoral roll of the constituency would have been revised and finally published, well before the election programme is announced. Even after the electoral roll for a constituency has been finally published, a person whose name has not been included in the roll, has a right to apply for the inclusion of his name in the electoral roll if he is qualified for such inclusion. The procedure for such inclusion is provided for in section 23 of the Representation of the People Act, 1950 and rule 26 of the Registration
of Electors Rules, 1960. Under the rule 26, an application in duplicate for inclusion of name will have to be made to the Electoral Registration Officer of the constituency concerned in Form 6. No fee is charged for such application. After observing the procedure laid down in the Registration of Electors Rules, 1960 the Electoral Registration Officer may direct the name of the applicant to be included in the electoral roll if he is satisfied that the applicant is entitled to be registered in the electoral roll.

8. INCLUSION OF NAME IN ELECTORAL ROLL BEFORE LAST DATE FOR MAKING NOMINATIONS
In this connection, it is necessary for you to note that no such inclusion is permissible after the last date for making nominations for an election in the constituency and before the completion of such election. Under rule 26 of the Registration of Electors Rules, 1960, any inclusion of name can be ordered only after seven days from the date on which the application for inclusion is exhibited in the office of the Electoral Registration Officer for inviting objections to such application. No inclusion is actually possible unless the application for inclusion is made well before the notification calling the election is issued.

9. CORRECTION OF ENTRIES IN ELECTORAL ROLL
A person may also apply under section 22 of the Representation of the People Act, 1950 for the correction of entries in the electoral roll. Application for such correction is also to be made to the Electoral Registration Officer of the constituency. Here again, no order for correction of the electoral roll can be made after the last date for making nominations for an election in the constituency and before the completion of that election.

The provisions relating to the above matters and the procedure for the inclusion of names and correction of entries in an electoral roll after the final publication are contained in sections 22 and 23 of the Representation of the People Act, 1950, and rules 26 and 27 of the Registration of Electors Rules, 1960. These provisions are reproduced in Appendix-II.
CHAPTER II

4. All the relevant provisions of the Constitution and the law, referred to above, are reproduced in Appendix - III

5. The above are the various qualifications, which you must possess if you want to stand as a candidate for election to Lok Sabha or a Vidhan Sabha. You must be very careful about this. You are advised to take special care in respect of the following two matters.

6. CORRECTION OF NAME, ETC., IN ELECTORAL ROLL

In the first place, you must see that your name has been correctly registered and there is no mismatch of photo in the electoral roll. If there is any mistake in the spelling or in the description of your name or your father's/mother's/husband's name or in your address or in any other respect (including your age & sex) or mismatch of photo, you must take immediate steps to get the mistake corrected. If you do not get the mistake rectified in time, then at the time of scrutiny of nomination papers, other contestants may raise objections, which may even go against you. To be on the safe side, you may even consult your lawyer.

7. OATH OR AFFIRMATION BY CANDIDATES
7.1 In the second place, you must not forget to make and subscribe the oath or affirmation to which a reference has already been made. The Election Commission has authorized a number of persons before whom the oath or affirmation can be made and subscribed. Relevant notifications of the Election Commission are reproduced in Appendix - IV.

7.2 For any particular election, the authorized persons are principally the Returning Officer and the Assistant Returning Officers for the constituency. In the case of a candidate confined in a prison or under preventive detention, the superintendent of the prison or commandant of the detention camp in which he is so confined or is under such detention is authorized to administer the oath. And in the case of a candidate confined to bed in a hospital or elsewhere owing to illness or any other cause, the Medical Superintendent in-charge of the hospital or the medical practitioner attending on him is similarly authorised.

7.3 In the case of a candidate who is out of India, the oath or affirmation may be made and subscribed before the diplomatic or consular representative of India in the country where the candidate happens to be, or before any person authorised by such diplomatic or consular representative. Where the candidate is for any other reason unable to appear or prevented from appearing before the Returning Officer concerned or the Assistant Returning Officer, the oath or affirmation may be made and subscribed before any other person specially nominated by the Election Commission on an application made to it in this behalf. The Commission has also authorised all stipendiary Presidency Magistrates, all Stipendiary Magistrates of the first class, all district judges and all persons belonging to the judicial service of a State other than district judge as officers before anyone of whom, the candidate can make and subscribe the oath or affirmation.

7.4 IN ORDER TO MAKE AND SUBSCRIBE A VALID OATH OR AFFIRMATION, THE FOLLOWING POINTS MUST BE CAREFULLY BORNE IN MIND

(i) The oath or affirmation should be made and subscribed before the date fixed by the Election Commission for scrutiny of nomination papers at that election. In the case of Pashupati Nath Singh versus Harihar Prasad Singh (1968) 2 SCR 812-AIR 1968 SC 1064, the Supreme Court has placed two limitations in the matter of making and subscribing the oath or solemn affirmation. In the first place, the Court has held that words “having been nominated” in the form of the oath or affirmation in the Third Schedule to the Constitution of India clearly show that the oath or affirmation cannot be taken or made by a candidate, before he has been nominated as a candidate. That means, according to this finding of the court, that having regard to the relevant provisions contained in sections 30, 31, 32 and 33 of the Representation of the People Act, 1951 the oath or solemn affirmation can be made and subscribed by a candidate only after his nomination papers has been delivered under section 33 to the Returning Officer. In the second place, the Court has held that the expression “on the date fixed for scrutiny” in section 36(2) (a) of the Representation of the People Act, 1951 means on the whole of the day on which the scrutiny of nomination has to take place. In other
words, the qualification according to this finding of the court must exist at the earliest moment on the day of scrutiny. This means that the oath or solemn affirmation must have been made before the commencement of the day of scrutiny of nominations. Such oath or affirmation cannot be made by you at any time on the date of scrutiny before the Returning Officer takes up nomination papers for such scrutiny. The Supreme Court has confirmed this view in the subsequent case of Khader Khan Hussain Khan and others versus S. Nijalingappa (1970) I SCA 548. You are, therefore, well advised to take the oath immediately after presenting your nomination papers and in any case not later than the day previous to the date of scrutiny.

(ii) The oath or affirmation is to be made in person before the authorised officer.

(iii) It is not necessary that the oath or affirmation should be taken more than once even if you are nominated from more than one constituency at a general election. This view has been expressed by the Supreme Court in its judgement in the case of K.K. Khader Khan Hussain Khan and others versus S. Nijalingappa and another (1970) I SCA 548. The language of article 173(a) makes this clear; all that it requires is one oath or affirmation in accordance with the form set out in the Third Schedule to the Constitution so as to remove the disqualification from being a candidate for election. The article does not mention that the making of the oath or affirmation is to be preliminary to the validity of candidature in each constituency, and recognizes the fact that once the necessary qualification is obtained that qualification removes the bar laid down by that article. If you contest election from more than one constituency, it is desirable that you make and subscribe the oath in each constituency or you should have a satisfactory proof with you of having taken the oath at any of the places so as to avoid unnecessary objections at the time of scrutiny. The onus of proving that you had made and subscribed the oath or affirmation before some other competent authority rests on yourself. It is sufficient if you or your representative satisfies the Returning Officer at the time of scrutiny that you had earlier made and subscribed the oath or affirmation before an authorised officer for that particular election.

(iv) The oath or affirmation has first to be made and then signed, by you before the authorised person. It should be borne in mind that mere signing on the paper on which the form of oath is written out is not sufficient. You must make the oath before the authorised person. He will ask you to read out the oath and then to sign and give the date on the paper on which it is written. If you are illiterate or unable to read the form, the authorised person should read out the oath and ask you to repeat the same and thereafter take your thumb impression on the form. The authorised person should endorse on the form that the oath or affirmation has been made and subscribed by you on that day and hour.

(v) The authorised person will forthwith give you a certificate to the effect that you have made and subscribed the oath before him on that day at a particular hour. If the certificate is not given to you, you can demand the same from him and get it.
(vi) If the authorised person is the superintendent or commandant of the prison or detention camp, he should issue forthwith to you a certified copy of the oath for producing it as evidence before the Returning Officer at the time of scrutiny of nominations. The superintendent of the prison or commandant of the detention camp will simultaneously send an express telegram to the Returning Officer indicating the date and time at which you made and subscribed the oath or affirmation. He will also send the original of the oath or affirmation made and signed by you to the Returning Officer.

(vii) If the authorised person is a medical superintendent of a hospital or a medical practitioner or a diplomatic or consular representative of India in the country where you happen to be or the district judge or person belonging to the judicial service of State other than District Judge or Stipendiary Presidency Magistrate or Stipendiary Magistrate of the first class or any other person nominated by the Election Commission, as soon as you have made and subscribed the oath or affirmation, he should certify this fact on the form, keep a copy for his record and hand over the original to you. It will be your responsibility to see that the original oath or affirmation is produced before the Returning Officer at or before the time fixed for the scrutiny of nomination papers.

(viii) The forms for making oath or affirmation can be obtained from the Returning Officer or Assistant Returning Officer of the constituency.

(ix) You should be careful to keep with you sufficient evidence which you should be in a position to produce before the Returning Officer at the time of scrutiny about your making and subscribing the oath or affirmation: otherwise, you may be in difficulty if somebody challenges that you have not made and subscribed the requisite oath or affirmation and, therefore, you are not qualified to stand as a candidate.

II DISQUALIFICATIONS

8. DISQUALIFICATIONS FOR ELECTION TO HOUSE OF THE POPLE (LOK SABHA)
If you want to stand as a candidate for election to the House of the People (Lok Sabha) from a Parliamentary Constituency, you must not suffer from any of the following disqualifications, Constitutional and Statutory:

a) Constitutional Disqualifications

(1) In the first place, you must not hold any office of profit under the Government of India or the Government of any State [Article 102(I) (a) of the Constitution]. To this general rule, there are some exceptions. The first exception is mentioned in Article 102(2) itself, according to which the office of a Minister, either for the Union or for any State is not regarded as an office of profit under the Government of India or the Government of any State. The other exceptions are mentioned in the Parliament (Prevention of Disqualification) Act, 1959 (10 of 1959).
N.B. (1) For your convenience, this Act (10 of 1959) has been reproduced in the Manual of Election Law published by the Government of India in the Ministry of Law, Justice and Company Affairs.

(2) In the second place, you must not be a person of unsound mind and must not stand so declared by a competent court [Article 102 (1) (b) of the Constitution].

(3) In the third place, you must not be an undischarged insolvent [Article 102(1) (c) of the Constitution].

(4) In the fourth place, you will be disqualified if you are not a citizen of India or if you have voluntarily acquired the citizenship of a foreign State or if you are under any acknowledgment of allegiance or adherence to a foreign State. In simple words, you must not be an alien and a foreigner [Article 102(1) (d) of the Constitution].

(5) Lastly, you must not be disqualified by or under any law made by Parliament [Article 102 (1) (e) of the Constitution].

(b) *Statutory Disqualifications*

The law made by Parliament as envisaged in Article 102 (1) (e) of the Constitution mentioned above is the Representation of the People Act, 1951. In addition to the above constitutional disqualifications, the Representation of the People Act, 1951 has laid down a number of disqualifications for being chosen as, or for being, a member of Parliament. These disqualifications are mentioned in section 8, section 8-A, section 9, section 9-A, section 10 and section 10-A of the Representation of the People Act, 1951. These disqualifications may, therefore, be called statutory disqualifications to distinguish them from constitutional disqualifications described above. The total number of the statutory disqualifications is six.

(i) The first statutory disqualification is contained in section 8 of the Representation of the People Act, 1951. Under this section a person convicted of an offence punishable under:–

(a) Section 153A (offence of promotion of enmity between different groups on ground of religion, race, place of birth, residence, language, etc., and doing acts prejudicial to maintenance of harmony) or section 171E (offence of bribery) or section 171F (offence of under influence or personation at an election) or sub-section (1) or sub-section (2) of section 376 or section 376A or section 376B or section 376C or section 376D (offences relating to rape) or section 498A (offences of cruelty towards a woman by husband or relative of a husband) or sub-section (2) or sub-section (3) of section 505 (offence of making statement creating or promoting enmity, hatred or ill will between classes or offence relating to such statement in any assembly engaged in the performance of religious worship or religious ceremonies) of the Indian Penal Code (45 of 1860) or
(b) The protection of Civil Rights Act, 1955 (22 of 1955), which provides for punishment for the preaching and practice of “untouchability”, and for the enforcement of any disability arising therefrom; or

(c) section 11 (offence of importing or exporting prohibited goods) of the Customs Act, 1962 (52 of 1962); or

(d) sections 10 to 12 (offence of being a member of an association declared unlawful, offence relating to dealing with funds of an unlawful association or offence relating to contravention of an order made in respect of a notified place) of the Unlawful Activities (Prevention) Act, 1967 (37 of 1967); or

(e) the Foreign Exchange (Regulation) Act, 1973 (46 of 1973); or

(f) the Narcotic Drugs and Psychotropic Substances Act, 1985 (61 of 1985); or

(g) section 3 (offence of committing terrorist acts) or section 4 (offence of committing disruptive activities) of the Terrorist and Disruptive Activities (Prevention) Act, 1987 (28 of 1987) or

(h) section 7 (offence of contravention of the provisions of sections 3 to 6) of the religious institutions (Prevention of Misuse) Act, 1988 (41 of 1988); or

(i) section 125 (offence of promoting enmity between classes in connection with the election) or section 135 (offence of removal of ballot papers from polling stations) or section 135A (offence of booth capturing) or clause (a) of sub-section (2) of section 136 (offence of fraudulently defacing or fraudulently destroying any nomination paper) of the Representation of the People Act, 1951; or

(j) section 6 (offence of conversion of a place of worship) of the Places of Worship (Special Provisions) Act. 1991; or

(k) Section 2 (offence of insulting the Indian National Flag or the Constitution of India) or section 3 (offence of preventing singing of National Anthem) of the Prevention of Insults to National Honour Act, 1971; or

(l) The Commission of Sati (Prevention) Act, 1987; or

(m) The Prevention of Corruption Act, 1988; or

(n) The Prevention of Terrorism Act, 2002, shall be disqualified for a period of six years from the date of such conviction, if the convicted person is sentenced to only fine. In case of imprisonment, the
disqualification shall continue for a further period of six years since his release.

(ii) If a person has been convicted by a Court for the contravention of any law providing for the prevention of hoarding or profiteering or of adulteration of food or drugs or any provision of the Dowry Prohibition Act, 1961, and sentenced to imprisonment for not less than six months, he shall be disqualified from the date of such conviction and shall continue to be disqualified for a further period of 6 years since his release from imprisonment.

It may be noted that in case of conviction of a person for more than one offence, in a common trial and with the sentences of imprisonment to run consecutively, for the purposes of Section 8(3) of the Representation of the People Act, 1951, the period of sentences of imprisonment of each offence should be added and if the total length of time for which a person has been ordered to remain in prison consequent upon such conviction and sentences is two years or more, the convicted person shall be disqualified under the said Section 8(3) of the Representation of the People Act, 1951.

(iii) A person convicted by a Court in India for any offence other than those mentioned in (i) and (ii) above and sentenced to imprisonment for not less than two years is disqualified from the date of such conviction and shall continue to be disqualified for a further period of six years since his release from prison.

This statutory disqualification under sub-section (1) to (3) of section 8 shall not, however, take effect under section 8 (4) in the case of a person who on the date of such conviction is a member of Parliament or the Legislature of a State, until a period of three months has elapsed from the date of conviction or if within that period of three months an appeal or application for revision is filed in respect to the conviction or sentence, until the appeal or application for revision is disposed of by the Court. However, it has to be noted that the protection under Sub-section (4) of Section 8 is applicable only in relation to the membership of the House in which the person concerned is a member at the time of conviction. In other words, the protection of Section 8(4) will not be available for contesting any future elections. This was clarified by the Supreme Court in C.A. No. 8213/2001 and C.A. No, 6691/2002 [K. Prabhakaran Vs. P. Jayarajan]

The Commission has clarified that the disqualification under the said section would commence from the date of conviction, regardless of whether the person intending to be a candidate is out on bail or not (except, of course, those candidates who are covered under section 8 (4) of the said Act).

(iv) The second statutory disqualification is contained in section 8-A of the Representation of the People Act, 1951. It provides for disqualification for a corrupt practice at an election. A person found guilty of a corrupt practice at an election by a High Court in an election petition or by the Supreme Court in an election appeal may be disqualified for such period, not exceeding six years, as may be determined by the President in accordance with the opinion of the Election Commission.
(v) The third statutory disqualification is contained in section 9 of the Representation of the People Act, 1951. It provides for disqualification for dismissal for corruption or disloyalty to the State. A person who having held an office under the Government of India or under the Government of any State has been dismissed for corruption or for disloyalty to the State shall be disqualified for a period of five years from the date of such dismissal. A certificate, issued by the Election Commission to the effect that a person having held office under the Government of India or the Government of any State has or has not been dismissed for corruptions or for disloyalty to the State shall be conclusive proof of that fact. No certificate, however, shall be issued by the Election Commission to the effect that a person has been dismissed for corruption or disloyalty to the state without giving that person an opportunity of being heard.

(vi) The fourth statutory disqualification is contained in section 9-A of the Representation of the People Act, 1951. Under this section, a person is disqualified for being chosen as or for being a member of Parliament if, and for so as long as, there subsists a contract entered into by him in the course of his trade or business with the Government of India for the supply of goods to, or for the execution of any works undertaken by, that Government. If, however, you have entered into a contract with the Government of India in the course of your trade or business either for the supply of any goods to the Government or for the execution of any works undertaken by the Government and have fully performed your part of contract, then the contract shall be deemed not to subsist by reason only of the fact that the Government has not performed its part of the contract either wholly or in part.

(v) The fifth statutory disqualification is the holding of an office under a Government company. This is contained in section 10 of the Representation of the People Act, 1951. A person is disqualified for membership of Parliament if, and for so long as he is a managing agent, manager or secretary of any corporation or company in the capital of which the Government of India has not less than 25 percent share. A co-operative society, however, is excluded from the purview of this rule.

(vi) The last statutory disqualification is contained in section 10-A of the Representation of the People Act, 1951. It is a disqualification for failure to lodge account of election expenses within the time and in the manner required by and under the Representation of the People Act, 1951. It is hoped that if you had stood as a candidate on any previous occasion you did not incur any such disqualification on that occasion. If you have been disqualified for failure to lodge account of election expenses within the time and in the manner required by and under the Representation of the People Act, 1951 then, as the period of disqualification is three years from the date of the order of the Election Commission disqualifying you, you may see whether the period of three years has elapsed or not. These are all the disqualifications constitutional and statutory from which you must not suffer if you want to stand as a candidate for election to the House of the People (Lok Sabha).
9. **DISQUALIFICATIONS FOR ELECTION TO LEGISLATIVE ASSEMBLY (VIDHAN SABHA)**

If you want to stand as a candidate for election to the Legislative Assembly of a State (other than the State of Jammu and Kashmir) or of a Union Territory from an assembly constituency, you must not suffer from any of the following disqualifications, constitutional and statutory:

(a) **Constitutional Disqualifications for Membership of the Legislative Assembly of a State (other than Jammu and Kashmir and the Legislative Assembly of a Union Territory).**

These are contained in Article 191 of the Constitution of India.

(1) In the first place, you must not hold any office of profit under the Government of India or the Government of any State other than an office declared by the Legislature of the State by law not to disqualify its holder. The various State Legislatures have made laws declaring different offices of profit which will not disqualify a holder of any such office for being chosen as and for being a member of the Legislative Assembly of a State.

(2) In the second place, you must not be of unsound mind and must not stand so declared by a competent court.

(3) In the third place, you must not be an undischarged insolvent.

(4) In the fourth place, you will be disqualified if you are not a citizen of India or you have voluntarily acquired the citizenship of a foreign State or if you are under any acknowledgement of allegiance or adherence to a foreign State. In simple words, you must not be an alien and a foreigner.

(5) And lastly, you must not be disqualified by or under any law made by Parliament.

(b) **Constitutional Disqualifications for Membership of the Legislative Assembly of a Union Territory (other than the National Capital Territory of Delhi).**

These disqualifications are contained in section 14 of the Government of Union Territories Act, 1963.

(i) In the first place, you must not hold any office of profit under the Government of India or the Government of any State or the Government of any Union Territory other than an office declared by law made by Parliament or by the Legislative Assembly of the Union Territory not to disqualify its holder. The Pondicherry Legislative Assembly has passed the Pondicherry members of the Legislative Assembly (Prevention of Disqualification) Act, 1994. That Act should be studied carefully, if you are a candidate for election of that Assembly.

(ii) In the second place, you must not suffer from any of the disqualifications for being chosen as or for being a member of either House of Parliament as laid down in the provisions of sub-clause (b), sub-clause (c), or sub-clause (d) of Article 102(1) of the Constitution of India mentioned in para above, or any law made in pursuance of that Article. From the expression "any law made in
pursuance of that Article used in section 14(1) (b), it seems safer to assume that the Parliament (Prevention of Disqualification) Act, 1959 may apply if you want to stand as a candidate for election to the Legislative Assembly of Union Territory because in addition to the relevant provision relating to disqualifications contained in the Representation of the People Act, 1951 to which reference will be made just now the Parliament (Prevention of Disqualification) Act, 1959 has also been made in pursuance of article 102. In this view of the matter you should consider carefully whether you should resign any office of profit in so far as it is an office of profit under the Government, if falls at all within the prohibitive purview of clause (h) and clause (i) of section 3 of the Parliament (Prevention of Disqualification) Act, 1959 before you file your nomination paper. In any case it will be safer for you to consult your lawyer in this matter so that after your election it may not be challenged.

(c) Statutory Disqualifications for Membership of the Legislative Assembly of a State (other than Jammu and Kashmir) or of a Union Territory (other than National Capital territory of Delhi).

The statutory disqualifications for membership of the Legislative Assembly of a State or of a Union Territory are the same as the statutory disqualifications for membership of Parliament contained in section 8, section 8-A, section 9, section 9-A, section 10 and section 10-A of the Representation of the People Act, 1951, with this difference that the reference “to the appropriate government” in any of the section, such as section 9-A or section 10 shall mean, in relation to the disqualification for membership of the Legislative Assembly of a State, the Government of that State and shall, in relation to the disqualification for membership of the Legislative Assembly of a Union Territory, mean not only the Government of that Union Territory but it means, also the Central Government so that if you have any subsisting contract entered into by you in the course of your trade or business with the administrator of a Union territory you will be disqualified and if you have any such contract with the Central Government for the purpose of that Union territory, then also you will be disqualified. The same position will hold good in relation to section 10 also of the Representation of the People Act, 1951. This view is taken in view of the definition of “State Government” given in the Representation of the People Act, 1950 which applies to the Representation of the People Act, 1951 also by virtue of section 2(1) (a) of the latter Act and section 55 of the Government of Union Territories Act, 1963. In a serious matter like election, the advice which the Commission gives you is that you should always play for safety and should not take any risk. In any case, it will be better for you to consult your lawyer on this point.

10. DISQUALIFICATIONS FOR MEMBERSHIP OF LEGISLATIVE ASSEMBLY OF THE NATIONAL CAPITAL TERRITORY OF DELHI

(i) For being chosen as, and for being, a member of the Legislative Assembly of the National Capital Territory of Delhi, a person must not be holding any office of profit under the Government of India or the Government of any State or the Government of any Union Territory other than an office declared by law made by Parliament or by the Legislature of any State or by the Legislative
Assembly of the National Capital Territory of Delhi or by any other Union Territory not to disqualify its holder. A person shall, however, not be deemed to hold any such office of profit by reason only that he is a Minister either for the Union or for a State or Union Territory section 15(1) (a) and section 15 (2) of the Government of National Capital Territory of Delhi Act, 1991.

(ii) A person shall also be disqualified if he is for the time being disqualified for being chosen as, and for being, a member of either House of Parliament under the provisions of article 102(1) of the Constitution section 15(1) (b) and section 40(3) of the said Act.

(iii) In other words, the disqualifications for election to Parliament which have been discussed earlier in para above, will apply for election to the Legislative Assembly of the National Capital Territory of Delhi.

III. DISQUALIFICATIONS FOR MEMBERSHIP

11. CONSEQUENT ON DISQUALIFICATIONS FOR VOTING

11.1 In this connection you may refer to section 11-A of the Representation of the People Act, 1951. The section provides for disqualifications for voting arising out of conviction and corrupt practice.

11.1.1 Any person convicted of an offence punishable under 171E or 171F of the Indian Penal Code or under section 125 or section 135 or clause (a) of sub-section (2) of section 136 of the Representation of the People Act, 1951 shall be disqualified for voting at any election. The period of such disqualification for voting is six years from the date of conviction.

11.1.2 In the case of a person found guilty of a corrupt practice by an Order under section 99 of the Representation of the People Act, 1951, he will be disqualified for voting for the same period as determined by the President under sub-section (1) of section 8-A for disqualification for standing for election.

11.1.3 You know that if a person is, for the time being, disqualified for voting under the provisions of any law relating to corrupt practice or other offences in connection with elections, then he becomes disqualified for registration in an electoral roll and the name of any person who becomes so disqualified after registration as required to be forthwith struck off the electoral roll. These provisions are contained in section 16 of the Representation of the People Act, 1950. And you know, one of the qualifications for standing for election is that you must be an elector for the appropriate constituency (see section 4 and section 5 of the Representation of the People Act, 1951). But if you are disqualified for voting, then you cannot be an elector and, therefore, because of the disqualification for voting, you are not qualified for standing for election either from a parliamentary constituency or from an assembly constituency. All the important points relating to qualifications and disqualifications have been mentioned and you should carefully read the provisions mentioned above.
because a perusal of this handbook will help you, it is hoped, to understand the provisions of the Constitution and the law.
CHAPTER III
NOMINATIONS AND ALLOTMENT OF SYMBOLS

1.1 You have perhaps found that you possess all the requisite qualifications for standing as a candidate and for being elected as a member of the House of the People (Lok Sabha) or as the case may be, of the Legislative Assembly (Vidhan Sabha) and do not suffer from any of the disqualifications for such membership and, therefore, you want to stand as a candidate for an election to the Lok Sabha or Vidhan Sabha. This you can do on two occasions. You can stand as a candidate either at a general election which is necessary for constituting a new Lok Sabha or a new Vidhan Sabha or you may stand as a candidate at a bye-election which will be held for the purpose of filling any casual vacancy.

1.2 However, you cannot be nominated as a candidate for an election:-
(a) in the case of general election to the House of the People (whether or not held simultaneously from all Parliamentary constituencies), from more than two Parliamentary constituencies;

(b) in the case of general election to the Legislative Assembly of a State (whether or not held simultaneously from all Assembly constituencies), from more than two Assembly constituencies in the State;

(c) in the case of bye-elections to the House of the People from two or more Parliamentary constituencies which are held simultaneously, from more than two such Parliamentary constituencies;

(d) in the case of bye-elections to the Legislative Assembly of a State from two or more Assembly constituencies which are held simultaneously, from more than two such Assembly constituencies.

Explanation:- Two or more bye-elections shall be deemed to be held simultaneously where the notifications calling such bye-elections are issued by the Election Commission under Section 149 or 150 on the same date.

1.3 If a candidate violates this prohibition and files nomination papers for election from more than two constituencies of the same class, his nomination papers in the third, fourth and all such subsequent constituencies shall be rejected by the Returning Officers concerned for non-compliance with the provisions of s 33(7) of the 1951 Act.

2. The steps for a general election are set in motion by the issue of one or more notifications (called in common parlance as writ notifications) by the President of India in the case of House of the People (Lok Sabha) and by the Governor of the State in the case of general election to the Legislative Assembly of that State. In the case of all bye-elections, such notifications are issued by the Election Commission.
3. As soon as the notifications, that is, the writs for a general election or a bye-election are issued as aforesaid, the Election Commission by notification in the Official Gazette fixes the time-table of the election under section 30 of the Representation of the People Act, 1951. This notification fixing the time-table is issued on the same date on which the writs for the general election or bye-election are issued. The notification fixing the time table under section 30 is published in the gazette of India in the case of an election to the House of the People (Lok Sabha) and in the Official gazette of the State in the case of an election to the Legislative Assembly (Vidhan Sabha) of the State concerned. This notification fixing the time table appoints (a) the last date for making nominations which shall be the seventh day after that date of publication of the notification or writ calling the election, or if the seventh day is a public holiday, the next succeeding day which is not a public holiday; (Thus suppose the notification or writ for the election is issued on the 1st of March, then the last date for making nominations will be the 8th of March (that is the seventh day), that being the seventh day after the publication of the notification or writ calling the election. But if the 8th of March is a public holiday, then the last date for making nominations will be the 9th of March. If the 9th March is also a public holiday, then the last date of making nominations will be the 10th of March, if again the 10th of March is a public holiday, then the 11th March and so on);

(b) the date for scrutiny of nominations which shall be the day immediately following the last date for making nominations, or if that day is a public holiday, the next succeeding day which is not a public holiday (thus if the last date for making nominations is the 8th of March, then the date for scrutiny of nominations will be 9th of March on the assumption that the 9th of March is not a public holiday);

(c) the last date for the withdrawal of candidatures which shall be the second day after the date for scrutiny of nominations or, if that day is a public holiday, the next succeeding day which is not a public holiday (thus suppose the date for scrutiny is the 9th of March, then the last date for the withdrawal of candidatures will be the 11th of March on the assumption that the 11th of March is not a public holiday); and

(d) the date on which a poll shall, if necessary, be taken which shall be a date not earlier than the fourteenth day after the last date for the withdrawal of candidatures. Thus if the last date for withdrawal of candidatures is the 11th of March, then the poll cannot be held before the 25th of March because the date of the poll cannot be earlier than the fourteenth day after the last date for the withdrawal of candidatures. The poll can be taken on more than one day also in a constituency. In such case, the first date of poll cannot be earlier than the 25th March in the above example.

4.1 You will thus notice that neither the last date for making nominations nor the date for scrutiny of nominations and nor the last date for the withdrawal of candidatures can be a day which is a public holiday. But this prohibition is not applicable to the date of poll. There is no bar to the holding of a poll on a public holiday. On the contrary, unless there be any objection on religious,
customary or other grounds from any section of the people it may be better to take the poll on a Sunday or any other public holiday because the voter then gets an opportunity to appear in large number at the polling station.

Note: 'Public holiday' mentioned above means the public holiday declared as such under section 25 of the Negotiable Instruments Act, 1881 and not any other holiday.

4.2 On the issue of the notification by the Election Commission fixing the timetable of election under section 30 of the Representation of the People Act, 1951, a public notice of the intended election is issued by the Returning Officer under section 31 of the Representation of the People Act, 1951. By this public notice, the Returning Officer invites nominations of candidates for the election and specifies the place at which nomination papers are to be delivered.

This public notice under section 31 is in Form 1 appended to the Conduct of Elections Rules, 1961. Generally, the public notice in Form 1 is published on the notice board of the Returning Officer and at such other places as he considers necessary for giving wide publicity to the notice including the offices of Gram Panchayat, Panchayat Samitis, etc.

4.3 Period of Nomination: It has already been mentioned above that only eight days (including the day on which the notification is issued) are available for the making of nominations.

4.4 Form of Nomination Paper: The nomination paper must be in the prescribed form. For election to the House of the People (Lok Sabha), the nomination paper must be in Form 2-A. For election to a Legislative Assembly (Vidhan Sabha), the nomination paper must be in Form 2-B (Those Forms are reproduced in Appendix - V and VI). Printed copies of the form of nomination paper can be purchased from the Returning Officer at a very nominal price. If the officially printed forms are not available or cannot be obtained you may use a privately printed, type-written, cyclostyled form; but you must take care to see that the form used by you exactly corresponds to the appropriate form as appended to the Conduct of Elections Rules, 1961. You are again cautioned that you must be very particular about every entry in the nomination form.

4.5 YOU MUST READ CAREFULLY THE FOLLOWING POINTS IN RELATION TO YOUR NOMINATION

(1) QUALIFICATIONS AND DISQUALIFICATIONS
You must possess all the requisite qualifications and must not suffer from any of the disqualifications. You have been given elaborate guidance in this direction in the earlier chapter.

(2) NOMINATION PAPER
As there cannot be any oral nomination under the law, your nomination must be in writing and must be in one of the appropriate forms - Form 2-A (for House of the People or Lok Sabha), Form 2-B (for Legislative Assembly or Vidhan Sabha).
(3) INFORMATION ABOUT CONVICTIONS IF ANY

(3.1) As already instructed in the previous chapter, you must furnish along with your nomination paper the particulars relating to convictions, if any, under section 8 of the Representation of the People Act, 1951, in the prescribed format together with the required affidavit [Appendix- VIA and VIB]. You are also required to furnish a Statement of Summary of information/particulars furnished in Affidavits (Appendix- VIA and VIB) in the prescribed format (Appendix VIC). If for any reason this information is not furnished along with the nomination paper, it must be forwarded in any case, latest by 03.00 p.m. on the last date of filing nominations, failing which your nomination paper is liable to be rejected by the Returning Officer.

(3.2) You are, therefore, advised to fill all the columns of the affidavit by giving requisite information/particulars in the Affidavits and don’t leave any column blank or marked as “      ”. The Affidavits and Statement of summary should be furnished in the type-written forms.

(4) CANDIDATE’S NAME IN THE NOMINATION PAPER
You should give your name in the nomination paper as it is entered in the electoral roll. However, if you consider that your name is incorrectly spelt or is otherwise incorrectly shown in the electoral roll, you should give your correct name in the nomination paper. The Returning Officer will overlook such mistake in the electoral roll. In such a case it would be advisable for you to submit also an application to the Returning Officer stating the above fact about the mistake of your name in the electoral roll along with your nomination paper.

(5) THE DATE ON WHICH THE NOMINATION PAPER IN THE APPROPRIATE FORM SHOULD BE FILED
The nomination paper in the appropriate Form may be filed as soon as may be after the notification fixing the time table of election under section 30 is published in the Official gazette or any day thereafter including the last date for making nomination.

N.B.: But no nomination paper can be filed on any such date if it is public holiday. About this, detailed explanation has already been given.

5. TIME FOR FILING NOMINATION
Nomination paper can be filed only between 11 O'clock in the forenoon and 3 O'clock in the afternoon on any of the above mentioned days.

6. BY WHOM A NOMINATION PAPER CAN BE PRESENTED
Your nomination paper may be presented either by you personally or by any of your proposers and by no one else. You may note this very particularly. Wherever possible, it is advisable that you should personally present the nomination paper so that no unforeseen hitch or difficulty may arise and endanger your candidature. You or your proposer cannot send the nomination paper by post.
7. **TO WHOM A NOMINATION PAPER SHOULD BE PRESENTED**
   Your nomination paper must be delivered to the Returning Officer of the constituency or to such Assistant Returning Officer as is authorized by the Returning Officer in this behalf. This authorized Assistant Returning Officer is specified in the public notice of election issued under section 31 in Form 1 appended to the Conduct of Elections Rules, 1961.

8(A) **WHERE A NOMINATION PAPER SHOULD BE DELIVERED**
   The nomination paper must be delivered at the place specified in Form-I aforesaid and at no other place. The nomination paper cannot be delivered at the residence of the officer specified or outside the place mentioned in the notice in Form - 1. If it is delivered at any other place, it will be rejected.

8(B) **RESTRICTION ON NUMBER OF VEHICLES AND PEOPLE AT THE TIME OF FILING NOMINATIONS**
   Large number of vehicles and people accompanying some of the candidates at the time of filing nominations were causing serious concern about general order in the Offices of the Returning Officers. Keeping this in view, the maximum number of vehicles that will be allowed to come within the periphery of 100 mtrs of ROs/AROs Office has been restricted to **three** and the maximum number of persons that will be allowed to enter the Office of ROs/AROs at the time of filing nomination has been limited to **five** (including the candidate).

9(A) **BY WHOM YOUR NOMINATION PAPER SHOULD BE SIGNED**
   If you look at the Form of nomination paper, you will find that it must bear the signature of your proposer(s) as well as your own signature. The signature of your proposer(s) and your own signature must be in the proper places shown in the Form of nomination paper for such signature. Be careful not to put your signature in the space indicated for the signature of the proposers or to put the signature of the proposers in the space indicated for the signature of the candidate. Always remember that a nomination paper is a very important document and meticulous care should be taken to fill it as accurately as possible.
   A proposer can sign more than one nomination paper of the same candidate or of different candidates.

9(B). **NUMBER OF PROPOSERS**
   Under the amended section 33 of the Representation of the People Act. 1951, the nomination of a candidate at the election to the House of the People or a State Legislative Assembly shall be required to be subscribed by-
   (i) One elector of the constituency as proposer, if the candidate has been set up either by a recognised National party or by a recognised State party in the State or States in which it is recognised as a State party (see Part-I of the revised Forms 2A and 2B).
   (ii) Ten (10) electors of the constituency as proposers, if the candidate has been set up by a registered un-recognised political party or if he is an independent candidate (see Part-II of the revised Forms 2A and 2B).
9(C). If a State party recognised in one State is granted concession for using its reserved "Symbol" under para 10 of the Election Symbols (Reservation and Allotment) Order, 1968, in another State in which it is not so recognised, the nomination of candidate(s) set up by that party in such other State will also be required to be subscribed by ten (10) electors of the constituency as proposers.

10. YOUR PROPOSER MUST BE AN ELECTOR OF THE CONSTITUENCY
10.1 It has already been pointed out that if you are a candidate for election to the House of the People (Lok Sabha) your name must appear in the electoral roll of any parliamentary constituency in the country. You need not be an elector of the parliamentary constituency from which you are seeking election. Similarly if you seek election to a state Legislative Assembly from an assembly constituency you must be an elector for any assembly constituency within the State and it is not necessary that you should be an elector for the assembly constituency from which you are seeking election. (This general rule is, however, subject to certain exceptions mentioned in sections 4, 5 and 5(a) of the Representation of the People Act, 1951, in the case of certain seats reserved in the autonomous districts of Assam, in the State of Sikkim and in the Union Territory of Lakshadweep. These provisions have already been explained in the previous chapter. If you are a candidate from any such constituency take care to see that you fulfil those additional requirements). But this is not so in the case of your proposer(s). Your proposer(s) must be an elector for the parliamentary constituency or for the assembly constituency from which you are seeking election. Make sure that the name of your proposer(s) is registered in the electoral roll of the constituency from which you are seeking election. If his name is not there, then another person whose name appears in the electoral roll should be your proposer and sign your nomination paper as proposer. If you want a person whose name does not appear in the electoral roll of the constituency from which you are seeking election to be your proposer, then before filing your nomination paper you must take steps to get his name included in the electoral roll if that is possible at that stage. About inclusion of names in electoral rolls mention has already been made in the previous chapter. You should note particularly that no direction for the inclusion of a name in the electoral roll of a constituency can be given after the last date for making nominations.

10.2 You are, therefore, advised to go thoroughly to the photo electoral roll of the constituency in which you intend to contest the election to check the detailed particulars of the electors who may be your proposer(s) whether the same are in order and there is no mis-match of photograph of such electors in the photo electoral roll.

11. WHAT YOU SHOULD DO IF YOU OR YOUR PROPOSER ARE BOTH UNABLE TO SIGN THEIR NAMES
Under the law [vide rule 2(2) of the Conduct of Elections Rules, 1961] if your proposer or you are unable to sign, then your proposer or you shall be deemed to have signed the nomination paper if your proposer or you have placed a mark on the nomination paper in the presence of the Returning Officer or the Assistant Returning Officer or such other officer as may be authorized in this behalf by the Election Commission and the Returning Officer or the Assistant Returning Officer or such other officer, on being satisfied as
to the identity of your proposer or your identity, has attested the mark as being
the mark of your proposer or of yours. [also para. 1 of chapter XIX]

12. DECLARATIONS TO BE MADE BY YOU IN THE NOMINATION PAPER

12.1 While assenting to your nomination made by your proposer you are required
to make a declaration in the nomination paper itself.

(a) Firstly, as to your age, it has already been pointed out that for election to the
House of the People (Lok Sabha) or a State Legislative Assembly (Vidhan
Sabha) you must not be less than twenty five years of age.
You should give your correct age in the nomination paper. If you find that your
age is not correctly mentioned in the electoral roll, you should give only your
present age in the nomination paper and not the wrong age as shown in the
electoral roll;
N.B. If your age is near the legal minimum, that is to say, if you are just
twenty five years of age or a little more than that and there is an apprehension
that an objection may be raised by a rival candidate regarding your age, arm
yourself with sufficient proof of your age.
(b) Secondly, as to your political party, in case you are set up by any political
party;
N.B. But declaration as to your being set up by a political party will not arise if you
stand as an independent candidate.
(c) Thirdly, as to the choice of the three symbols in order of your preference.
About symbols, more will be said hereafter;
(d) Fourthly, as to the correct spelling of your name and the name of your
father/mother/husband as given in the nomination paper;
(e) Fifthly, as to the fact that you are qualified and not also disqualified for being
chosen to fill the seat for which you are contesting the election, and
(f) Sixthly, as to the fact that you have not been, and shall not be nominated as a
candidate at the present general election/bye-elections being held
simultaneously to the House of the People or Legislative Assembly of a State
from more than two Parliamentary/Assembly constituencies, as the case may
be.

12.2. Apart from the declaration in respect of the matters mentioned above, you are
to make a further declaration in the nomination paper if you stand as a
candidate for election from a constituency reserved for the Scheduled Castes
or Scheduled Tribes. If you belong to a Scheduled Caste or a Scheduled
Tribe, you should make a declaration to that effect in your nomination paper
even if you contest an election from a general constituency as this will entitle
you to the concessional amount of security deposit even in that general
constituency. Be very particular in making the declaration as accurately as
possible. It is not necessary to furnish, alongwith the nomination paper, any
certificate (original or otherwise) in proof of the fact that you belong to a
Scheduled Caste or Scheduled Tribe.
13. WHAT YOU SHOULD DO IF THE PERIOD OF DISQUALIFICATION FOR DISMISSAL FOR CORRUPTION OR DISLOYALTY HAS NOT ELAPSED
If you, having held any office under the Government of India or under the Government of a State, have been dismissed and the period of disqualification, referred to in section 9 of The Representation of the People Act, 1951 namely, the period of five years since the dismissal has not elapsed, then you shall not be deemed to be duly nominated as a candidate unless your nomination paper is accompanied by a certificate issued in the prescribed manner by the Election Commission to the effect that you have not been dismissed for corruption or disloyalty to the State.

14. PRODUCTION OF COPY OF ELECTORAL ROLL IF YOU ARE AN ELECTOR OF A DIFFERENT CONSTITUENCY
If your name has been registered as an elector in the electoral roll of a constituency different from the constituency from which you stand as a candidate, then you must file along with your nomination paper either a copy of the entire electoral roll of the former constituency or, if that is not possible, a copy of the relevant part of that electoral roll (relevant part means the part of the electoral roll in which your name appears) or, if even that is not possible, then a certified copy of the relevant entries relating to your name in such roll. If for any reason it is not possible to file any of these documents along with your nomination paper, then you must produce any of these documents before the Returning Officer at the time of the scrutiny of nomination; otherwise your nomination paper will be rejected.

15. HOW MANY NOMINATION PAPERS CAN BE FILED BY YOU FOR STANDING AS A CANDIDATE FROM THE SAME CONSTITUENCY
You can file as many as four nomination papers for standing as a candidate in the same constituency; in other words, you cannot file more than four nomination papers in respect of the same constituency.

16.1 Security deposits and when such deposits should be made
The law requires that a candidate at an election must make the prescribed security deposit. The failure to make the deposit will invalidate your nomination. If you want to stand as a candidate for election from a parliamentary constituency, the sum required to be deposited by you is ten thousand rupees (Rs.10,000/-). But a concession is given to a candidate who is member of a Scheduled Caste or a Scheduled Tribe. If a person who is member of a Scheduled Caste or Scheduled Tribe wants to stand as a candidate from a parliamentary constituency, he will have to make a deposit of five thousand rupees (Rs.5,000/-);
If you are a candidate from an assembly constituency, you are to make a deposit of Rupees five thousand (Rs.5,000/-) and if you are a member of a Scheduled Caste or Scheduled Tribe you shall have to make a deposit of two thousand and five hundred rupees (Rs.2,500/-).
Please note that a Scheduled Caste or a Scheduled Tribe Candidate need deposit only the lesser amount even if he contests the election for a seat not reserved for Scheduled Castes or Scheduled Tribes, i.e., a general seat.
16.2 It has already been pointed out that from the same constituency you can file as many as four nomination papers but in such a case you shall not have to make four different deposits. It will be enough if you make only one deposit in respect of the first nomination paper. In the case of other nomination papers no deposit is necessary. You are only to attach to the first nomination paper that you file, the original treasury receipt or challan for the deposit. A true copy of the original receipt or challan for the deposit may be attached to every subsequent nomination paper, which may be filed by you. Always retain the official duplicate of the treasury receipt of challan, which you receive from the Reserve Bank of India or the government treasury with you for your future reference and use.

16.3 You should note particularly that the deposit may be made in two ways. Either the amount may be deposited with the Returning Officer in cash at the time of filing your nomination paper or you deposit the amount in the Reserve Bank of India or in a Government treasury. You must do so before you file your nomination paper with the Returning Officer and you must, as already pointed out, attach the treasury receipt or challan which you will receive in duplicate from the Reserve Bank of India or the Govt. treasury to your nomination paper. If you do not deposit the amount in cash with the Returning Officer at the time of filing your nomination paper or if you do not attach to your nomination paper the treasury receipt or challan, then your nomination paper will be rejected.

16.4 The deposit should be made under the following Head of Account for election to Parliament:
“8443-Civil Deposits-121-deposits in connection with elections-2-Deposits made by candidates for Parliament”
The deposit should be made under the following Head of account for deposits made by candidates for State Legislatures:
“8443-Civil Deposits-121-deposits in connection with elections-1-Deposits made by candidates for State/Union Territories Legislatures”.

17 ELECTION SYMBOLS

17.1 On looking at the form of the nomination paper you will find that you are to make a choice, in order of preference, of three symbols out of a specified list of symbols. The Conduct of Elections Rules, 1961 require the Election Commission to specify by notification in the Gazette of India and the Official gazette of each State the symbols that may be chosen by candidates at elections in parliamentary or assembly constituencies and the restrictions to which their choice shall be subject.

17.2 These rules also require that if you have filed more nomination papers than one then the declaration as to symbols made in the nomination paper first filed, and no other declaration as to symbols, shall be taken into consideration at the time of allotment of symbols by the Returning Officer to the contesting candidates even if the nomination paper which has been first filed has been rejected by the Returning Officer. In other words, even if your first nomination paper is rejected but your second or third or fourth nomination paper is accepted by the Returning Officer as valid even then the choice of symbols
made by you in your first nomination paper will be taken into consideration at the time of allotment of symbols.

17.3 These rules also require that after the time of withdrawal of candidatures is over and there are more candidates in the field than one whose nominations have been found to be valid, then the Returning Officer shall immediately after the expiry of the time of withdrawal prepare the list of contesting candidates and allot, subject to any direction issued by the Election Commission, a different symbol to each contesting candidate in conformity, as far as practicable, with his choice as shown in the nomination paper first filed.

17.4. In pursuance of these rules, the Election Commission issued on 31st August, 1968 an Order providing for specification, reservation, choice and allotment of symbols at elections in parliamentary and assembly constituencies in all States (other than assembly constituencies in the State of Jammu and Kashmir) and Union territories, and for the recognition of political parties in relation thereto and for matters connected therewith. This order is called the Election Symbols (Reservation and Allotment) Order, 1968 (An updated copy is appended at Appendix – VII ). From this order you will find that:-

(a) In the first place, there are two categories of symbols, namely, (i) reserved symbols, and (ii) free symbols.

(b) In the second place, a reserved symbol means a symbol reserved for a recognised political party and a free symbol is a symbol other than a reserved symbol.

(c) In the third place, free symbols and reserved symbols vary from State to State.

(d) In the fourth place, there are three category of political parties, namely,
   (i) Recognised National Parties (which are recognised in all States and Union Territories)
   (ii) Recognised State Parties (which are recognised only in the specified States or Union Territories)
   (iii) Registered-unrecognized parties.

   N.B.- The Election Commission issues a consolidated notification from time to time specifying the list of recognised National and State parties and the symbols respectively reserved for them, the list of registered unrecognized parties and lists of free symbols for each State and Union Territory. You should consult the latest notification as amended up to date, before making a declaration in your nomination paper as to the name of the party which has set you up at the election and in regard to the symbol or symbols which you have chosen in the order of your preference. The above said notification will be available for reference purposes with the Returning Officer and also with the Chief Electoral Officer of the State.

(e) In the fifth place, a candidate set up by a State party in which it is so recognised shall choose in his nomination paper and shall be allotted by the Returning Officer only the reserved symbol of that party and no other symbol.
This means that if you have been set up by a State Party, then, in your nomination paper, you can choose only the symbol reserved for that party and no other symbol. This also implies that from any constituency only one candidate can be set up by a State Party.

(f) In the sixth place, a candidate set up by a National Party from any constituency in any State or Union territory shall choose and shall be allotted the symbol reserved for that National Party.

(g) In the seventh place, a reserved symbol shall not be chosen by, or allotted to, any candidate in any constituency other than a candidate set up by a National Party for whom such symbol has been reserved for a candidate set up by a State Party in the State in which it is a State Party, even if no candidate has been set up by such National or State party in that Constituency.

(h) In the eighth place, a reserved symbol shall not be chosen by, or allotted to, any candidate in any constituency other than a candidate set up by a National Party in the State in which it is a State Party, even if no candidate has been set up by such National or State party in that Constituency.

(i) In the ninth place, a candidate set up by a National Party from any constituency in any State or Union territory shall choose and shall be allotted the symbol reserved for that National Party.

(a) that an application is made to the Commission by the said party for exclusive allotment of that symbol to the candidate set up by it, not later than the third day after the publication in the Official Gazette of the notification calling the election;

(b) that the said candidate has made a declaration in his nomination paper that he has been set up by that party at the election and that the party has also fulfilled the requirements of clauses(b), (c) and (d) of paragraph 13 of the Election Symbols (Reservation and Allotment Order) 1968, in respect of such candidate; and

(c) that in the opinion of the Commission there is no reasonable ground for refusing the application for such allotment;

Provided that nothing contained above shall apply to a candidate set up by State Party at an election in any constituency in a State in which that party is not a State party and where the same symbol is already reserved for some other State Party in that State;

(i) In the ninth place, where elections are held simultaneously in a parliamentary constituency and in the assembly constituencies comprised in such parliamentary constituency, then–

(i) If a symbol has been exclusively allotted under paragraph (h) to a candidate set up by a State Party in another State at the election in the parliamentary constituency, that symbol shall not be allotted to any candidate at any election in any of the said component assembly
constituencies unless such candidate is a candidate set up by that political party; and

(ii) If a symbol has been exclusively allotted under paragraph (h) to a candidate set up by the said party at any election in any of the said component assembly constituencies that symbol shall not be allotted to any candidate at the election in the said parliamentary constituency unless such candidate is a candidate set up by that political party.

(j) In the tenth place, any association or body of individual citizens of India calling itself a political party and intending to avail itself of the provisions of the Representation of the People Act, 1951 may apply to the Election Commission for registration as a political party by furnishing such information as is required under section 29A of that Act and the Registration of Political Parties (Furnishing of Additional Particulars) Order, 1992 issued by the Commission on 23.3.92. The Commission may on the satisfaction of the said requirements register it as a political party. The party so registered under section 29A of the Representation of the People Act, 1951 shall be deemed to be a registered political party for the purposes of the election symbols (Reservation and Allotment) Order, 1968 such registered party may then be a recognised National or State Party or a registered unrecognised party depending upon the poll performance at a general election.

(k) In the eleventh place, candidates not set up by a National or State Party, i.e., candidates set up by registered unrecognised political parties and independent candidates can make a choice of symbols in their nomination papers only out of the free symbols shown against the State from where they are seeking election and no other symbol. Where any free symbol has been chosen by only one candidate at such election, the Returning Officer shall allot that symbol to that candidate and to no one else.

17.5 Where the same free symbol has been chosen by several candidates at such election, then–

(a) If of those several candidates, only one is a candidate set up by a registered-unrecognised political party and all the rest are independent candidates, the Returning Officer shall allot that free symbol to the candidate set up such unrecognised political party and to no one else and if of those several candidates, two or more are set up by different unrecognised political parties and the rest are independent candidates, the Returning Officer shall decide by lot to which of the two or more candidates set up by the different unrecognised political parties that free symbol shall be allotted and allot that free symbol to the candidate on whom the lot falls and to no one else;

(b) If two or more such candidates set up by such different unrecognised political parties, only one is, or was immediately before such election, a sitting member of the House of the People, or, as the case may be, of the Legislative Assembly (irrespective of the fact as to whether he was allotted that free symbol or any other symbol at the previous election when he was chosen as such member), the Returning Officer shall allot that free symbol to that candidate and to no one else;
(c) If of those several candidates, no one is set up by any unrecognised political party but all are independent candidates and one of the independent candidates is, or was immediately before such election a sitting member of the House of the People, or as the case may be, of the Legislative Assembly, and was allotted that free symbol at the previous election when he was chosen as such member, the Returning Officer shall allot that free symbol to that candidate and to no one else; and

(d) if of those several candidates, being all independent candidates, no one is or was a sitting member as aforesaid, the Returning Officer shall decide by lot to which of those independent candidates that free symbol shall be allotted and allot the free symbol to the candidate on whom the lot falls and to no one else;

17.6 From the form of nomination paper, you will find that if you are a party candidate, you are required to make a declaration to that effect in the nomination paper itself. Now, you may be set up by a recognised party, that is to say, a National Party or State Party, or you may be set up by a registered-unrecognised party, that is to say, by a party for which no symbol has been reserved at all. The order of the Commission lays down clearly that you shall be deemed to be set up by a particular party if, and only if; the conditions mentioned below are fulfilled:

(a) In the first place, you must have made a declaration to that effect in your nomination paper, that is to say, in your declaration in the nomination paper you shall have to say that you are a candidate set up by such and such party.

(b) In the second place, a notice in writing in the form prescribed by the Commission (which is commonly known now as Form 'B' Appendix - VII) to the above effect by the party which has set you up as a candidate must be delivered to the Returning Officer of the constituency and the Chief Electoral Officer of the State before 3 p.m. on the last date for making nominations and

(c) In the third place, the said notice in Form B must be signed by the president, secretary or other office bearer of the party who is authorised by the party to send such notices and whose specimen signatures have been communicated by the party in the Form prescribed by the Commission which is commonly known now as Form 'A' (Appendix - VII) to the said Returning Officer and also to the Chief Electoral Officer of the State by 3 p.m. on the last date for making nominations.

17.7 If any of these three conditions is not fulfilled strictly in the manner and within the time prescribed then you shall not be deemed to be set up by the party. Therefore, be very particular about these three conditions.
17.8 You are well-advised to submit the said Forms ‘A’ and ‘B’ (duly signed in ink) to the Returning Officer alongwith your nomination paper itself to avoid any last minute complication. Any Form A or B not signed in ink or received by fax will be rejected by the Returning Officer.

17.9 It must also be noted by you that the Symbols order does not recognise electoral alliances which are sometimes entered into by political parties. Therefore, a symbol reserved for a National or State Party shall not be allotted to any candidate other than the candidate set up by such National or State Party itself.

17.10 Political parties are, however, permitted to either cancel the authorisation in Form B given in favour of one candidate or change such authorisation by substituting the name of their candidates subject to following conditions, namely:–

(1) Subsequent authorisation cancelling or substituting the earlier authorisation in Form B is received by the Chief Electoral Officer and the Returning Officer of the constituency concerned not later than 3.00 p.m. on the last date for making nominations.

(2) Such subsequent authorisation in Form B is signed by the same authorised office bearer and is unambiguous and clearly shows that it either cancels or substitutes the earlier authorisation, as the case may be;

(3) The Returning Officer is satisfied about the genuineness of subsequent authorisation; and

(4) The candidate in whose favour subsequent authorisation has been given has already made a declaration in his nomination paper that he has been set up by the said political party.

18. PRELIMINARY SCRUTINY
On the presentation of a nomination paper, the Returning Officer will satisfy himself that the name and the electoral roll number of the candidate and his proposer as entered in the nomination paper are the same as those entered in the electoral rolls.

19. MISTAKES, PRINTING ERRORS, ETC., IN ELECTORAL ROLL OR IN NOMINATION PAPER
The law says that no misnomer or inaccurate description or clerical, technical or printing error in regard to the name of the candidate or his proposer or any other person, or in regard to any place mentioned either in the electoral roll or in the nomination paper and no clerical, technical or printing error in regard to the electoral roll numbers of the candidate or his proposer or any other person in the electoral roll or in the nomination paper shall affect the full operation of the electoral roll or the nomination paper. The law also requires the Returning Officer to permit any such misnomer, inaccurate description or error to be corrected or to overlook, where necessary, such misnomer, inaccurate description or error in the electoral roll or the nomination paper. Still you are
well-advised to take particular care that no such misnomer or inaccurate description or clerical, technical or printing error in regard to your name or the name of your proposer or any other person or in regard to any place remains in the electoral roll or in the nomination paper. You are well-advised to look into the electoral rolls in which your name and the name of your proposer appear well in advance before the writ for election is issued because it is presumed that you must have decided well in time to stand as a candidate. And if after looking into the electoral roll well in advance of the issue of the writ for election you find that there is any misnomer, inaccurate description or any error in the electoral roll either in relation to you or your proposer or any other person (e.g. your father's name) or mis-match of photo or any other matter, then you must take immediate steps for the correction of the error, etc. under section 22 and for the inclusion of your name and or the name of your proposer, etc., under section 23 of the Representation of the People Act, 1950.

20. RECEIPT FOR NOMINATION PAPER AND NOTICE FOR SCRUTINY AND ALLOTMENT OF SYMBOLS.

20.1 You will find from the form of nomination paper that a part of it requires the Returning Officer or the Assistant Returning Officer before whom it is filed to fill in and sign a certificate of delivery. While filing the nomination paper make sure that the Returning Officer or the Assistant Returning Officer before whom the nomination paper is filed enters in your presence its serial number and properly fills in and signs the form of certificate of delivery of nomination paper.

20.2 You will also find from the nomination paper that the Returning Officer or the Assistant Returning Officer before whom the nomination paper is filed, is required to hand over to you or your proposer presenting the nomination paper a receipt for the same which also contains a written notice of the date, time and place fixed for the scrutiny of nomination papers. Do not forget or overlook to obtain the receipt for nomination paper containing also the notice of the time, date and place fixed for the scrutiny. All these are statutory requirements contained in section 35 of the Representation of the People Act, 1951. Therefore do see that the certificate of delivery in the form given on the nomination paper is duly made in your presence by the Returning Officer or the Assistant Returning Officer to whom you have delivered the nomination paper and do not hesitate to ask from him for the receipt of nomination paper which he is bound to give to you or your proposer before leaving the place where the nomination paper is filed.

20.3 The Commission has directed that Returning Officer should also give you along with the above notice about the scrutiny of nominations, another notice about the date, time and place of allotment of symbol to contesting candidates. You should take that notice so that you may be present at the time of allotment of symbols, if your name is included in the list of contesting candidates.

21. EXAMINATION OF THE NOTICES OF NOMINATIONS
The Returning Officer under section 35 is required to cause to be fixed in some conspicuous place in his office a notice of the nominations received by him on each of the dates fixed for making of nominations. This notice is in Form 3-A appended to the Conduct of Elections Rules, 1961. You are well advised to study and examine the notices of the nominations in respect of the various candidates who have filed such nomination papers, affixed by the Returning Officer or the Assistant Returning Officer in some conspicuous place of his office under the law as aforesaid to find out if there is any defect in the nomination papers of your rival candidates. If you find such defects, then you may take objection, if you like, against any of your rival candidates at the time of scrutiny of nominations.
CHAPTER IV
SCRUTINY OF NOMINATIONS

1. You have filed the nomination paper and other candidates would have also done so. The next stage in the election process is the scrutiny of nomination papers by the Returning Officer. The Returning Officer is required by law to hold the scrutiny of all nomination papers received by him on the date fixed for scrutiny in the election time table issued under section 30 of the Representation of the People Act, 1951.

2. The scrutiny of nomination papers takes place on the day immediately following the last date for filing nominations. Thus, if today is the last date for filing nominations then tomorrow will be the date for scrutiny of nominations. But if tomorrow is a public holiday then the scrutiny of nominations will take place day after tomorrow provided it again is not a public holiday. In other words, scrutiny of nomination papers cannot be held as pointed out already on a public holiday.

3. BY WHOM SCRUTINY OF NOMINATION PAPERS IS HELD
The scrutiny of nomination papers can be held only by the Returning Officer. This function cannot be delegated by the Returning Officer even to an Assistant Returning Officer. There is only one exception, that is to say, an Assistant Returning Officer may be authorized by the Returning Officer to hold the scrutiny of nominations if, and only if, the Returning Officer is unavoidably prevented from performing the function relating to the scrutiny of nominations (see the proviso to section 22 (2) of the Representation of the People Act, 1951)].

4. WHO MAY ATTEND SCRUTINY OF NOMINATIONS
According to law only four persons in the case of each candidate may attend the place of scrutiny. These four persons are: (1) the candidate himself, (2) the candidate's election agent, (3) one proposer of the candidate and (4) one other person authorized in writing by the candidate. Even if you have filed the maximum number of nomination papers from the same constituency, namely, four nomination papers and there are different proposers, even then only one proposer can be present at the scrutiny. Thus only four persons for each candidate can be present, and if there are, say, for example, ten candidates who have filed nomination papers from a particular constituency then in all forty persons can be present at the scrutiny. It will be better for you if the fourth person to be authorized by you in writing at the time of scrutiny is a lawyer conversant with election law, so that he may adequately protect your interests at the time of scrutiny. It will also be to your interest if you yourself can be present at the scrutiny.

5. REASONABLE FACILITIES FOR EXAMINATION OF NOMINATION PAPERS
The four persons (including yourself) who can be present on your behalf at the time of scrutiny have a right to have all reasonable facilities for examining the nomination papers of all the candidates which are taken up for scrutiny by the Returning Officer. This is a valuable right for you and the three other
persons, who may be present along with you, namely, your election agent, one of your proposers and the person authorized by you.

6. OBJECTIONS WHICH MAY BE RAISED
You should not raise any flimsy or technical objections in regard to any nomination paper. Similarly you or the person representing you should oppose any objection raised against your nomination on flimsy or technical ground. Section 36(4) of the Representation of the People act, 1951 clearly lays down that the Returning Officer shall not reject any nomination paper on the ground of any defect which is not of a substantial character. Rule 4 of the Conduct of Elections Rules 1961 lays down that the failure to complete or defect in completing a declaration regarding symbols in the nomination paper is not a defect of a substantial character. Therefore, if any of your opposing candidates raises any objection regarding a defect, which is not of a substantial character, you or any of the persons who may be present on your behalf may oppose it. It has already been pointed out that on the presentation of a nomination paper the Returning Officer will satisfy himself that the names and the electoral roll numbers of the candidate and his proposer as entered in the nomination paper are the same as those entered in the electoral rolls. The Returning Officer may not therefore reject your nomination paper on the ground of any misnomer or any inaccurate description or clerical or technical or printing error in regard to your name or the name of your proposer or any other person or in regard to any place mentioned in the electoral roll or nomination paper, etc., provided that such description in regard to any name and place is such as to be commonly understood. If at the time of scrutiny any objection is raised regarding such misnomer or inaccurate description etc., you may draw immediate attention to the proviso to section 33(4) of the Representation of the People act, 1951.

7. In one word, when any objection is raised against your nomination paper you should try to impress upon the Returning Officer that he should not reject the nomination paper on any flimsy or technical ground. If he is satisfied as to the identity of the candidate and of the proposer then he should not reject the nomination paper only on ground of any technical defect or inaccurate description in the name of candidate or the proposer or the inaccurate description of any place.

8. Tell the Returning Officer that if he rejects any nomination paper on any such technical unsubstantial or flimsy ground then that may be regarded as an improper rejection of a nomination paper which may have the effect of voiding the entire election thus involving a huge waste of public money, public time and public energy.

9. Omission of age of the candidate in the nomination paper is a defect of a substantial character
Remember that the omission to specify your age in the nomination paper is a defect of a substantial character and is sure to lead to the rejection of your nomination paper.

10. GROUND FOR REJECTION OF NOMINATION PAPER
Remember that the Returning Officer will be justified in rejecting your nomination paper on any one of the following grounds namely:

(a) If you are clearly not qualified to be a member of the House of the People or of State Legislative Assembly, or

(b) If you are clearly disqualified in law to be such member; or

(c) If you have not taken the oath or affirmation as required by the Constitution; or

(d) If your nomination paper has not been delivered in time; or

(e) If your nomination paper has been delivered to the Returning Officer or to an authorized Assistant Returning Officer by a person other than yourself or your proposer; or

(f) If your nomination paper has not been delivered at the place specified in the public notice issued by the Returning Officer; or

(g) If your nomination paper has been delivered to a person other than the Returning Officer or any of his authorized Assistant Returning Officer; or

(h) If your nomination paper is not substantially in the prescribed form; or

(i) If your nomination paper has not been subscribed by the required number of proposers or has not been signed either by you or by your proposer(s) or by both in the places meant for such signatures in the nomination paper; or

(j) If the proper security deposit has not been made by you in accordance with the law already explained; or

(k) If your signature or the signature(s) of your proposer(s) on the nomination paper is/are not genuine; or

(l) If you do not belong to that class of persons for whom the seat in your constituency is reserved, e.g. if you do not belong to Scheduled Caste and you file nomination paper to contest a seat reserved for the Scheduled Castes; or

(m) If the proposer is not an elector of the constituency or is not eligible to be proposer.

(n) If you fail to make declaration that, you have not been, and shall not be nominated as a candidate at the present general election/bye-elections being held simultaneously, to the House of the People or Legislative Assembly of a State, from more than two Parliamentary/Assembly constituencies, as the case may be.

(o) If you fail to furnish alongwith your nomination papers the two affidavits in the prescribed formats, given in Appendix VI-A & VI-B.

(p) If you fail to specify your age in the nomination paper.
11. If your nomination paper is rejected for any reason you must get a certified copy of the order of the Returning Officer containing reasons for such rejection. According to the Commission’s instruction, you are entitled to get a copy immediately after the Returning Officer has passed an order rejecting your nomination paper for which you need not pay any fee or charges.

12. You may apply for time to rebut any objection, if you find that any objection has been raised against your nomination as a candidate and to rebut that objection you require some time you may immediately apply to Returning Officer for time. In such a case the Returning Officer may allow adjournment up to two days because the law says that if the candidate wants time to rebut any objection then he “may be allowed time to rebut it not later than the next day but one following the date fixed for scrutiny.” Thus if today has been the date fixed for scrutiny, then the Returning Officer has the power to grant you time till day after tomorrow.

13. OATH OR AFFIRMATION BY THE CANDIDATE
In this connection, your attention may again be drawn to the Supreme Court decision in the case of Pashupati Nath Singh vs. Hari Har Prasad Singh (AIR 1968 SC 1064). According to that decision, the oath or affirmation by a candidate must be made after he has been nominated and before the date fixed for scrutiny. The detailed instructions in this regard have already been given in Chapter-II.

14. REJECTION OF ONE NOMINATION PAPER NOT TO AFFECT YOUR NOMINATION IF ANY OTHER NOMINATION PAPER IS FOUND VALID
It has already been mentioned that from the same constituency you can file as many as four nomination papers. If any of these four nomination papers is found to be valid, then that itself will be enough for your valid nomination even though the other three are rejected. It is, therefore, advisable for you to file maximum number of nomination papers, namely, four.

15. DOCUMENTS AND OTHER MATERIALS WITH WHICH YOU SHOULD BE PRESENT AT THE TIME OF SCRUTINY
To meet possible objections against your nomination, take with you to the place of scrutiny the following documents, namely:

(a) A copy of the current electoral roll or a copy of the relevant part of the electoral roll or a certified copy of the entry in that electoral roll bearing your name the name of your proposer;

(b) Satisfactory evidence regarding your age:

(c) Where deposit has been made in cash, the receipt given to you by Returning Officer or an authorized Assistant Returning Officer and, where deposit has been made in a Government treasury or in the Reserve Bank of India, the duplicate copy of the treasury receipt or challan;
(d) The receipt for nomination paper and notice of scrutiny which was handed over to you by the Returning Officer or the authorized Assistant Returning Officer on your presenting the nomination paper; and

(e) A copy of the affidavit filed by you in prescribed format regarding particulars of conviction; and

(f) Any other evidence or material, which may be necessary to repeal and rebut any objection which has been or may be raised against your nomination.

16. LIST OF VALIDLY NOMINATED CANDIDATES
Immediately after all the nomination papers have been scrutinized, the Returning Officer will prepare a list of candidates whose nominations have been found valid. The names of the candidates will be shown in this list as they appear in the nomination papers. If however, a candidate considers that his name is incorrectly spelt or is otherwise incorrectly shown in his nomination paper or is different from the name by which he is popularly known, he may at any time before the list of contesting candidates is prepared, furnish in writing to the Returning Officer the proper form and spelling of his name. The Returning Officer on being satisfied as to the genuineness of the request shall make the necessary correction in the list of validly nominated candidates and adopt that form and spelling in the list of contesting candidates.

17. DO'S AND DON'T'S FOR GUIDANCE OF CANDIDATES
The election law of our country is quite comprehensive and the procedure quite elaborate. It is upon their due observance that the purity of the elections depends. Some of the Do's/Don'ts are suggested for your guidance in Appendix-VIII-A It should be noted that these are not exhaustive but are only illustrative.

18. CODE OF CONDUCT - DO'S AND DON'T'S FOR GUIDANCE OF POLITICAL PARTIES AND CANDIDATES.

Apart from the Model Code of Conduct (Appendix -XIII), the Commission has recently issued another set of Code of Conduct - Do's and Don'ts for guidance of political parties and candidates to be observed from the announcement of an election and until the completion of the process of election. A copy these Code of Conduct - Do's and Don'ts is also given in Appendix-VIII-B.

It is your responsibility to ensure that neither you nor the political party which has set you up, your agents, workers, supporters and sympathizers indulge in any acts of commission or omission which may amount to violation of the said Code of these Do's and Don'ts.
CHAPTER V
WITHDRAWAL OF CANDIDATURES

1. WITHDRAWAL OF CANDIDATURE
If your nomination paper is accepted, you become a validly nominated candidate. But even then, you may like to withdraw from the contest for several reasons. Such reasons may be personal or political. It is neither necessary nor possible to go into them. You may kindly note that the withdrawal of your candidature can be done only after the scrutiny of nominations is over and not at any stage before.

2. NOTICE OF WITHDRAWAL
If you have decided to withdraw your candidature even after your nomination paper has stood the test of scrutiny by the Returning Officer, then you must do so by a notice in writing and such notice shall be in form 5 appended to the Conduct of Elections Rules, 1961 (Appendix-IX). You will fill in this form very carefully and after you have signed, it must be delivered to the Returning Officer not later than 3 p.m. on the last date fixed under section 30 (C) for the withdrawal of candidatures by you in person or by any of your proposers or your election agent (duly appointed by you in the manner explained in Chapter-VI Such proposer or election agent presenting your notice of withdrawal should be authorized by you in this behalf in writing; otherwise, such notice will not be accepted by the Returning Officer. The notice of withdrawal should not, in any case, be sent by post.

3. REQUIREMENTS FOR VALID WITHDRAWAL
The points to be noted in this connection are repeated for your convenience;
(a) the notice of withdrawal shall be in the prescribed form (Form 5);
(b) it must be signed by you only and by no one else on your behalf;
(c) it must be delivered to the Returning Officer not later than 3'O clock in the afternoon on the last date for withdrawal of candidatures; and
(d) such delivery must be made either by you in person or by one of your proposers who signed your nomination paper as proposer or by your duly appointed election agent, but if it is delivered by your proposer or your election agent then such proposer or election agent must be authorized by your in writing in this behalf.

4. NOTICE OF WITHDRAWAL TO BE FINAL
You must also note very carefully that once you have given a notice of withdrawal of your candidature to Returning Officer, it becomes final under section 37 (2) of the Representation of the People Act, 1951 and you will not be allowed under any circumstances to cancel the notice. Therefore be very careful and circumspect before the notice of withdrawal is actually delivered to the Returning Officer.
5. But if you have decided to withdraw from the contest you have to take a particular care that all the conditions mentioned above are fulfilled. Otherwise, the withdrawal of your candidature will not be regarded as withdrawal in the eye of law and your name will be included by the Returning Officer in the list of contesting candidates prepared by him under section 38 of the Representation of the People Act, 1951 with the result that even if you do not actually contest, you cannot get a refund of the money which you deposited along with your nomination paper and you will be required to file your account of election expenses. But if the notice of withdrawal is a good and valid one and accepted by the Returning Officer, then you will be entitled to get back the money you deposited along with your nomination paper and you need not file your account of election expenses.

6. RECEIPT OF NOTICE OF WITHDRAWAL

After the notice of withdrawal has been delivered by you or on your behalf by your proposer or election agent as authorized by you in writing, please wait there for some time to have the receipt for the notice of withdrawal. This receipt will be handed over to you by the Returning Officer. Do not leave the Office of the Returning Officer without getting this receipt because this receipt will help you in getting back your deposit money.

7. In this connection it may be pointed out that any corrupt withdrawal of candidature is a corrupt practice under the election law. In this connection your attention is drawn to section 123 (1) of the Representation of the People act, 1951.

8. LIST OF CONTESTING CANDIDATES

If you decided to contest the election and do not withdraw your candidature, you will be regarded as a contesting candidate. Immediately after 3 p.m. on the last date for the withdrawal of candidatures, the Returning Officer will proceed to allot different symbols to each contesting candidate in the manner explained in detail in paragraph 17 of Chapter-III. The Returning Officer will then draw a list of the contesting candidates, in form 7A which will show the names of contesting candidates, their addresses as given in the nomination papers and the symbols allotted to them. The Returning Officer will give a copy of such list to each contesting candidate or his election agent and will also cause a copy thereof to be published in a conspicuous place in his office. The list will also be published in the Gazette of India in the case of a parliamentary election, and in the State gazette concerned in the case of an assembly election.

9. ARRANGEMENT OF NAMES IN THE LIST OF CONTESTING CANDIDATES

9.1 As per the amended section 38 of the Representation of the People Act, 1951 and revised Form 4 (List of validly nominated candidates) and Form 7A (List of contesting candidates), names of candidates in the said lists are required to be arranged under three categories, i.e. (i) candidates of recognised National parties and State political parties in the State concerned, (ii) candidates of registered unrecognized political parties and (iii) other (independent) candidates. Therefore, names of candidates will be arranged in the said lists
and also on the ballot papers in the said order under these categories. It may be noted that names will be arranged alphabetically in each of the above mentioned three categories separately. (However, the headings of the above mentioned three categories as given in the revised Form 7A shall not appear on the ballot papers). The serial numbering will however be continuous for all three categories.

9.2 The Returning Officer will determine the arrangement of the names of candidates in alphabetical order in each of the three categories in the list of validly nominated candidates, the list of contesting candidates and also in ballot papers on the basis of the first letter of name irrespective of whether the name given is the proper name or surname. The initials, if any, prefixed to the name of a candidate shall be ignored for the aforesaid purpose. Thus in the case of a candidate giving his name as “T.K. Reddy”, the place of that candidate according to alphabetical order shall be determined with reference to the letter “R” and not “T”. However, if two candidates in the same category have the same names but different initials, for example P.S. Reddy and T.K. Reddy then the two names will be arranged inter-se with reference to the first letter of the initials. Further, if two or more such candidates have the same names but different surnames, then their names shall be arranged inter-se in alphabetical order with reference to the surnames.

9.3 Rules 22(3) and 30(3) of the Conduct of Elections Rules, 1961 provide that if two or more candidates bear the same name, they shall be distinguished by the addition of their occupation or residence or in some other manner. In such cases, the arrangement of names of those candidates if falling under the same category in the list of validly nominated candidates and contesting candidates and in the ballot paper will be with reference to the distinguishing names of the candidates.

9.4 There will also be no objection to the addition of any honorific, academic, hereditary, professional or any other title to the name of a candidate, but such title shall on no account be taken into consideration, in the arrangement of names in alphabetical order in the list of validly nominated candidates or contesting candidates and in ballot paper.

9.5 The Returning Officer will arrange the names of the candidates in the list of validly nominated candidates alphabetically according to the script of the language as specified or first specified in the third column of Directions No. 3/4/2008/J.S.II, dated 16th September, 2008 and No. 3/4/2008/JS-II/SDR dated 6th February, 2009 (Appendix-XXXVII).

10. ISSUE OF IDENTITY CARDS TO CONTESTING CANDIDATES

10.1 After the finalization of the list of contesting candidates, the Returning Officer will issue an identity card to each contesting candidates in the form given below:

CANDIDATE’S IDENTITY CARD
Shri..................................is a contesting candidate for election of the .................... from the constituency [and is set up by the ...........................................party. Photograph
N.B. If the candidate is set up by a State party or a National Party or a registered unrecognized party registered with the Commission, the Returning Officer will enter the name of the party, otherwise the bracketed portion in the form will be scored out.

10.2 The Commission has decided that in all elections, the identity cards issued to contesting candidates shall bear their photographs. For this purpose, you should furnish two copies of your recent photographs to Returning Officer as soon as after the list of contesting candidates is finalized on the last date for withdrawal of candidatures. The identity cards will be prepared in duplicate so that the duplicate copy is kept as office copy for the purposes of record by the Returning Officer one copy of the same duly attested will be supplied to you.

10.3 The Commission has decided that Identity Cards shall also be issued to election agents. The letter of appointment of election agent in Form 8 itself will serve the purpose of such identity card. You should, therefore, affix the photographs also of your election agent on the right top portion of both the copies of his appointment letter in Form 8. These photographs will be attested by the Returning Officer in the same manner as has been instructed in the case of attestation of photographs of your in para 10.2

10.4 You should not fail to collect your identity card from the Returning Officer and you should always keep it with you. During the election campaign, on the day of the poll and on the date of counting, there will arise various occasions, on which your identification as a candidate will be necessary and this identity card will readily establish your identity as a candidate.
CHAPTER - VI

ELECTION AGENTS

1. As a candidate, you may appoint any person other than yourself to be your election agent. It is not however incumbent on you to appoint an election agent. Such appointment may, if you so desire, be made at any time you like after you have been nominated as a candidate or not at all. Every such appointment has to be made by a formal communication in form 8 (Appendix - X) in duplicate by you and forwarded to the Returning Officer. The Returning Officer will retain one copy thereof and return the second copy to the election agent after affixing thereon his signature in token of his approval of the appointment.

2.1 Any person who is for the time being disqualified under the Constitution or under the Representation of the People Act, 1951 for being a member of either House of Parliament or either House of the Legislature of a state or for voting at election shall so long as the disqualification subsists, also be disqualified for being an election agent at any election.

2.2 FURTHER, THE COMMISSION HAS INSTRUCTED THAT THE MINISTERS OF THE UNION OR STATES AND MPs, MLAs, MLCs AND ANY OTHER PERSON PROVIDED WITH SECURITY COVER BY THE STATE SHALL NOT BE APPOINTED AS ELECTION AGENTS (AND ALSO AS POLLING AND COUNTING AGENTS) AS THE SECURITY PERSONNEL ACCOMPANYING THEM CANNOT BE PERMITTED TO ENTER POLLING STATION AND COUNTING CENTRE, NOR CAN THEIR SECURITY BE JEOPARDISED IN THE ABSENCE OF THEIR SECURITY PERSONNEL. NO PERSON WITH SECURITY COVER CAN BE ALLOWED TO SURRENDER THE SECURITY COVER TO ENABLE HIM TO BECOME AN ELECTION AGENT.

3. You may revoke the appointment of your election agent in writing in form 9 (Appendix - XI) under your signature by lodging the revocation with the Returning Officer. It shall operate from the date on which it is lodged with the Returning Officer. In the event of such revocation or the death of an election agent, you may appoint another election agent in his place. You should give notice of such appointment in writing in Form 8 to the Returning Officer and state the facts therein.

4. An election agent may perform such functions in connection with your election as are authorized by the Representation of the People Act, 1951 and the rules made thereunder. In particular, you or your election agent must keep a full day to day account of your election expenses incurred on each item duly supported by vouchers which should be lodged along with the account of election expenses. It is also pointed out that any corrupt practice (mentioned in section 123 of the R.P. Act, 1951) committed by your election agent will be regarded in law as having been committed by you and that will vitiate your election. Therefore, take proper care in selecting your election agent. Ask your election agent to carefully go through the provisions of section 123 of the
act regarding corrupt practices. You are responsible for the actions done by him on your behalf.

5. The Commission has decided that Identity Cards shall also be issued to election agents. The letter of appointment of election agent in Form 8 itself will serve the purpose of such identity card. You should affix the photographs also of your election agent on the right top portion of both the copies of his appointment letter in Form 8. These photographs will be attested by the Returning Officer in the same manner as has been instructed in the case of attestation of photographs of yours in Para 10.2 of Chapter -V.
CHAPTER-VII
CAMPAIGN PERIOD

1. INTRODUCTORY

1. The election law provides for an interval of not less than thirteen clear days between the last dates fixed for the withdrawal of candidatures and the poll. This period should be properly utilized for canvassing and educating the voters and for training the large number of workers and agents that you will have to employ.

1.2 As you are a contesting candidate in a constituency where voting machines are going to be used for conducting the poll, you should utilize this period fully for educating the voters as to how they have to record their votes by means of these machines. Similarly, the persons proposed to be appointed by you as your polling and counting agents should also be asked to thoroughly acquaint themselves with the voting and counting procedure to be followed while using these machines. For their guidance, the Commission has brought out separate handbooks for them which they should study carefully.

2. CORRUPT PRACTICES AND ELECTORAL OFFENCES

2.1 While undertaking your electioneering campaign, you should ensure that the highest standard of morality and purity are maintained, as that would in turn ensure free and fair election. The most potent cause which tends to mar the smooth conduct of an election and disturb the atmosphere of friendly contest that should prevail during the elections, is the violation of the statutory provisions of election law relating to corrupt practices and electoral offences. The election law has enumerated various corrupt practices and electoral offences in sections 123 to 136 of the Representation of the People Act, 1951 and chapter IX-A of IPC. For your convenience, the above-mentioned provisions are reproduced in Appendix -XII. The commission of any such corrupt practices and offences by your agents and workers may vitiate your election. You should, therefore keep in check your overenthusiastic agents and workers from indulging in any objectionable activities. Even a single proved instance of corrupt practice may be enough to unseat you, if you are successful in the election.

2.2 In particular, do not permit, on your behalf:
(i) Any bribery or undue influence by way of coercion or intimidation of voters or otherwise or personation;
(ii) Any arrangement, direct or indirect, to carry any voter to or from polling station by any kind of vehicle used for transport (this is also a criminal offence);
N.B. Even your party cannot arrange for such conveyance.
(iii) Any act to promote or attempt to promote on grounds of religion, caste, community or language, feeling of enmity or hatred between different classes of citizens of India is a corrupt practice and which may render your election void and entail disqualification for membership and which is also an electoral
(iv) Any assistance from any government servant to help your prospects in the election, except that a government servant may, if he so desires, cast his vote for you;

N.B. Such assistance on the part of a Government servant is a corrupt practice as well as an offence. If you instigate him to do so, you will be liable criminally for abetment. Provided that where any person in the service of the Government and belonging to any of the specified classes in the discharge or purported discharge of his official duty, makes any arrangements or provides any facilities, or does any other act or thing, for or in relation to any candidate, or his election agent, or any other person, acting with the consent of the candidate, or his election agent (whether by reason of the office held by the candidate or for any other reason), such arrangements, facilities or act or thing shall not be deemed to be assistance for the furtherance of the prospects of that candidate’s election.

(v) Your election expenses to exceed the legal maximum;

(vi) Any removal of ballot paper or voting machine from the polling station or tampering with the ballot boxes or voting machines by use of force or otherwise (these are criminal offences);

(vii) Any appeal by you or by your agent or any other person with your consent or with the consent of your election agent to vote or refrain from voting for any person on grounds of his religion, race, caste, community or language or the use of or appeal to religious symbols or the use of or appeal to National Symbols such as National flag or the National emblem which is a corrupt practice under the law. (However, no symbol allotted to a candidate shall be deemed to be a religious symbol or a National symbol);

(viii) The publication of any statement of fact which is false in relation to the personal character or conduct of any candidate;

(ix) Booth capturing as defined in section 135A of the Representation of the People Act, 1951. Booth capturing is both a corrupt practice and an electoral offence punishable with imprisonment of not less than six months and up to two years and with fine.

3. MODEL CODE OF CONDUCT FOR GUIDANCE OF POLITICAL PARTIES AND CANDIDATES

3.1 Apart from the abovementioned corrupt practices and electoral offences, the election campaigns may take different forms, which may create feelings of bitterness, irritation, confrontation and resentment among the various political parties and candidates and vitiate the atmosphere. For maintaining a healthy and peaceful atmosphere conducive to the conduct of smooth election, the Commission has devised a Model Code of Conduct for the guidance of political parties and candidates.

3.2 The model code of conduct comes into operation from the day the Commission announces the programme for election in your constituency. The code is reproduced in Appendix -XIII.
3.3 If this code is scrupulously followed by political parties and contesting candidates and also by their workers, there will be hardly any cause for ill-will or friction among them and the election can be conducted by the Officers charged with the task smoothly and fairly. These officers would thus require your co-operation in this noble task.

4. COMMITTEES FOR OBSERVANCE OF MODEL CODE OF CONDUCT

4.1 For the due observance of the above said Model Code of Conduct, the Commission has instructed that there should be standing committee in each district under the chairmanship of the head of the district administration i.e., Deputy Commissioner, District Magistrate, etc., and besides the senior police Officers of the district, the representatives of all National and State parties functioning in the district should be associated with such committees.

4.2 The Commission has also instructed that in addition to the aforesaid district Committees there should be constituted a similar committee in each constituency. This committee will function under the Returning Officer and will consist of all contesting candidates or their authorized representatives, beside the senior police officers. The committee will meet quite frequently, if possible from day to day. It will act as a watchdog to see that the Model Code of Conduct is followed. Any instances of violation of such code, which have come to your notice, should be reported by you to the committee for such remedial or punitive action as is considered necessary.

5. PROCESSIONS AND MEETINGS

5.1 You or your party should obtain well in time the required permission from the proper authority for the holding of a meeting at any public or private place. The Commission has issued instruction that all public maidens, meeting halls, etc. should be made available to all candidates equally and no undue favour or preference should be shown in this regard to the candidates of any particular political party. Temples, mosques, churches or other places of worship should not be used as forum for such meeting or for any election propaganda. Similarly, permission should also be obtained for conducting processions. The application should be made in time to enable the local police authorities to make necessary traffic and security arrangements. Taking out processions on the same roads or routes on which some other candidate is also taking out a procession on the same day should be avoided. Pictorial representations should be sober and moderate and of real educative value to voters. A high standard of decency and decorum should be maintained while making speeches or raising slogans.

5.2 No Loudspeakers should be used for any such meetings or processions or for general propaganda without prior written permission of the authorities concerned and beyond the hours fixed by the Commission in this behalf.

5.2.1 A public address system or loudspeaker or any sound amplifier, whether fitted on vehicles of any kind whatsoever, or in static position, used for public
meetings for electioneering purposes, shall not be used at night between 10.00 p.m. and 6.00 a.m.

5.3 No Loudspeaker fitted on vehicles of any kind or in any other manner whatsoever should be used during the period of 48 hours ending with the hour fixed for the conclusion of the poll in any polling area.

5.4 **There is no restriction of number of vehicles which you may use for election campaign. However, no vehicle can be used without obtaining valid permission.** You should submit the details of all such vehicles that you may be using in the election campaign before the District Election Officer or such other officer(s) as may be specifically authorized by the District Election Officer in this behalf before the campaigning commences and should obtain permits in respect of such vehicles. Any further deployment of additional vehicles by you can take place only after you or your election agent have submitted details of such additional vehicles and obtain permits such additional vehicles well before the actual deployment. While submitting the details of the vehicles that are being deployed for election campaign the details of the areas in which such vehicles would operate, should also be furnished. **Expenditure incurred on all such vehicles which are used for election campaign shall be booked against the election expense of the candidate.**

5.5 Any vehicle which has not been registered for campaigning with the district administration if found being used for campaigning, shall be deemed to be unauthorized campaigning for you and may attract penal provisions of Chapter IX A of the Indian Penal Code and shall therefore be immediately taken out of the campaigning exercise.

5.6 External modification of vehicles including fitting of Loudspeaker thereon, would be subject to the provisions of the Motor Vehicles Act/Rules and any other Local Act/Rules. Vehicles with modifications and special campaign vehicles like Video Rath etc., can be used only after obtaining the requisite permission from the competent authorities under the Motor Vehicles Act.

5.7 You should ensure that vehicles for the campaign purpose ply only with the prior approval of the Returning Officers and must display the permit issued in original (not photocopy) prominently on the windscreen. The permit must bear the number of the vehicle and name of the candidate in whose favour it is issued.

5.8 You should intimate to District Administration 3 days prior to landing of Helicopter and persons traveling therein and obtain prior permission for the landing of such Helicopter.

6(A) **DEFACEMENT OF PUBLIC OR PRIVATE PROPERTY**
Many of the State/Union territories have laws to prevent the defacement of property, which term includes any building, structure, hut, wall, tree, fence, post, pole or any other erection. Defacement includes impairing or interfering with the appearance of beauty, damaging, disfiguring, spoiling or injuring in
any other way whatsoever. The offence is cognizable and punishable with imprisonment or with or with both. You must ensure that you or your agents, etc. do not violate the provisions of this law and/or the general law relating to defacement of private or public property. The Election Commission of India issued, from time to time, instructions on defacement of Public and Private Properties. You should familiarize of the local law on defacement of properties and also following instructions of the Commission in the matter-

(i) DEFACEMENT OF PUBLIC PLACES

(a) No wall writing, pasting of posters/papers or defacement in any other form, or erecting/displaying of cutouts, hoardings, banners flags etc. shall be permitted on any Government premise (including civil structures therein). For this purpose a Government premise would include any Govt. office and the campus wherein the office building is situated.

(b) If the local law expressly permits or provides for writing of slogans, displaying posters, etc., or erecting cut-outs, hoardings, banners, political advertisement, etc., in any public place, (as against a Govt. premise) on payment or otherwise, this may be allowed strictly in accordance with the relevant provisions of the law and subject to Court orders, if any on this subject. It should be ensured that any such place is not dominated/monopolized by any particular party(ies) or candidate(s). All parties and candidates should be provided equal opportunity in this regard.

(c) If there is a specifically earmarked place provided for displaying advertisements in a public place, e.g. bill boards, hoardings etc. and if such space is already let out to any agency for further allocation to individual clients, the District Election Officer through the municipal authority concerned, if any, should ensure that all political parties and candidates get equitable opportunity to have access to such advertisement space for election related advertisements during the election period.

(ii) DEFACEMENT OF PRIVATE PLACES

(a) In the States where there is no local law on the subject, and subject to the restrictions under the law where there is a law, temporary and easily removable advertisement materials, such as flags and banners may be put up in private premises with the voluntary permission of the occupant. The permission should be an act of free will and not extracted by any pressure or threat. Such banner or flag should not create any nuisance to others. Photo-copy of the voluntary permission in writing obtained in this connection should be submitted to the Returning Officer within 3 days of putting up the flags and banners in such cases in the manner prescribed in sub-para(c) below.

(b) If the local law does not expressly permit wall writing, pasting of
posters, and similar other permanent/semi-permanent defacement which is not easily removable, the same shall not be resorted to under any circumstances, even on the pretext of having obtained the consent of the owner of the property. This will also apply in the states where there is no local law on the subject of prevention of defacement of property.

(c) Where the local law expressly permits wall writings and pasting of posters, putting up hoardings, banners, etc. on private premises with the owner’s permission, the contesting candidates or the political parties concerned shall obtain prior written permission from the owner of the property and submit photocopies of the same within 3 days to the Returning Officer or an officer designated by him for the purpose, together with a statement in the following proforma. The statement in such cases and in the cases mentioned in sub-para (a) above should clearly mention therein the name and address of the owner of the property from whom such permission has been obtained together with expenditure incurred or likely to be incurred for the purpose. Nothing inflammatory or likely to incite disaffection amongst communities shall be permissible in such writings/display. The expenditure incurred in this mode on specific campaign of candidate(s) shall be added to the election expenditure made by the candidate. 7. VULNERABILITY MAPPING - PREVENTION OF INTIMIDATION TO THE VOTERS OF VULNERABLE SECTIONS OF ELECTORATE.

7.1 The threat and intimidation to the voters particularly, the voters from vulnerable sections of the society in some parts of the country has been a cause of concern. With a view to meet this challenge, the Election Commission has introduced the system of ‘Vulnerability Mapping’. A free and fair election can be conducted only in a conducive atmosphere from the law and order point of view. Hence, it becomes imperative to keep track of the law and order situation during the run up to the election and on the poll day. Taking due cognizance of the role being played by the muscle power in the elections and taking into account of certain prevailing socio economic realities of the electoral politics, the Election Commission has issued the following instructions to curb the menace of threat and intimidation at elections by identifying the locations within a polling station area vulnerable for such threat and intimidation.

7.2 An exercise to identify the villages/ hamlets/habitats and segments of electorate vulnerable to any threat, intimidation or interference with the free exercise of electoral right shall be taken up polling station wise. The sector officers for their respective polling stations shall do this exercise by visiting the catchment area of the polling stations. The local Thana officer (SHO) and local civil authorities such as BDO / Tehsildar shall also be consulted and their inputs taken into account before finalizing the list. They should identify the source of such threat/ intimidation and identify the names of persons who are likely to spearhead such offence of undue influence. While doing this exercise they shall take into account the past incidents, and current apprehensions.

7.3 They shall identify some point of contact within the habitat/ community vulnerable for such undue influence so that information related to such developments can be tracked constantly.
7.4 The Returning Officer of the Assembly Constituency should compile all such information and finalize the vulnerability mapping for the entire constituency, polling station wise the following format.

"Format for Collection of Information on Vulnerable Hamlets District: Constituency:

<table>
<thead>
<tr>
<th>Polling Station no. and Name</th>
<th>Names of hamlets covered by the P.S.</th>
<th>Name of Hamlets identified as vulnerable</th>
<th>Name of persons identified as probable source of trouble</th>

7.5 The DEO and SP shall initiate all preventive measures to ensure that such intimidation/obstruction do not really happen on the poll day. They shall initiate confidence-building measures to bolster the voters’ confidence about the arrangements for free and fair poll. They shall undertake tours to such locations and meet the communities and explain the arrangements made for the free and fair poll.

7.6 The DEO/RO shall interact with the candidates and representatives of political parties to gather regular feedback. The District Intelligence shall give regular feedback on the subject to the DEO through SP.

7.7 Upon the arrival of the Observers the DEO/RO shall hand over the details of the polling station wise vulnerability mapping for the relevant Assembly Constituency. The Observer will also visit such locations and interact with the voters and constantly monitor the developments.

7.8 The District Election Officer and Superintendent of Police of the District should hold a joint review on the subject and finalize a focused action plan to deal with the potential threats and intimidation points identified. The action plan may include, inter-alia, binding the identified trouble mongers under appropriate sections of the law, preventive detention if required, forcing their appearance in local police stations at reasonable intervals to ensure their good behavior, placement of police pickets, regular confidence building visits etc. It has to be ensured that all such measures are undertaken in absolutely non-partisan manner without fear or favour towards any particular party.

7.9 The Zonal/ and sector arrangements to monitor the events on the poll day shall take such pre-identified vulnerable locations into account for effective tracking. If the normal sector route map does not cover the vulnerable locations special arrangements shall be made for this purpose. The Sector
officers shall make regular visits to those villages and hamlets in advance and collect information and keep the senior officers informed.

7.10 Where there is a cluster of such vulnerable pockets, the DEO shall arrange for dedicated police teams/squads and locate them at convenient locations in the vicinity, to be pressed into service for action on the day of poll without any loss of time. It should invariably form part of the district security plan.

7.11 On the day of poll, the sector officers shall give special attention to verify whether voters from the vulnerable habitats/communities are turning up for voting or not. In case, they find (it can be gauged from the marked copy of the electoral roll where voters who have voted are ticked) that some section of voters is conspicuously absent, then they should inform the Returning Officer about this immediately. The Returning Officer and DEO shall dispatch the dedicated squad specifically meant for this purpose, to ascertain, by a visit to the area/hamlet, that there is no hindrance – overt or covert – in movement of that section of voters. They should closely monitor the developments and initiate effective interventions. After the closing hours on the poll day, the sector officers shall submit a special report, polling station wise, in writing to the Returning Officers indicating as to whether voters from the vulnerable habitats were able to vote or not.

7.12 At the time of dispatch of the polling parties at the Dispatch Centers, the Returning Officer should brief the Presiding Officer concerned about the vulnerable locations within the Polling Station area. In the electoral roll the Section within the Part should also be marked for proper monitoring. The Presiding officers shall submit a report indicating abnormally low percentage of voter turnout if any within any section/sections, particularly, with reference to the vulnerable locations.

7.13 During the poll, the Observers and other senior officers while visiting the polling station shall pay a special attention to this problem and find out whether any undue influence, intimidation/obstruction is being caused.

7.14 The police patrolling parties should keep track of the vulnerable locations and keep the control room informed. Wherever necessary police pickets shall be established to ensure free access to all voters to cast their votes without fear.

7.15 The Commanders/Assistant Commanders of the CPMF shall be given a list of such vulnerable locations. Wherever CPMF arrives in advance for area domination, special attention shall be given for such locations. On the day of poll the Commanders/Assistant Commanders shall make it a point to visit such vulnerable pockets as a confidence building measure. In case they come across any obstruction they shall take note of that and immediately inform any of the electoral officials such as RO/DEO/SP/Observer/Sector Officer and keep a note of the time of their intimation.

7.16 If any complaint is received or information gathered from any sources about obstruction/threat to any voter/voters the same shall be enquired into by the local administration without any delay.
7.17 The Returning Officer shall take the inputs on mass scale intimidation/threat/obstruction if any into consideration while submitting their report after the poll.

7.18 The Observers shall give their full attention to this issue and verify at every stage (before poll/on poll day) and submit reports to the Commission from time to time. A special mention shall be made about this in their final report. Apart from this they should make an intelligent reading of the Form 17A and the marked copy of the electoral roll used in the polling stations at the time of Form 17A scrutiny, ordered if any, by the Commission after the poll.

7.19 The accountability of various police and civil officials for vulnerability mapping and follow up at every stage shall be clearly defined with reference to each polling station/constituency. Severe disciplinary action will be initiated in case of dereliction of duty on the part of any police/civil officials in this matter.

8. PROHIBITION OF PUBLIC MEETINGS AND PROCESSIONS DURING 48 HOURS IMMEDIATELY BEFORE THE CLOSE OF THE POLL

8.1 The law provides that no person shall –
(a) Convene, hold, attend, join or address any public meeting or procession in connection with an election; or
(b) Display to the public any election matter by means of cinematograph, television or other similar apparatus; or
(c) Propagate any election matter to the public by holding, or by arranging the holding of, any musical concert or any theatrical performance or any other entertainment or amusement with a view to attracting the members of the public thereto,
In any polling area during the period of forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in that polling area.

8.2 Any person who contravenes the above provisions shall be punishable with imprisonment for a term, which may extend to two years or with fine, or with both.

8.3 The expression "election matter" means any matter intended or calculated to influence or affect the result of an election.

8.4 You should keep these provisions in view while holding public meetings, or taking on any processions, etc.

9. DISTURBANCE IN THE PUBLIC MEETINGS
If any supporter of a rival candidate or any one opposed to you or your party creates disturbance in any of your election meetings, the chairman of the meeting may request any police officer who may be present to ascertain the name and address of the person who disturbs the meeting. The police will take action to prosecute the offender under section 127 of the Representation
of the People Act, 1951 which has been reproduced at Appendix -XII. The offence under section 127 is cognizable
Similarly, your workers, agents and supporters should also be told not to disturb public meeting of rival candidates.

10. STRICT OBSERVANCE OF CODE OF CONDUCT - DO’S AND DONT’S FOR OBSERVANCE OF POLITICAL PARTIES AND CANDIDATES
As already mentioned in Chapter - IV, the Commission has given two sets of Do’s and Don’ts for guidance of political parties and candidates for ensuring free, fair and peaceful elections (vide Appendices - VIII A and VIII B). Ensure that not only you but the political party, if any, which has set you up, your agents, workers, supporters and sympathizers also observe those Do’s and Don’ts strictly from the time the elections are announced and till their completion.

11. RESTRICTIONS ON PRINTING AND PUBLISHING OF ELECTION PAMPHLETS

11.1 Your attention is also invited to section 127-A of the Representation of the People Act, 1951 which imposes restrictions on the printing and publishing of election pamphlets and posters. This section provides that–
(a) Every election pamphlet, hand-bill, placard or poster, which is printed or multigraphed by any process (except copying by hand), must bear on the front the name and address of the printer and the name and address of the publishers:

(b) the printer of any such document must obtain from the intending publisher a declaration (in duplicate) regarding his identity signed by him and attested by two persons to whom he is personally known (Annexure-A of Appendix -XIV).

(c) As soon as the document is printed the printer must send one copy of the declaration and one copy of the document to the Chief Electoral Officer, if the document is printed at the capital of the State, and to the District Magistrate of the district in which it is printed in any other case;

(d) Contravention of any of the provisions of the section is punishable with imprisonment up to six months or fine up to two thousand rupees or with both;

(e) These restrictions however do not apply to any hand-bill, placard or poster merely announcing the date, time, place and other particulars of an election meeting or routine instructions to election agents or workers.

11.2 In order that there is strict observance of and compliance with, the requirements of the abovementioned provisions of law the Commission has issued detailed order on 2.9.94 (Appendix - XIV ). The order mainly provides as follows:-
(a) The printer should send four copies of the printed material, instead of one as mentioned in sub-para (c) above and one copy of the declaration of the publisher to the chief electoral Officer/District Magistrate within 3 days of its printing, the failure of which should be treated as a violation of the above provisions.

(b) The printer should furnish along with the declaration and copies of the printed material, full particulars regarding number of copies of the pamphlets, etc., printed and the price charged for such job in the proforma prescribed by the Commission, duly signed and authenticated by such printer. A copy of the proforma prescribed for the purpose is reproduced in Annexure-B of Appendix -XIV.

(c) The District Magistrates shall exhibit at some conspicuous place in their office all the election posters, pamphlets, etc., received by them from the printing press so that the candidates and other interested persons may be able to check in respect of which documents the requirements of law have been complied with so as to enable them to bring to the notice of the authorities concerned the cases of other election posters, pamphlets etc., in respect of which the above requirement of law have been violated.

(d) The Chief Electoral Officers shall also do like-wise in respect of such documents received by them.

(e) The District Magistrates and other authorities charged with the detection and investigation of offences have been instructed that they should initiate prompt action and investigation, if any case of publication of election poster, pamphlet, etc. in violation of the abovementioned provisions of section 127-A of the Representation of the People Act, 1951 either comes, or is brought, to their notice. In all such cases, prosecutions should be launched against the offenders expeditiously.

11.3 In recent times, the Election Commission of India has observed the trend that the advertisements are brought out in print media, especially news papers, for and against particular political parties and candidates, some surrogate and some under the name of some organization during the election period. In order that there is strict observance of and compliance with, the requirement of the provisions of Section 127-A of Represenation of People Act, 1951, the Commission has issued following orders -

(a) In the case of advertisements, the source of which is traceable, the following action shall be taken: -
(i) if the advertisement is with the consent or knowledge of the candidate, it will be treated to have been authorized by the candidate(s) concerned and will be accounted for in the election expenses account of the candidate(s);
(ii) if the advertisement is not with the authority from the candidate, then action shall be taken for prosecution of the publisher for violation of Section 171 H of IPC-(incurring expenditure in advertisement without written authority from the candidate(s) concerned).

(b) If the identity of the publisher is not indicated in the advertisement, then the District Election Officer/Returning Officer shall contact and get the information from the Newspaper concerned, and shall take appropriate action, as above.

11.4 You must see that all the above requirements of law and the Commission’s directives are invariably complied with in respect of the election pamphlets and posters printed and published by you or on your behalf. This is essential for ensuring healthy election campaigns and maintaining purity of elections. Also, don’t hesitate to report to the authorities concerned any instances, which come to your notice or knowledge about the publication of any election posters or pamphlets in contravention of the above provisions of law.

12. PROHIBITION OF MISUSE OF SHORT MESSAGE SERVICES (SMSs)

In recent times, the Election Commission of India has also observed a trend of transmitting certain objectionable messages on Short Message Services (SMSs) by some persons to vested interests during the elections by violating the provisions of election law, model code of conduct and its directions/instructions issued in this behalf. By the aforesaid acts, the atmosphere for free, fair and peaceful elections process gets vitiated. The Election Commission of India has issued the following directions in the matter:

(i) For objectionable SMSs, which are violating the provisions of election law, model code of conduct and the Commission’s directions/instructions issued in this behalf, the Police Authorities shall advertise special mobile numbers on which the receiver of such SMS can forward the said SMS (along with the number of the sender of the objectionable SMS). The Police Authorities shall initiate appropriate inquiry and trace back the original sender of such SMS and take appropriate action under the relevant provisions of the Indian Penal Code, Representation of the People Act 1951, the Conduct of Election Rules, 1961, instructions/directions issued thereunder by the Commission and any other law applicable in the case.

(ii) Bulk SMS(es) transmitted during the campaign period as an alternative electioneering, as and when noticed by Returning Officer or District Election Officer will be brought to the notice of Chief Electoral Officer, who in turn, will find out the cost involved from the Service Provider and apportion it to the candidate or candidates concerned as the case may be.
There shall be prohibition of transmitting bulk SMSs of political nature for a period of 48 hours ending with the hour fixed for conclusion of poll.

13. RESTRICTIONS ON PRESENCE OF POLITICAL FUNCTIONARIES IN A CONSTITUENCY AFTER THE CAMPAIGN PERIOD ARE OVER.

Your attention is also invited to Section 126 of the Representation of the People Act, 1951, which imposes restrictions for campaigning during the period of 48 hours ending for the close of poll. Hence, the Commission has issued instructions that after the campaign period is over, the district election administration/police administration shall ensure that all such functionaries leave the constituency immediately after the campaign period is over. However, the said restriction is not insisted upon during the general elections to Lok Sabha/State Legislative Assembly only in respect of the office bearer of Political Party who is in-charge of the State. Such office bearer of the political party shall declare his place of stay in the State Headquarters and his movement during the period in question shall remain confined normally between his party office and place of his stay. The above restrictions will be applicable in case of all other office bearers in all elections.

14. UNOFFICIAL IDENTITY SLIPS

14.1 The political parties/candidates may issue unofficial identity slips containing the following information to the voters-
(i) the name and serial number of the voter in the electoral roll;
(ii) the number of the part of the electoral roll;
(iii) the serial number and name of the polling station; and
(iv) date of poll.

14.2 The identity slips should be on white paper and should not contain the name of the candidate and/or the name of his party and/or the election symbol of the candidate or his party. The slips should not also contain any slogans or any exhortation to vote for a party or for a candidate since these slips if carried by the voters to the polling stations would amount to canvassing within the polling station, which is not permissible. The circulation of any slips within 100 meters of the polling station would also amount to canvassing which is not permissible under the law. Two samples of identity slips are given below for your guidance:

15. **POLLING REHEARSALS**
You may arrange for your polling agent to attend polling rehearsals in their respective areas so that they may get familiar with the polling procedure and the operation of voting machines.

16. **EDUCATING THE ELECTORS ABOUT THE VOTING PROCEDURE:**

16.1 Your workers should educate the electors about the voting procedure and, in particular, the manner of recording of votes by means of voting machines. The electors should be advised to use the voting machines and to give their signatures or thumb impressions without any fear. They should be informed that this will not in any way violate the secrecy of their vote or disclose their identity, as the packets of registers of voters containing the signatures/thumb impressions of electors will be sealed, immediately after the close of the poll, with the seals of the Presiding Officers and polling agents of the candidates and such sealed packets shall not thereafter be opened or inspected by any person except under the order of a competent court.

16.2 Your workers should also familiarize the electors about the other details of voting procedure followed at the polling station. The elector should be informed that after an elector’s name is located in the electoral roll and his identity established, his left forefinger will be marked with indelible ink. The Commission has now changed the manner of application of indelible ink on the elector’s finger. Now the indelible ink will be applied on voter's left hand forefinger as a line from the top end of the nail to the bottom of the first joint of the left forefinger as shown in the diagram below:-

He will then be required to give his signature or thumb impression on the register of voters. If he puts his thumb impression on the register, he should clean his thumb with the help of a piece of wet cloth or rag provided on the table of the polling officer. This will be necessary to avoid any possible smudge on the voting machine. The electors must be informed about the new manner of marking of the left hand forefinger, so that they may not raise any objection to it at the polling station. The Polling Officer in charge of the control unit of the voting machine will then allow the elector to record his vote on
ballot unit kept in the screened voting compartment on the basis of this voter's slip. For this purpose, the polling officer will press the Ballot button on the control unit which will activate the ballot unit to record the vote. The elector will record his vote by simply pressing the 'Candidate' button on the ballot unit against the name and symbol of the candidate of his choice. On pressing the said button, the voter will see a red lamp glowing against the name and symbol of the candidate whose button he has pressed and will also hear a beep sound emitting from the control unit. These audio and visual indications are confirmation of the fact that his vote has been duly recorded for the candidate of his choice.

17. DUMMY BALLOT PAPER
You may print dummy ballot papers using your own name and symbol and indicating the place where it would appear on the actual ballot paper, which will be displayed on the ballot unit. The dummy ballot paper should not, however, contain the actual names and symbols of the other contesting candidates in the constituency. They can be printed on any colour other than pink and white, such as, brown, yellow or grey. You must make sure that dummy ballot papers do not resemble the genuine ballot papers in size and colour.

18. DUMMY BALLOT UNITS

18.1 There is also no objection to your preparing dummy ballot units for the purpose of educating the voters. The dummy ballot units may be made of wooden, plastic or ply board boxes, half the size of the official ballot units and may be painted brown, yellow or grey. These dummy ballot units may have provision for showing your serial no., name and symbol as in dummy ballot paper. It may also have a battery operated button and a lamp which may burn on the button being pressed.

18.2 PRINTED SAMPLE OF EVM AT POLLING STATION:
In order to explain to the illiterate voters about how to use the EVM, the Commission has issued the following instructions -

a). A printed sample of EVM ballot unit pasted on a cardboard (real size) will be supplied to all the presiding officers. While printing such model ballot care shall be taken to ensure that only dummy name and dummy symbols that are not in use, are used and not any real names or symbols. It shall be printed in color so that 'blue button' 'green light' and 'red light' etc are clearly represented.

b). Whenever any voter asks for help or expresses inability to vote using EVM, the presiding officer can explain to the voter the voting process using the cardboard model of the EVM ballot in such a manner that the voter is able to understand. This shall be done outside the voting compartment only in the presence of polling agents and never inside the voting compartment.

c). The Presiding Officer or other polling staff shall not frequent the voting Compartment as that may give scope for complaints.
d). In order to ensure that no voter has committed any mischief by pasting any paper, tapes etc., on the symbol/ names / ballot button, the presiding officer may from time to time make an inspection of ballot unit (BU) but he should make it a point to do so in the immediate presence of polling agents when there is no voter inside the voting compartment.

19. SYMBOL
For the convenience of the voters, you may print copies of your symbol and distribute them, but the voters cannot carry with them the paper containing the symbol to the polling station.

20. LIST OF DEAD, ABSENTEE, SHIFTED AND DUPLICATE VOTERS

20.1 In recent time, the Election Commission of India has noticed that on the day of poll, some time persons come to the polling station to vote in the name of voters who are dead or shifted to other places. In the course of canvassing for votes on your behalf, your workers and agents may find that some of the voters whose names appear in the electoral roll are dead, that some voters may have more or less permanently left the locality. Your workers may be asked to prepare a list of such dead, absentee or shifted and duplicate voters for each polling station separately. If possible get a list of such voters agreed to by all the contesting candidates and arrange to deliver the agreed list to the Returning Officer at least 7 days before the first day of the poll in the constituency. Even if the list cannot be agreed to by all the contesting candidates, get as many of them to agree as possible, or, failing even that, supply the Returning Officer with your own list.

20.2 The list should be correctly prepared. Care should be taken that the name of no real voter is included therein. It will cause annoyance if any real voter is wrongly included in the list of dead, absentee or shifted and duplicate voters and his right to vote is questioned at the polling station.

20.3 Hand over to your polling agent for each polling station a copy of the list of such dead, absentee or shifted and duplicate voters for that polling station so that he may watch for any person coming to vote in the name of any such voter on the polling day and may draw the attention of the Presiding Officer to the fact.

20.4 By following the above instructions diligently, you will not only help yourself but also assist the election authorities materially in preventing bogus voting.

21. DEATH OF A CANDIDATE BEFORE POLL

21.1 The law (Section 52 of R.P. Act, 1951), which earlier provided for countermanding of election on the death of any candidate has recently undergone a significant change by the Representation of the People (Amendment) Act, 1996. As per the amended Section 52 only in the event of death of a candidate set up by a recognised political party in the following circumstances the poll shall be adjourned:-
(a) The said candidate dies at any time after 11.00 a.m. on the last date for making nomination and his nomination is found valid on scrutiny under section 36; or

(b) his nomination has been found valid on scrutiny under section 36 and he has not withdrawn his candidature under section 37, and he dies, and in either case a report of his death is received at any time before the publication of the list of contesting candidates under section 38; or

(c) he dies as a contesting candidate and a report of his death is received before the commencement of the poll.

21.2 The Returning Officer on being satisfied about the fact of the death of the candidate, will order the adjournment of the poll to a date to be notified later by the Election Commission.

21.3 In the case of death of a candidate as mentioned at (a) above, the order of adjournment of poll will be made only after the scrutiny of all nominations including the nomination of the deceased candidate. In such case, it should be noted that the candidate shall be deemed to have been set up by recognised political party only if all the requirements mentioned in para 13 of the Election Symbols (Reservation and Allotment) Order, 1968 have been fulfilled by the time of death of the candidate. If the party has not given intimation regarding setting up of the candidate in the prescribed forms 'A' and 'B' by the time of the death of the candidate, the candidate shall not be deemed to have been set up by a recognised political party for the purpose of adjournment of poll. In such a case, contention of any party that it would have furnished the required intimation by 3.00 p.m. of the day (as required under para 13 of the Symbols Order) cannot be accepted.

21.4 Another important point to note in this connection is that recognised political party, for the purpose of section 52 of Representation of the People Act, 1951, means a recognised National party or a party recognised as a State Party in the State concerned. A party recognised as a State Party in a particular State will be treated only as a registered un-recognised party in other State where it is not recognised as State Party, even if that party has been granted concession to use its symbol in other States. Therefore, poll will not be adjourned on the death of a candidate set up by such a party.

21.5 On receipt of the report from the Returning Officer about the death of the candidate set up by a recognised political party, the Election Commission will call upon the concerned political party to nominate another candidate for the said election in place of the deceased candidate. The political party will have to make the nomination within seven days of the issue of notice to that effect by the Election Commission. Nomination of such candidate will also be done in the prescribed form (i.e., Form 2A or 2B, as the case may be) and he will also have to make a fresh security deposit. The nomination in the prescribed form should also be accompanied by the required intimation from the party in Form A and Form B prescribed under paragraph 13 of the Election Symbols (Reservation & Allotment) Order, 1968. All other requirements of law relating to nomination, scrutiny of nomination, withdrawal of candidature in respect of such candidate have also to be followed.
21.6 A person who had given a notice of withdrawal of his candidature under sub-section (1) of section 37 before the adjournment of poll is eligible to be nominated as a candidate in place of the deceased candidate.

21.7 If the list of contesting candidates had already been published under section 38, before the adjournment of poll the Returning Officer will prepare and publish a fresh list of contesting candidates including the name of the candidate nominated in place of the deceased candidate.

21.8 Further stages of the election will continue as per the revised schedule notified by the Commission.
CHAPTER – VIII

VIDEOGRAPHY OF CRITICAL EVENTS

1. In order to have a true, faithful and concurrent record of the violations of the election law and its standing instructions and to assess the impact of its corrective measures, the Election Commission has issued the following instructions.

2.1 Returning Officer of each constituency shall make arrangements to record through videography of critical events during the process of electioneering, including but not restricted to the period of public campaign, the day of poll, the transport and receipt of polled ballot boxes and other materials, counting of votes and the declaration of results in an independent intelligent and purposeful manner.

2.2 For this purpose, the Returning Officers may make use of video cameras and crew available with the Governmental or semi-Governmental agencies within their jurisdiction or hire local private professional Videographers.

2.3 The Returning Officer shall, while programming the itinerary of the Video teams, take into account the number of electors, the size of the constituency, the number of sensitive polling stations, previous history of booth capturing and other malpractices, the general law and order situation, the likelihood of commission of corrupt practices and electoral offences and other related factors.

2.4 On the basis of his assessment, the Returning Officer should decide the number of video teams needed. The Commission has not prescribed any maximum or minimum number of video teams for an assembly/parliamentary constituency and has left it to the discretion of the Returning Officers on a correct appreciation of the factors mentioned above.

2.5 The Commission has issued the following instructions in the matter of selection of Videographers and their deployment:-

3.1 The private videographers to be hired shall be screened thoroughly as to their professional competence, track record, financial viability and other related factors.

3.2 The videographers should not belong to any political party and should not be known sympathizers or supporters or close relatives of any of the contesting candidates or any of the leaders of any political party or should not have been hired by any political party or contesting candidate.

3.3 The Returning Officer is required to provide tea, snacks food etc. to the videographers and they shall not be left to fend for themselves while on duty. It shall be ensured that the videographers DO NOT accept the hospitality of any contesting candidate or political party or their workers.
3.4 Video teams should be under the personal supervision and guidance of a senior election related officer.

3.5 As and when required the video teams may be asked to accompany the General/Election Expenditure Observers so that all critical events observed by them may also be videotaped.

3.6 The videographers shall be impressed that the principle behind the scheme is to record and videotape critical events only which are likely to vitiate the poll and not to just videotape all events in a routine manner in order to fill the cassette.

4 Following items should be considered for special watch and videography –
   • Meeting addressed/attended by Ministers, top national/State level leaders of recognized parties.
   • Riots or riotous situations or commotions brick batting, free-for-all etc.
   • Violent incidents, damaging of property, looting, arson, brandishing of arms etc.
   • Booth capturing.
   • Intimidation of voters.
   • Inducement / bribing of voters by distribution of items like saree, dhoti, blankets etc.
   • Canvassing within 100 meters of polling stations.
   • Vulgar display of expenditure like huge cutouts etc.
   • Movement and activities of candidates with doubtful / criminal records
   • Hypersensitive & sensitive polling stations
   • Important events such as nomination, scrutiny and withdrawal of candidatures
   • Preparation of EVMs by ROs
   • Closure of strong room after deposit of EVMs therein
   • Opening of strong rooms before taking out the EVMs for counting
   • Counting process

Note: These are illustrative and not exhaustive. All video and digital photography should be done with date and time recording so that the real time and date can be verified

5. The video films thus prepared shall be viewed by the Returning Officer immediately to identify whether any of the organizers / speakers or other participants of the public meeting has committed any violations or infractions of statutory provisions and directions of the Commission or Model Code of Conduct relating to the conduct of elections.

6. In cases where the Returning Officer is himself competent, immediate corrective action including disciplinary action against all those found guilty shall be taken and the Commission informed of the same.
7. In cases of serious infringements, which the Returning Officer in his judgment
decides to report to the Commission, a copy of the videotape concerned will
be forwarded to the Commission by quickest means possible. The tapes will
be carefully indexed and accompanied by a brief explanatory note of the
infringement towards which the attention of the Commission is proposed to be
invited. The explanatory note shall invariably mention the broad details of the
violations, the persons responsible for the same and the action
recommended.

8. The videographic clippings are required be to shown to one of the Observers
available in the Constituency on a-daily basis to enable him apprise the
Commission of the situation prevailing in a particular constituency so that
remedial measures, if any needed, an be taken promptly.

9. While seeking the clearance of the Commission for taking up of the counting
of the votes and declaration of the results, the Returning Officer must include
a categorical statement to the effect that all infringements observed in the
videographed events have been appropriately and completely disposed of.

10.1 In deference to the suggestions of Supreme Court, contained in its judgment
dated 11th January 2005 in Civil Appeal No.9228 of 2003 - (Janak Bingham
Vs. Das Rai and Other) the Commission directs that photography may now be
carried inside the polling stations to photograph electors and cover poll
proceedings without compromising the secrecy of voting. For such
photography, arrangements will be made by the respective District Election
Officer (DEO) in consultation with the Chief Electoral Officer.

10.2 In particular cases where the Commission has specifically directed
video/digital photography of voters in identified area/assembly
segments/polling stations, care should be taken to ensure that faces of all
electors coming to cast their vote but not having EPIC or other ECI approved
photo identity card, is captured in same sequence as they are entered in form
17-A i.e. Register of Voters. The photograph of electors shall be taken
immediately after an entry has been made in form 17-A.

10.3 Critical events in and around the polling station should also be captured on
video/digital camera in such polling stations. For example, • Mock poll and
sealing of EVM before commencement of polls
• Positioning of voting compartment
• Presence of polling agents
• Voters waiting outside at the close of scheduled hour of poll and the
  last voter in queue
• Visits of sector officers, observers and other electoral functionaries etc.

10.4 The District Election Officers will issue digital cameras to the trained officers
selected for the purpose under proper receipt for covering the specified polling
station. These officers will capture the photographs of electors as indicted
above during the period of poll and at the end of poll shall issue a certificate
that “I have captured photographs of all electors who voted at polling station
number on date and total number of photographs in the camera are “.

10.5 After completion of poll the officer who did the photography shall deposit the camera along with the above certificate at a separate counter to be erected for the purpose at collection center. These officers will be given proper duty passes to enable them to do photography inside the polling station. On receipt of such cameras District Election Officer shall make arrangements for downloading the photographs and their comparison. The Returning Officers and Observers will use the results of photo matching while making the recommendations for repoll. The downloaded data in respect of all polling stations will be kept by the DEOs in CDs for later use. The cameras will be cleared after downloading the photographs and their comparison for use in subsequent phases or elections as per the instructions issued by the Chief Electoral Officer in this respect.

10.6 The training of personnel who will be engaged in digital photography inside the polling stations shall be arranged by the Chief Electoral Officer. The Chief Electoral Officer/District Election Officers will make sure that enough batteries are available for operation of cameras in remote areas. All 2nd Polling Officers, all Presiding Officers, all AROs/ROs/DEOs/Observers/Candidates and political parties should be apprised of these arrangements.

11.1 Each and every video cassette produced in compliance with the orders of the Commission shall form a part of the record of the concerned election and stored as such with due precautions for its safety until it is weeded out with the prior written approval of the Commission and in the manner prescribed, as in the case of other records of the election.

11.2 All such video-cassettes will be in the custody of the District Election Officer concerned as in the case of all other election related records.

11.3 Each videotape shall be indexed with a uniform code number in the following standard formulation: State/District/AC/Date of recording/Gist of event videographed

11.4 The locking seal of cassettes will be kept in tact and not broken, so that copying of the contents of cassette on another cassette does become impossible, but shall be covered by a tape before consigning the cassette for storage with a view to preventing accidental erasing of contents, editing, manipulation, etc.

11.5 In pursuance of rule 93(2) read with section 76 of the Indian Evidence Act, 1872, the Commission has issued the following directions.

11.5.1 Inspection - (a) Every application for inspection of a videocassette shall be made in writing and should contain the full particulars concerning the cassette of which inspection is required, (b) an inspection of the cassette shall be allowed to any person applying for the same on payment of Rs. 25/- per hour
of inspection or part thereof unless inspection is required to be made urgently in which case the fee shall be Rs. 50/- (c) Inspection on an ordinary application shall be allowed on the date following the date on which the application is made or on a subsequent day and inspection on an urgent application shall be made on the same day.

11.5.2 Certified copy - (a) Certified print of the video cassette shall be given to any person applying for the same on payment of Rs. 25/- as application fee and the actual cost of copying as may be locally applicable. The application should establish the right of the applicant for inspection or for supply of certified copies- (prints) and for that purpose should clearly disclose that the applicant has a direct and tangible interest in the videocassette and the nature of such interest. (b) No fee shall be charged when inspection or certified copy (print) of a cassette is required for official purposes. To avoid removal of any footage of the cassette or damage or mutilation of the cassette, effective supervision by officials shall be ensured and simultaneous inspection by a large number of persons shall not be allowed.

11.6 The video cassettes will be made available for inspection in the office of the District Election Officer or Chief Electoral Officer as the case may be;

11.7 No guarantee for authenticity and veracity of the contents of the cassettes will be undertaken under any circumstances and these will be made available on 'as is' basis.
CHAPTER - IX

INTRODUCTION OF VOTING MACHINE SYSTEM IN PARLIAMENTARY AND ASSEMBLY ELECTIONS

1. INTRODUCTORY

1.1 Elections to the House of the People and the State Legislative Assemblies from parliamentary and assembly constituencies have hitherto been held under the traditional system of ballot papers and ballot boxes. The Election Commission has been trying to bring improvements in the election procedures taking advantage of the scientific and technological advancements. On a suggestion from the Commission, two Central Government Undertakings, namely, Electronics Corporation of India Limited (ECIL), Hyderabad and Bharat Electronics Limited (BEL), Bangalore have produced electronic voting machines. The electronic voting machine (thereinafter referred to as voting machine) so produced is a very versatile and reliable system for conduct of elections. The voting machine has been designed keeping in view the present system under which ballot papers and ballot boxes are used.

1.2 The Supreme Court observed in the case of A.C. Jose Vs. Sivan Pillai and others (AIR 1984 SC 921) that the use of voting machines at elections to the House of the People and State Legislative Assemblies required statutory sanction. Parliament has given the required statutory sanction by inserting Section 61A in the Representation of the People Act, 1951 by the Representation of People (Amendment) Act, 1988 (1 of 1989) w.e.f. 15.3.1989. That section is reproduced below:-

"61A — Voting Machines At elections — Notwithstanding anything contained in this Act or the rules made thereunder, the giving and recording of votes by voting machines in such manner as may be prescribed, may be adopted in such constituency or constituencies as the Election Commission may, having regard to the circumstances of each case, specify. Explanation — For the purpose of this section, “voting machine” means any machine or apparatus whether operated electronically or otherwise used for giving or recording of votes and any reference to a ballot box or ballot paper in this Act or the rules made thereunder shall, save as otherwise provided, be construed as including a reference to such voting machine wherever such voting machine is used at any election."

1.3 The use of the voting machines also required consequential changes in the Conduct of Elections Rules, 1961 which make detailed provisions for conduct of poll at the polling stations and counting of votes. Necessary changes in the said Rules have been made by the Conduct of Elections (Amendment) Rules, 1992 promulgated w.e.f. 24.3.1992 By these amending Rules, a new Chapter II in Part IV containing rules 49A to 49X has been inserted after rule 49 making detailed provisions for the conduct of poll at the polling stations where electronic voting machines are used. Further, a new rule 66A has been inserted after rule 66, making provisions for the counting of votes recorded by means of voting machines. By these amending Rules, new
Forms 17A, 17B and 17C have also been inserted after Form 17 appended to the Conduct of Elections Rules, 1961.

2. BRIEF INTRODUCTION TO VOTING MACHINE

2.1 From 2004 onwards, all elections to the Lok Sabha and the State Legislative Assemblies are being held through the Electronic Voting Machines (EVMs). It is absolutely necessary for you to be thoroughly conversant with the operation of the voting machines. A voting machine consists of two units, namely, 'Control Unit' and 'Ballot Unit'. These two units are interconnected, when the voting machine is put in operation, by means of a 5 metre long cable, one end of which is permanently attached to the ballot unit. The free end is plugged into the control unit when the machine is put to use.

2.2 One ballot unit caters upto a maximum of sixteen candidates. There is provision for display, on the ballot unit, of the ballot paper containing the particulars of the election, serial numbers and names of contesting candidates and the symbols respectively allotted to them. Against the name of each candidate, there is a button by pressing which the voter can record his vote for him. Alongside the said button, there is also a lamp for each candidate which will glow red when the vote is recorded for him by pressing the said button.

2.3 Four ballot units linked together catering upto sixty four candidates can be used with one control unit. On the top most portion of the control unit, there is provision for displaying the various information and data recorded in the machine, like the number of contesting candidates, total number of votes polled, votes polled by each candidate, etc. This portion is called, for easy reference, Display Section of the Control Unit. Below the Display Section, there is a compartment for fixing the battery on which the machine runs. By the side of this compartment, there is another compartment in which there is a button for setting the machine for the number of candidates contesting the particular election. This button is called the ‘Cand Set’ button and the whole section of the control unit consisting of these two compartments is called the ‘Cand Set Section’. Below the Cand Set Section is the ‘Result Section’ of the control unit. This Section contains ‘Close’ button used for closing the poll, two ‘Result’ buttons for ascertaining the result of two different polls and ‘Clear’ button for clearing the data recorded in the machine, when not required. In the bottom portion of the control unit, there are two buttons – one marked - 'Ballot' by pressing which the ballot unit becomes ready to record vote and the other
marked ‘Total’ by pressing which total number of votes recorded up to that stage can be ascertained. Please note that the display indicates only the total votes and not candidate-wise tally. This section is known as the ‘Ballot Section’ of the control unit.

2.4 The machine uses a modern micro-computer and other large scale integration chips. It operates on a battery and can be used anywhere and under any conditions. It is tamper-proof, error-free and easy to operate. The two Units of the machine are supplied in two separate carrying cases, which are easily portable. The polling information once recorded in the machine is retained in its memory even when the battery is removed.

2.5 The machine, especially ballot unit, is so designed as to keep intact all essential features of the present voting system and the only change is that the voter is required to press the blue button provided opposite the name and symbol of the candidate of his choice as against the use of arrow cross mark rubber stamp which is put on the ballot paper on or near the symbol of his choice. All the safeguards taken under the present system against the tamperability of the ballot boxes and violation of secrecy of vote are fully maintained in the voting machine. The process of voting in the voting machine is very simple and quick and the experiments conducted in different parts of the country covering mountainous terrain, backward areas and tribal belts, etc., show that even illiterate voters had no difficulty in using the voting machine to record their votes. The polling personnel will also not find any difficulty in operating the machine as its mechanism and operation are quite simple. The pace of polling is far quicker and correspondingly the time taken for the entire operation of voter exercising his vote is comparatively much less. The counting of votes and declaration of result by using the voting machines will be an absolutely simple affair as there will be no doubts and disputes with regard to the validity or otherwise of any vote, and the result of the poll taken at a polling station will be available on the mere pressing of a button on the control unit.

2.6 The Electronics Corporation of India Limited and the Bharat Electronics Limited who have produced these machines have published separate Manuals explaining in full the details of operation of the machines produced by them. The Commission has classified the machines based on the year of production and these are as follows:

i. ECIL (New) Machines made in 1999 to 2005
ii. ECIL (New improved) Machines made in 2007 and later
iii. BEL (New) Machines made in 1999 to 2005
iv. BEL (New improved) Machines made in 2007 and later

You should also find out as to which of the machines, that is to say, whether
produced by Electronics Corporation of India Limited or Bharat Electronics Limited, are going to be used in your constituency.

2.7 Various operations on the ballot unit and the control unit to record the votes and count them are explained in more details in Chapters X, XV and XVI.
PRELIMINARY

1. While you are busy in your election campaign, the Returning Officer will be equally busy in making arrangements and preparations for the conduct of poll. The Returning Officer must have already procured the requisite number of voting machines for use in the constituency. Immediately after the list of contesting candidates is prepared, the Returning Officer will know the exact number of ballot units which he will have to supply to each polling station as one ballot unit can cater upto sixteen candidates only. He will make an immediate reassessment of the ballot units required for use in the constituency and obtain immediately the additional ballot units, if necessary, on such reassessment. He will keep sufficient number of machines in reserve stock to meet any unforeseen or emergent situation.

2. CHECKING AND RANDAMIZATION PROTOCOL FOR DEPLOYMENT OF EVMs
   In order to ensure higher level of transparency, the Commission has introduced a randomization protocol for the deployment of EVMs in various assembly constituencies/ assembly segments and has issued the following instructions in this behalf:-

2.1. STORAGE
   As a general policy, the Commission desires that all EVMs available within a district shall be stored at the district headquarters under the direct control of the District Election Officer. It may be possible that due to want of storage space the EVMs may be stored in a decentralized manner in different locations. Even in such cases, for the purpose of first level checking and randomization procedure proposed to be introduced through this instruction, all EVMs available in the district shall be brought to the district headquarters under proper escort.
2.2. FIRST LEVEL CHECKING

a. The first level checking as prescribed in the earlier instructions shall from now onwards be carried out only by the BEL/ECIL engineers, as the case may be, only at the district head quarters. For coordinating all activities connected with the first level checking, the DEO shall nominate a nodal officer at his level and intimate the name of such officer to the CEO. The first level checking will be done by following the existing instructions and procedures.

b. For the purpose of tracking various steps taken in the process of first level checking, randomization and deployment of EVM, an adhesive label (pre-printed sticker) will be prepared and kept ready for use. A sample model of such label is given below.

### PROFORMA OF LABEL (STICKER)

2.3. NUMBERING OF EVMs

As soon as the first level check is over the sticker will be pasted on the back side of the CU and the checking- engineer will put his signature indicating the date in the relevant slot provided in the sticker. This would mean that the CU is in order in every respect. The unique machine number of the control unit (CU) will be also indicated in the relevant slot in the sticker; besides, a running serial number will also be allotted to the CU and will be indicated in the relevant slot. Simultaneously, the representative of DEO duly authorized for this purpose will also put his signature in the relevant space. After this, CU shall be stored with due precaution and care. In case of any CU found to be defective during checking, such CUs shall be isolated and kept separately for follow up action for rectification of defect. The above procedure will also be applicable for the Balloting Units which will be verified, signed and numbered in the above manner.

2.4. DATABASE

A database of the CUs and BUs verified and certified will be prepared separately and kept in readiness for randomization. The data base structure will contain details of CUs and BUs indicating the machine number (original number given by the manufacturer as inscribed on a metallic plate at the back side of the CU/BU as the case may be.) The CUs/ BUs so verified shall be kept under proper lock and key.

2.5. SCHEDULE FOR RANDOMIZATION OF EVMs
The DEO will fix up a schedule, which should in any case be fixed before the start of training of polling personnel, for randomization of CUs/ BUs for distribution to ACs in the presence of the representatives of recognized political parties. The randomization will be done in such a way that the CUs/BUs are randomly selected by grouping them to match the poll day requirement including the reserve required for each constituency. Again, the surplus CUs/BUs shall also be randomly grouped and distributed AC wise for the purpose of training (for the training of the polling staff as well as for the purpose of voter awareness). A sticker of different color shall be affixed at the front side of the CUs/ BUs set aside for training purpose clearly indicating “……………….(Name of State/UT along with year): Training CU/ BU”. While randomizing the CUs/ BUs the DEO shall take the number of polling stations in each constituency into account.

2.6. ALLOCATION OF ID
After AC wise grouping of CUs/ BUs is done in the above manner, a ‘current ID’ shall be assigned to each of CU/ BU in the relevant slot provided in the sticker. The ‘current ID’ would mean ‘the AC no followed by a new running serial number for that AC’. For example if AC No 56 is allotted 280 CUs and BUs the current ID for the CUs would be from ‘56/CU/001’ to ‘56/CU/280’. Similarly the current ID for BU would read ‘56/BU/001 to 56/BU/280’.

2.7. DISTRIBUTION OF LIST & EVMs TO RETURNING OFFICER
a. The randomized list of CUs and BUs allotted to each AC for use at polling stations as well as the training EVMs shall be prepared separately and signed by the DEOs representative and the R.O and that list shall be handed over to all representatives of the recognized political parties. Even if a representative is not available at the time of randomization the list shall still be sent to the party office and a receipt obtained.

b. Thereafter, the R.O of the constituency, shall take charge of the CUs/BUs randomly allotted to his constituency. The CUs/BUs meant for use at the election shall be separately taken to R.O’s strong room under proper escort and will be guarded. The training EVMs shall be distributed to the relevant officers for the training purpose. At the time of sealing the strong room, the representatives of political parties can remain present and they can also affix their seal on the lock.

2.8 PREPARATION OF EVMs
a. On the day fixed for preparing the CUs/BUs for use in the election, the R.O will ensure that the preparation of CUs/BUs is done invariably in the presence of the candidate or his agent or authorized representative and in the presence of observer as per the existing instructions. Now, the R.O will do the second randomization of the CUs/ BUs to allot the CU/ BU to specific polling stations. After that he will write the PS No to which the CU/BU has been randomly allotted in the slot provided for it in the adhesive label. The remaining CUs/BUs (not allotted to any specific PS) shall be kept as ‘Reserve’ for use if needed. Such CUs
/BUs shall be marked as ‘R’ – meaning ‘Reserve’ in the slot meant for PS No.

b. At this stage, the CU and BU randomly earmarked PS wise as above shall be identified by matching the PS no and kept in pair by tagging them together. Any candidate/agent present at the preparation hall may choose to get the CU/BU again checked by the master trainers/technical personnel if available through a ‘mock poll cum result verification’ in order to satisfy himself about the functioning of the EVM. The R.O should also, as a proactive measure, do a random verification of at least 10% of such CU-BU pairs to test the working status of the EVMs.

c. Then a Polling Station wise list indicating the Current ID and machine number of the CU/BU allotted to each PS will be prepared and signed by the R.O. The R.O will also prepare a separate list of CUs/BUs marked as ‘R’ indicating the current ID and machine number. Both the above lists will be signed by R.O and copies shared with the candidates/agents/representatives and their signature shall be obtained as the token of receipt.

d. As per the existing instructions two types of address tags – one for use on CU and another on BU have been prescribed. From now on wards, the tag shall also contain the current ID no (as mentioned in the sticker-read para 7 above). The address tag attached to reserve CU/BU shall indicate the ‘Reserve’ status of the unit. The tagging of address tag shall also be done at this stage itself – in the presence of candidates/agents/observer. All the CUs/BUs allotted to Polling Stations as above as well as the reserve machines shall be kept in the strong room in the presence of candidates/agents. They can also be allowed to affix their seal on the lock of the strong room.

2.9. DISPERSAL OF EVMs FOR ACTUAL POLL

a. When the EVMs are taken out of the strong room for dispatch the usual precaution of informing the date and time of opening of strong room in writing to the candidates/agents shall be followed.

b. At the time of dispatch the Presiding Officers shall be advised to compare the machine number inscribed on the metal label and the adhesive sticker and also verify the PS no indicated on the sticker compared with PS no mentioned in the address tag before accepting the EVM. Discrepancy if any shall be brought to the notice of the officer in charge of dispatch arrangement and be reconciled.

c. The candidates may be advised to share the current ID and machine number of the EVM (both CU/BU) allotted to the specific PS with their polling agent/agents appointed by them so that they are in a position
to inspect the EVM for their satisfaction before the commencement of mock poll on the poll day. The Presiding Officers shall be advised to display the sticker containing the machine number and current ID etc., to the agents present before the commencement of the mock poll. It is relevant to note that as per the existing instructions the presiding officer is supposed to mention the number of CU/ CUs used; serial numbers of CU/CUs used; numbers of BU/BUs used and serial numbers of BU/BUs used at the polling station in the Presiding Officer’s Diary (refer: Chapter XXVIII, Para 1 of Handbook for Presiding Officers- At elections where electronic voting machines are used, 2004). This instruction shall be scrupulously followed.

2.10. REPLACEMENT OF EVMs DURING POLL
In case of replacement of CU or BU due to reason at any polling station the sector officer or any authorized officer who effects such replacement shall prepare a special report indicating the machine number and current ID of the existing CU/BU and new CU /BU separately. The officer shall also mention in the special report, the reason for deployment of the spare CU/BU and the time of such replacement, votes polled in the replaced machine at that point of time and leave one copy of the special report with the Presiding Officer while retaining a copy to be handed over to the R.O..

2.11. RECESSION OF EVMs AFTER POLL
The machines shall be escorted back after the poll is over to the reception centres under proper escort. After all formalities are completed, the EVMs shall be kept in strong room and the room sealed in the presence of the candidates/their agents and observer.

2.12. REPOOLL
a. In case of repoll, the EVM required for repoll shall be drawn from the reserve list and the CU/BU number shall be informed to the candidates/agents in writing. Care shall be taken to ensure that the address tag on the CU and BU clearly mentions it to be the EVM for use in the repoll indicating the date and PS no..

b. After repoll, for the storage of the repolled EVM, the strong room shall be re-opened in the presence of the candidates/ their agents and observer. This repoll EVM should be placed together with the old EVM which was used earlier in the original poll. A tag ‘Not to be counted’ shall be put prominently on the old EVM and another tag ‘Repoll EVM - to be counted’ shall be put on the new repoll EVM. RO shall put signature on both the tags.

2.13. COMMUNICATION TO POLITICAL PARTIES/ CANDIDATES
The political parties/candidates should be advised in writing to properly train their counting agents and that they should bring (for tallying purpose) their copies of Form 17-C which shows the machine numbers used at the polling station and was handed over to them at the close of the polling by the presiding officer. Besides, the candidates have also been given a consolidated list of polling station wise list of CUs used during the poll.
Para 12 above). This along with the additional information given by RO in writing to the candidates regarding the machine numbers of CUs used as replacement and the CUs used during repoll will give a complete picture of the all the EVMs used at polling stations. In order to further facilitate, additionally, the RO shall paste the EVM deployment account indicating the CU numbers of EVM used polling station wise in the relevant counting hall itself for everyone to see.

2.14. VIDEOGRAPHY OF THE EVENTS
All the stages enumerated above shall invariably be fully covered with videography and records kept properly.

3. NOTICE TO THE CANDIDATES ABOUT DATE AND TIME OF PREPARATION OF VOTING MACHINES

3.1 The District Election Officer/ Returning Officer will at least one week before the date on which the preparation of the voting machines is to be taken up, give notice of the same in writing to recognized Political Parties/ each candidate or his election agent intimating him the place or places where the machines will be so prepared and the date and time at which such preparation will commence. He will also intimate the number of representatives that every recognized Political Party / candidate will be permitted to bring with him at the aforesaid place or places. This will again depend on the number of machines to be prepared for use.

3.2 If for any reason, none of the candidates or their agents is present on the date and time given in the notice sent to them, the Returning Officer has instruction not to postpone the operation of preparing the voting machines. He will go ahead even if no candidate or agent is present. However, announcements shall be made from the public address system fitted in the building before starting the preparation.

3.3 When the candidates and their agents are present, the District Election Officer/Returning Officer shall explain to them the procedure to be followed by him for preparing the voting machines. He will allow them to inspect the control units and ballot units during the process of their preparation.

4. PREPARATION OF THE BALLOT UNIT
Each ballot unit has to be prepared at the Returning Officer's level by:-

(a) Inserting and fixing ballot paper in the space meant for the purpose;

(b) Masking the candidates buttons which are not required to be used, depending on the number of contesting candidates;

(c) Setting the slide switch at the appropriate position i.e., 1, 2, 3 or 4, as the case may be, according to the number of such units which are to be used depending upon the number of contesting candidates and the sequence in which each unit is to be used; and

(d) Sealing the unit.
5. **FIXING THE BALLOT PAPER**

5.1 On every ballot unit, a printed ballot paper shall be displayed in the space specially provided for the purpose under a transparent acrylic sheet (ballot paper screen). The ballot paper shall contain the serial number of each candidate, his name and the election symbol allotted to him as per the list of contesting candidates. Where the number of contesting candidates exceeds sixteen, the ballot paper shall be printed on more sheets than one as each ballot unit will cater up to sixteen candidates only. Where the number of candidates exceeds sixteen but is equal to or less than thirty two, the ballot paper shall be printed on two sheets – the first sheet containing the names, etc., of candidates from Sl. Nos. 1 to 16 and the second sheet containing the names, etc., of candidates from Sl. Nos. 17 onwards. Likewise, where the number of candidates exceeds thirty-two and is up to forty eight, the third sheet will contain the names, etc., of candidates from Sl. Nos. 33 onwards and up to 48, and where the number of candidates exceeds forty-eight, the fourth sheet will contain the names etc., of candidates from Sl. Nos. 49 onwards. In such cases, each sheet of the ballot paper will be displayed on a separate ballot unit.

5.2 Every ballot paper shall have a serial number and sheet number where printed on more than one sheet. The sheet number will be indicated as ½, if it is the first sheet and two sheets are used, ¾, if it is the third sheet and four sheets are used and so on. Before it is inserted and fixed on a ballot unit, it shall be either signed on its back by the Returning Officer or stamped on its back with a rubber stamp bearing the facsimile signature of the Returning Officer.

5.3 For fixing the ballot paper under the ballot paper screen, first the top cover of the ballot unit has to be opened. This can be done by pressing simultaneously, towards right, the latches at the top and bottom on the right edge of the unit and swinging the cover up. The top cover and the lower portion of the ballot unit will then open like a book. Thereafter, the ballot paper screen, which is hinged to the top cover on the extreme left side will be opened. The release latches of the screen are inside the top cover. By pressing the latches simultaneously, first slightly towards right and then pushing them downwards the ballot paper screen will become free for opening on the upper side of the top cover. After so opening the ballot paper screen, the ballot paper will be placed in the space provided for the purpose on the upper side of the top cover. The ballot paper will be properly aligned so that each candidate’s name and his symbol are in line with the corresponding lamp and button and the thick lines dividing the panels of candidates on the ballot paper are in line with the corresponding grooves on the ballot units.

5.4 After ballot paper has been firmly fixed and the ballot paper screen has been closed and pressed-fit on the upper side of the top cover, the screen will be sealed on the inner side of the top cover, by passing a thread through the two holes on the screen specially provided for the purpose on the inner side. The
two ends of the thread will be placed on an address tag and the Returning Officer will put his seal on the thread and the address tag. The address tag will contain the following particulars:-

"Election to the .............. From ................. Constituency
Serial No. of ballot unit .......... 
Date of poll......................”

This address tag may be hanging loosely and may drop on the candidate’s button while closing the top cover. Hence it will be pasted to the upper cover with cello-tape.

6. MASKING OF CANDIDATES’ BUTTONS, WHICH ARE NOT TO BE USED
On the ballot unit, only those candidates' buttons should be visible which are to be used by voters. In other wards, the number of candidates' buttons, which should be visible will be equal to the number of contesting candidates. For example, if the number of candidates is nine, only the nine buttons from the top (i.e., 1 to 9) should be visible and the remaining seven buttons (i.e., 10 to 16) should be masked. The masking of the unwanted buttons will be done by moving the white masking tabs on to the candidates' button, when the ballot unit is still open like a book as explained above. The unmasked buttons will look blue and masked buttons will look white.

7. SETTING OF SLIDE SWITCH

7.1 Inside the ballot unit, on the top right side, there is a slide switch, which has four positions 1, 2, 3 and 4. The positioning of this slide switch determines the serial order in which a particular ballot unit is to be linked with the control unit and kept inside the voting compartment for use at a polling station.

7.2 Where the number of contesting candidates is upto sixteen only one ballot unit will be used. In such case, the slide switch shall be set to the position marked ‘1’. Where the number of contesting candidates is more than sixteen and upto thirty two, two ballot units will be used. In the first ballot unit, the ballot paper containing the names of candidates at serial nos. 1 to 16 will be fixed, and its slide switch shall be set to the position marked ‘1’ and in the second ballot unit where the ballot paper containing the names of candidates from 17 onwards is fixed its slide switch shall be set to the position marked ‘2’.
7.3 Likewise, if three ballot units are to be used in a constituency where the number of contesting candidates exceeds 32 and is upto 48, the slide switch will be set to the position marked ‘3’ in the third ballot unit. Similarly, if the fourth ballot unit is also to be used in case the number of contesting candidates exceeds 48, then the slide switch will be set to the position marked ‘4’ in the last ballot unit.

Any wrong setting of a slide switch will render the whole voting machine non-functional. (After setting the slide switch to the correct position and before sealing the ballot unit, the Returning Officer has to ensure that the slide switch is held in position with the help of transparent cello tape.

8. SEALING OF THE BALLOT UNIT

8.1 After the ballot paper has been inserted, fixed and sealed under the ballot paper screen, the candidates' buttons which are not required for use have been masked and the slide switch has been set to the required position and held tight in place with the help of transparent cello tape, the ballot unit will be closed by bringing the top cover back to its original position. The ballot unit will then be sealed by the Returning Officer with his own seal, by passing two threads, one through the three holes at the top and the other through the three holes at the bottom specifically provided for the purpose, and attaching an address tag containing the following particulars:-

"Election to the ............. from .................Constituency
Ballot Unit No. .................
Serial No. and name of polling station where used ......................
Date of poll ..........................."
8.2 The candidates or their agents will be allowed, if they so desire to affix their seals on these address tags, in addition to the Returning Officers' seal.

8.3 After the ballot unit has been so prepared and sealed, it will be kept back in its carrying case. An address tag containing the above particulars will be attached to the handle of the carrying case.

9. INTER-LINKING OF BALLOT UNITS AND CONTROL UNIT

9.1 Where the number of contesting candidates exceeds sixteen, ballot units more than one, depending upon the actual number of contesting candidates, will be used. All such ballot units to be used at a polling station are to be inter-linked and only the first ballot unit will be linked with the control unit.

9.2 The ballot units shall be so inter-linked that the second ballot unit, i.e., the ballot unit in which the slide switch is set at position 2, is linked with the first ballot unit in which the slide switch is set at position 1. Where three ballot units are to be used, the third ballot unit will be linked with the Second ballot unit and the second with the first, and where all the four ballot units are to be used, the fourth unit will be linked with the third unit, the third with the second and so on.
9.3 For linking one ballot unit with another, there is a socket provided in a compartment at the back in the middle of the ballot unit. The connector of the interconnecting cable of the second ballot unit will be plugged into the abovementioned socket of the first ballot unit. Likewise, the connector of the third ballot unit's interconnecting cable will be plugged into the second unit and that of the fourth unit into the third unit.

9.4 As mentioned above, the first ballot unit alone will be plugged into the control unit. The socket for plugging the interconnecting cable of the ballot unit into the control unit is provided in the rear compartment of the control unit.

9.5 That rear compartment in the control unit also contains the 'Power' switch and this switch when put to 'ON' position makes the battery of the voting machine operational and supplies the power both to the control unit as well as to all the ballot units when linked to the control unit in the manner described above.

9.6 Any wrong linking of the ballot units will render the machine non-functional and on pressing any button on the control unit the letters 'LE' indicating linking error will appear on the display panel of the control unit. The linking error can be set right by re-interlinking the ballot units in the proper sequential order.

10. PREPARATION OF CONTROL UNIT
Like the ballot unit, some preparations are also to be made in the control unit of the voting machine at the Returning Officer's level. These preparations are:

(1) Installation of the battery;
(2) Setting the number of contesting candidates; and
(3) Sealing that election of the Control unit which is called 'Candidate Set Section' and which contains the battery and the button to set the number of candidates.

11. BATTERY INSTALLATION
The Electronic Voting Machine operates on a special battery, which is supplied by the manufacturing company. A new battery will be used whenever a machine is used at any election. There is provision for installation of the battery in compartment on the top left side in the 'Candidate Set Section' of the control unit.

12. SETTING THE NUMBER OF CONTESTING CANDIDATES

12.1 A control unit of the voting machine can cater up to sixty four candidates. Therefore, at every election where the voting machine is used, the control unit has to be set according to the number of contesting candidates at that election. For setting the number of contesting candidates, the following operations shall be performed:

(i) The number of contesting candidates can be set in the control unit only by linking this unit with the ballot unit or with all the ballot units where more than one ballot units are to be used.

(ii) After the control unit and the ballot unit(s) have been linked, the 'Power' switch will be put to 'ON' position so that both the units get the necessary power to make them operational.

(iii) The button marked 'Cand Set' in the 'Candidate Set Section' of the control unit will then be pressed. Thereupon, the two-digit Display Panel on the left side of the Display Section of the control unit will flash the letters 'Cd' and the four digit Display Panel on the right side will flash.
(iv) When the letters 'Cd' start flashing on the Display Panels on the control unit, the Candidate's button against the last contesting candidate in the ballot unit(s) will be pressed. For example, if there are nine contesting candidates and the machine is to be set for nine candidates, candidate's button of the ninth candidate on the ballot unit will be pressed. If the number of contesting candidates is more than 16, say, 23 the candidates button against the name of the contesting candidate at serial No.23 in the second ballot unit will be pressed. On that button being pressed, the Display Panels will stop flashing the letters 'Cd' and instead the full Panel will display the number of candidates for which the machine has been so set, like Cd 9' or, as the case may be 'Cd 23'.

12.2 If by mistake, a wrong button on the ballot unit has been pressed which will set either less or more number of contesting candidates, such wrong setting can be corrected by pressing the 'Cand Set' button again. The machine will again flash the letters 'Cd ' and the correct button on the ballot unit can be pressed so as to set the correct number of contesting candidates.

12.3 The number of contesting candidates can be set in any number of Control Units by using only one ballot unit or one set of ballot units (where more than one ballot units are to be used depending upon the number of contesting candidates).

Note–The above operation will be applicable in the case of BEL make of Electronic Voting Machine. In the case of ECIL make of Electronic Voting Machine, the operation will start with the pressing of the 'CLEAR' button and then pressing the 'Cand Set' button.

13. CLEARING THE MACHINE

13.1 After the number of contesting candidates has been set in the control unit in the manner described above, all the data recorded in the machine relating to a previous election, if any, will have to be cleared. For this purpose, the button marked 'Clear' in the Result section of the control unit will be pressed. On the 'Clear' button being pressed, all the counts in the machine shall be automatically set to ZERO and the display panels on the control unit will start displaying that the number of votes recorded in the machine for each contesting candidate is '0' (ZERO).

13.2 After the control unit has been set according to the number of contesting candidates at the election and the previous data cleared, the power will be switched off and the control unit and the ballot unit(s) will be delinked by removing the inter-connecting cable from the control unit.

14. SEALING THE 'CANDIDATE SET SECTION'

14.1 After the battery has been installed in the 'Candidate Set Section' and the control unit has been set according to the number of contesting candidates, the compartment on the right side containing the 'Cand Set' button will be
closed by bringing down inner door and sealing it after passing a twine thread through the holes of the inner door and the compartment, tying a knot and sealing the knot with molten sealing wax stick. Then the 'Candidate Set Section' will be closed and sealed so that nobody can have access to the battery and the 'Cand Set' button in the 'Candidate Set Section' thereafter.

14.2 The 'Candidate Set Section' will be closed by replacing the cover and pressing it tight. It will be sealed by passing a thread through the two holes provided for the purpose on the left side giving a tight knot to the thread and placing the two ends of the thread on an address tag which will be sealed with the Returning Officer's seal. The address tag will contain the following particulars:-

Election to the .......................... From .................. Constituency
Control Unit No. ..............................................
Serial No. and name of polling station where used ...........................
Date of Poll ..............................

14.3 The candidates and their agents shall be allowed to put their seals, if they so desire, on the address tag alongwith the seal of the Returning Officer. The Control unit will then be put in its carrying case, which will now be ready for transportation to the polling station. On the handle of the carrying case of control unit also, an address tag will be attached containing the above particulars.

15. RANDOM CHECKING OF VOTING MACHINE

15.1 Though each and every voting machine has already been fully tested, the Returning Officer will again get 5% of the machines to be used at the election, subject to a minimum of 10 machines, tested and checked at random for their 100% error free performance after the machines have been prepared in the manner described in the foregoing paragraphs. For this purpose, he may ask the candidates and their agents present to choose the machines, which may be tested for such random check.

15.2 For conducting the above random test and check, the Returning Officer will hold a mock poll on those machines by casting a few votes at random for each of the contesting candidates. Detailed instructions as to how the machines should be operated upon for holding the mock poll.
15.3 After the conduct of the mock poll, the machines will be cleared of the data recorded at the mock poll and all counts will again be put to ZERO in all in the machines used for the mock poll.

16. SAFE PRESERVATION OF PREPARED VOTING MACHINES

16.1 All the voting machines which have been prepared for use at the election, including the reserve machines, will be kept and preserved in safe custody in a strong room under double lock which will be sealed with the seal of the Returning Officer. The candidates and their agents will also be permitted to put their seals on the lock, if they so desire.

16.2 The strong room will be opened only on the appointed date and time when the machines are to be supplied to polling parties before they leave for their polling stations. All contesting candidates or their election agents will be given prior notice in writing of such date and time of opening of the strong room. A proper log book will be maintained giving details of such closing and opening of the strong room.

16.3 If for any emergent or unavoidable reason, it becomes necessary to open the strong room before the appointed date and time, the returning officer will send for the candidate or their authorized representative and open the room in their presence. The room should be again closed and sealed immediately after the purpose for which it was opened is over. Details of such opening and closing should also be accurately and fully reflected in the above mentioned log book and the entire process videographed.

16.4 The strong room should be kept fully guarded at all times under the charge of a senior police officer not below the rank of Deputy Superintendent of Police. Wherever possible, the central police forces should be used for such guard duty.

17. MAINTENANCE OF RECORDS OF VOTING MACHINES

The Returning Officer will maintain complete record of all the control units and ballot units used at the election. That record will show clearly the number of control unit and ballot unit(s) used at each polling station along with the serial numbers of each such unit. The record will also show the number of control units and ballot units along with their serial numbers, which have been prepared for use and kept in reserve. If any of such control units or ballot units is put to use, a complete record as to where each such unit was used will be properly maintained which will also show the reasons for which the use of such reserve unit became necessary. EVMs used for training and demonstration purposes are not used for taking poll on the poll day.

18. SUPPLY OF VOTING MACHINES TO POLLING PARTIES

18.1 The voting machines will be supplied only to the Presiding Officers or in their unavoidable absence, to the first polling officers of the polling stations against
a proper receipt to be obtained from each Presiding Officer in a register to be kept separately for the purpose.

18.2 That register will have further provision for keeping proper account of the machines received back from the Presiding Officers.

18.3 The reserve machines will be kept at a central place or places in the constituency on the day of poll so that the same may be supplied with least possible delay to any polling station where an emergent need arises for replacement of any control unit or ballot unit(s). These machines will be kept under the charge of one of the Assistant Returning Officers or some other senior officer specifically nominated for the purpose by the Returning Officer.
CHAPTER-XI

POSTAL BALLOT PAPERS

1. The Election Commission of India has noticed that due to lack of awareness about availability of facility of voting by Postal Ballot Papers under the law among the government employees etc., deployed for election duty and also due to delay in dispatching and further postal delays in delivering the postal ballot to the eligible voters (Appendix - XXXVI) and in receiving the ballots back from them, the postal ballot system is not functioning as effectively as it should be. To ensure that awareness is spread over among the Govt. employees etc. in this regard and also there is no delay in dispatching and further postal delays in delivering the postal ballot to the eligible voters and in receiving the Postal ballot papers back from them, the Election Commission has issued the following guidelines:-

2. **Service Voters**

2.1 Service voters (other than those who have opted for proxy voting) are eligible to receive postal ballot.

2.2 As soon as the list of contesting candidates is drawn up after the period for withdrawal of candidatures is over, postal ballot papers for all Assembly Constituencies in the District will be printed at the level of D.E.Os under proper security cover and under direct supervision of a responsible officer. As soon as the postal ballot papers are ready, the postal ballot papers for the service electors will be centrally dispatched from the District Head Quarters itself. For this purpose, each Returning Officer shall depute a team of officers including an ARO with details of Service Electors to whom postal ballot papers are to be dispatched along with envelops and other forms and papers already prepared for this purpose on the basis of the last part of the electoral roll and the stamp containing facsimile signature of the R.O. They will perform the work of dispatch of postal ballots to the service voters and their wives enrolled in the last part from the central location and all statutory formalities for dispatch of postal ballot papers will necessarily have to be followed while sending the postal ballots.

2.3 The District Electoral Officer will appoint a suitable officer as the nodal officer to supervise the entire process of dispatching postal ballots to service electors. The DEO will co-ordinate with the senior officials of the Postal Department and shall ensure that a team of postal department officials receives covers containing the postal ballot papers and they in turn will ensure that the ballots are sent to the right address without any delay. The details of postal ballots sent AC wise shall be maintained in the form of a register giving the details and the signature of the postal authorities shall be obtained in the register.

2.4 One of the Observers available in the district headquarters shall personally monitor the entire process of dispatch and send a detailed report to the
Commission as soon as the dispatch of postal ballots meant for service voters is completed. The process indicated above shall be video graphed.

2.5 When the Returning Officers start receiving the polled postal ballot papers from the service voters he shall give a daily report to the observer concerned indicating the number of such polled ballots received every day and also indicating the cumulative figure.

3. **Polling Officials**

3.1 The data base on the government staff to be used as polling personnel shall contain the AC No and Name, Part No and Serial No details of each official where he or she is registered as an elector. This information can be collected through the sponsoring authorities of such staff or through any other method convenient to the DEO. Enough scope shall be provided to the government staff/ sponsoring authorities to locate such electoral registration details through various measures such as helpline, availability of electoral roll data in pdf format in various government offices etc.. The order of appointment sent to the polling personnel asking them to attend the training shall contain AC/Part/Serial No detail of each staff.

3.2 All the polling officials shall, without exception, be provided Form 12 for applying for postal ballot paper along with their appointment letter. They should be asked to submit duly filled Form 12 on the first day of training. Adequate number of Form 12 shall also be kept at the training venue so that any polling personnel who are in need of Form 12 can access it. It should be clarified to the appointed polling officials that in view of the fact that the postal ballot paper will be issued to them personally at the training venue itself they need not mention any address in Form 12 for sending the ballot papers for that would be infructuous. At the training center, there will be a separate arrangement to receive the Form 12 from the persons drafted for polling duty. At the time of submitting Form 12, the person concerned along with his appointment letter shall also produce the EPIC issued to him or a copy of any ID including service ID if any issued to him. The applications (Form 12) received from the polling officials shall be processed immediately by the concerned Returning Officer/Assistant Returning Officer before the second round of training. Hence, it is imperative that the second round of training is held after the postal ballot papers are printed and ready for issue.

3.3 On the day of second round of training, there shall be separate and proper arrangements for issuing the postal ballot to the persons concerned. As the trainees on election duty may belong to different ACs it becomes imperative that all R.Os/A.R.Os along with their staff will remain present.

3.4 At the training venue for the above purpose. The cover containing the postal ballot paper should be handed over to the respective polling officials only after verifying their identification through EPIC or any other photo ID as well as appointment order. Simultaneously, entry (PB) shall be made using red ink in the marked copy of the electoral roll which shall be used in the poling station.
by the presiding officer on the poll day. The record of issuance of PBs should be separately maintained in Format given in the Hand Book for Returning Officer with one more column indicating place of posting (in which Assembly Constituency the person is serving). Concerned RO/ARO should sign the above Register. Once a PB is issued to a polling personnel called for training he shall after that cast his vote only through postal ballot even if he is exempted from election duty subsequently or kept on reserve.

3.5 Considering the postal delays and inconvenience caused to the electors in dispatching the PB the Commission has decided to encourage the system in which the voters on receiving the PB from R.O/A.R.O record their vote on the PB paper then and there. Necessary arrangements for attestation of Form 13A and collection of polled postal ballots shall be made in the form of a ‘postal ballot facilitation center.’ The polling officials should be advised to cast their vote on postal ballot paper and to drop the polled ballot paper personally in a sealed box to be kept there for the purpose under direct supervision of the concerned Returning Officer / Assistant Returning Officer. ECI observers will be present and supervise the entire process. The whole process shall be recorded in videos.

3.6 The D.E.O / SP / SDM shall personally inspect the training venue cum postal ballot facilitation center in advance in order to ensure adequate security measures are in place. As the electors will be casting their vote at the training venue, proper arrangements shall be ensured to restrict entry to the venue only to the appointed polling staff and other authorized government servants and no other person (subject to para 3.7 below). When the voters mark the ballot to indicate their vote the secrecy of ballot shall be enforced without compromise.

3.7 The contesting candidates should be informed in advance, about the postal ballot voting in the facilitation centre. If any authorized representatives of a contesting candidate remain present at the facilitation center, proper seating arrangement shall be made for them. The presence of such representatives shall be registered by obtaining their signature in a register.

3.8 The above system of issuing PB and enabling the polling personnel to mark their vote at the facilitation center shall be equally applicable to other civil staff to be engaged in election duty on the poll day such as micro observers, sector or zonal officers, liaison officers of observers and so on.

3.9 If any election duty staff is not able to vote at the facilitation centre, he may send the postal ballot later through registered post or may drop it in the drop box kept for the purpose in the ROs office.

3.10 It should be noted that all instructions in Form 13D shall be followed by the election duty staff voting through postal ballot, whether at the facilitation centre or otherwise. Therefore, the requirements of the law, such as duly filling, signing and getting attestation in the declaration in Form-13A, putting
the marked ballot papers in the envelope in Form 13B, and sending the declaration and the envelope containing the marked postal ballot in the envelope in Form 13C should be explained to them. It should be made clear that the declaration in Form 13A should not be put inside the envelope in Form 13B, which is meant only for the marked ballot paper.

4. Police & Security personnel

4.1 It is relevant to note that among the police personnel, only those who will be engaged in election related duties on the day of poll shall only be eligible for obtaining PB. Hence, it becomes imperative to obtain the list of such police personnel well in advance. District wise nodal officers shall be identified by the SPs for preparing data of such police personnel. The data shall indicate the names of each such police personnel, service ID no, details of AC No, Part No, serial no etc. Similar nodal officers shall be identified for State Armed Police Forces, Battalion HQ wise. While preparing such list, care shall be taken to ensure that names of police personnel who are not connected with the election related duties and names of such persons who will be in a position to exercise their voting right by going to their respective polling stations as a general voter are not included in the list. SPs shall take proper care about this aspect and the list of such persons shall be ultimately submitted by the SP to the DEO concerned and, on being accepted by the DEO, that list will become an approved list of police personnel on election duty. Such lists will have to be submitted about seven days before the date of poll to enable the ROs to complete all formalities including making the necessary entries in the marked copy of the electoral roll.

4.2 As the police personnel are posted in various locations and bringing all of them to one or two locations in the district on the same day will not be feasible, it has been decided to enable the police personnel to exercise their voting right by issuing their PB using postal services and receiving back the same by Post or through drop box kept in the office of R.O For this purpose, an efficient coordination shall be ensured between the election authorities and postal authorities. Unlike in the past, it has been decided to send the PB by Registered Post and the police personnel will also send their marked PB through registered post and the postal charges will be paid by the addressee i.e the Returning Officer, and necessary arrangement in this regard shall be worked out for the whole state by the CEO in coordination with the senior postal authorities. In order to cut down the delay in this process, identification of police personnel who would be on election related duty and who will not be able to got to their polling station and their AC No/ Part No/ Serial No details, making Form 12 available to them easily, receipt of duly filled in Form 12 from them etc shall be efficiently ensured in advance through a network of nodal officer arrangements.

4.3 The initial task of the nodal officer is to arrange to disburse blank applications in Form 12 for issue of postal ballot papers to the police personnel to be deployed on election duty. Along with Form 12, a guideline for filling up the said Form shall also be given to the relevant electors. The electors shall be informed that while filling up the Form 12, in the space provided for indicating the address for the dispatch of postal ballot, they should invariably mention
only the full postal address of their present place of posting. In addition to this, they should also mention the address where they are registered as an elector in the vacant space available in the Form. The elector shall mention the serial no and part no as well as the name of the constituency where he is registered as an elector. In case he is not in a position to mention the serial no., Part no., etc he shall mention the complete address where he is registered as elector stated above, so that attempt will be made to locate his name and fill up the details. The said Nodal Officers shall also arrange to collect duly filled Form 12 from the security personnel without any delay.

4.4 All the applications received in Form 12 shall be sorted out district wise, as there is possibility of a police personnel registered in one district having been posted in another district. Hence, these Form 12 applications shall be sorted AC wise/ district wise. The 12 applications pertaining to the ACs within the same district shall be dealt with at the district HQrs itself without physically sending the same to the R.O's HQrs located outside the district HQrs. For this purpose an authorized A.R.O of each AC shall come to the district HQrs and dispatch the PB to the respective voter (police personnel) on election duty by Registered Post with A.D, while simultaneously marking ‘PB’ in red ink in the marked copy of the relevant Part and maintaining a register indicating such names with serial number, Part wise. Postal authorities may be clearly instructed that the PB sent by Registered Post shall be handed over only to the person concerned and not to any other person under any circumstance.

4.5 While dealing with the Form 12 applications pertaining to the home district in the above manner, the nodal officer shall also without any delay make a district wise parcel for other districts containing AC wise envelops having Form 12 applications and send the respective parcels to the other districts, through special messengers. The special messenger shall meet the said nodal officer of the relevant district and obtain acknowledgement in token of such receipt. On receiving such envelops from various districts the nodal officer shall take the follow up action in the same manner in which he dealt with the Form 12 applications received from his home district as mentioned earlier.

4.6 The elector on receiving the postal ballot paper will mark his vote and send the same to the Returning Officer by Registered Post or he may put the marked postal ballot in the ‘drop-box’ kept in the office of the Returning Officer. The voter while recording his vote and returning the postal ballot has to follow the instructions contained in Form 13D, including signing the declaration in Form 13A, placing the marked ballot paper in Form 13B envelope, and returning both Forms 13A and 13B in the envelope in Form 13C.

5 Drivers, Cleaners and Helpers:

The system of receiving applications for the issue of postal ballot papers to the voters on election duty (other than the polling personnel or security personnel) like drivers, cleaners and helpers, who will be performing duties in
connection with the election, needs to be streamlined and closely tracked. There has to be a time limit up to which the dully-filled in Form 12 can be received from such voters. For this purpose, the D.E.O shall make an advance plan to assess the requirements for vehicles to be requisitioned. At the time of requisitioning the vehicles, all relevant details about the drivers and cleaners shall be collected in a proforma to be approved for this purpose by the C.E.O and to be followed uniformly through out the state. The Returning officer shall prepare a document indicating the details of such persons and give a copy to the observer. The C.E.O shall fix up a time table for appointment of such drivers and cleaners and fix up a clear deadline up to which the applications for postal ballot papers can be received from them. It shall be made clear to such electors that the address to be mentioned in Form 12 for dispatch of postal ballot shall be the address at which he is registered as an elector and not any other address. The postal ballot papers will be issued to them by the R.O only by registered post with A/D. In case, any such voter instead of opting to receive his PB by post chooses to collect the PB personally, he may do so within the deadline to be specified by R.O (CEO shall ensure uniformity in this matter throughout the state). After that the elector may follow the procedure contained in Form 13D and exercise his voting right within stipulated time.

6 For the benefit of those voters who may belong to any of the category of voters to whom PB has been issued, each R.O shall have a special box placed in his office with secured lock duly sealed, so that any such voters can come and drop their marked PB in the sealed cover in Form 13C(provided to each voter along with PB). Necessary arrangements for attestation of Form 13A of such persons who wish to record their votes after collecting their postal ballot personally shall be made.

7 Apart from marking ‘PB’ against the name of each and every elector in whose favor postal ballot had been issued in the relevant part of the electoral roll, an additional information sheet (AIS) polling station wise shall be prepared indicating the serial number, name, relation name, age and sex of such electors. This part wise additional information sheet shall be signed by R.O or by an authorized ARO and a copy of such information sheet shall be handed over to the presiding officer of the relevant polling station at the time of dispatch of the polling party. Apart from one ink-signed copy, adequate number of photo-copies of the AIS shall also be handed over to the presiding officer. On the poll day, before starting the mock poll in the presence of the polling agents, the presiding officers shall verify the marked copy of the electoral roll in comparison with the additional information sheet on ‘PB’ voters and confirm whether the entry ‘PB’ has been made against each and every name that is mentioned in the additional information sheet. No elector whose name has been marked as ‘PB’ can be permitted to vote in person at the polling station under any circumstances.
CHAPTER XII

POLLING PERSONNEL

1. The duties discharged by the polling personnel are vital in the conduct of elections. Therefore, sufficient care is needed to draft and deploy such personnel in the interest of free and fair elections and accordingly, the Election Commission has laid down the following guidelines for formation of polling parties:-

1.1 A District Election Officer-wise database, of all eligible poll personnel shall be maintained in electronic format, which can facilitate computerized randomization. All relevant particulars like Name, Sex, Place (constituency) of residence, work place, Home Constituency, Designation, Office and Department/Institutions should be entered.

1.2 The database shall contain, distinctly and separately, the State Govt. employees including Public Sector Undertakings, teachers etc. who can be employed as polling personnel.

1.3 Similarly the data base shall distinctly and separately contain all Central Govt. employees including PSU, Bank, etc.

1.4 Separate database shall be prepared of Retired Government of India and State Government officials as well as of Members of NCC & NSS [and reputed NGOs, if & as approved by the Commission]. They shall be used in specified manner only with express prior approval of the Commission.

1.5 Unless otherwise advised, the polling parties shall be formed out of the State Govt. employees. The Central Govt. employees including PSUs and Banks, etc. shall be utilized for selecting suitable persons as Micro Observers.

1.6 Presiding Officers and Polling Officers shall be classified on the basis of scale of pay and their post and rank. As far as practicable, Gazetted Officers will be deployed as Presiding Officers and failing that officials who are working in supervisory capacity only should be deployed as Presiding Officers. The Presiding Officer should be of higher scale/grade in comparison to other Polling Officers of that formation.

1.7 In view of the recent instructions regarding issue of postal ballot papers, Assembly Constituency No., Part No., Sl. No. of each and every official shall be indicated. In case, he is not a voter, in the process of continuous updation he should be enrolled in the electoral roll of Assembly Constituency concerned and Elector Photo Identity Card issued. Similarly, the personnel meant for being appointed as Micro observers should invariably be enrolled as voter and Elector Photo Identity Card issued. Therefore, persons put on polling duties should invariably be voters. Further, no person will be assigned polling duties in an assembly constituency in which he is posted or in which he resides or the constituency, which is his home constituency.
1.8 In order to avoid any allegation of collusion among the polling personnel in favour of any candidate or political party and to instill confidence in the minds of Political Parties and candidates about free and fair elections, proper mix of polling personnel drawn from different offices and departments at the time of formation of a polling party should be ensured. Two officials of the same serial group/category should not be put together. Further, two members of the polling party should not be from the same department (in case of school teachers, they should not be from the same school.

1.9 Polling personnel database should include personnel both from the State Government departments as well as the Central government offices. Central Government employees should be utilized for micro observer duties to be decided by Observers. Polling personnel to be posted within the district unless specifically directed otherwise.

2. Following procedure should be adopted for formation of polling parties:-

2.1 Database & software should be prepared and developed by the CEO and distributed among DEOs. District Election Officers should obtain a complete database of officers eligible for polling party duties from respective authorities. All relevant information should be entered into an electronic database of the computerized randomization application software approved by the CEO for that state.

2.2 From this full database of officers, a list of 120% of the required number of polling persons should be generated (including reserve) randomly, using the software. This is the first of the three-stage randomization process. Presence of observers is not required at this stage. It should be noted that this randomized list is DEO-wise and not at any other level like subdivision, tehsil, block, assembly constituency etc. This is only to identify and select the officials that would be given training for poll duties as presiding and polling officers in whichever constituency of that district. In no case, at this stage, the identity of the assembly constituency to which the polling personnel are likely to be deployed will be known. All that the polling personnel will know at this stage is whether he (or she) is a presiding officer or a polling officer and the venue and time of trainings.

2.3 The second stage of randomization exercise should be done in the presence of the Observers deployed in the constituency. At this stage actual polling parties shall be formed on random basis using the randomization software. The Observer must be present at this stage. At this stage though the actual polling station will not be known, however, the Assembly Constituency and the team composition may be known. This randomization should not take place before 6 or 7 days from the day of poll. For the purpose of serving the appointment letters, the DEO can use the services of the sponsoring departments/ authority and/or organize a training programme of poll personnel in team formation on that date when final briefing can be given and appointment letters issued to them. It will also facilitate Postal Ballot.

2.4 The third stage of randomization exercise shall take place at the time of
dispersal of polling parties when the allocation of polling stations to the polling parties will be done. This third stage randomization for final allocation of Polling Stations to each Polling Party should also be done in the presence of Observers. The actual polling station allotted to individual polling personnel is to be disclosed just before the polling party actually leaves the dispersal centre.

2.5 The District Election Officer shall furnish to the Election Commission through the Observers and separately to the Chief Electoral Officer of the State/UT a certificate to the following effect immediately after the polling parties have been formed for an election:-

“Certified that:-
(I) The polling parties have been formed by a proper mix of officials drawn from different offices and departments, in presence of Observers and
(II) The officers have been drawn from the State Government departments as well as from the State Public Undertaking etc. as far as practicable.
(III) For the purpose of making polling parties complete data base of all eligible employees in the district has been used.”

2.6 The entire randomization exercise except the first stage must invariably be done in the presence of the Observers sent to the constituency. If, by any chance, the forming of the polling parties through randomization (second stage) has been done in the absence of the Observers, then the 2nd stage randomization exercise should be done afresh in the presence of Observers and compliance report should be submitted in this regard.
CHAPTER – XIII

OBSERVERS

1. The Election Commission of India appoints senior and experienced administrative service officers as its Observers to assist in the conduct of free and fair polls. They also oversee the efficient and effective management of the electoral process at the field level and provide direct inputs to it from the field as an interface with the election machinery, the candidates, political parties, and electors to ensure that the acts, rules, procedures, instructions and guidelines related to elections are strictly and impartially complied with by all the concerned.

2. STATUTORY POWERS OF OBSERVERS
Your attention is invited to Section 20B of Representation of People Act, 1951 which reads as follows: -

(1) The Election Commission may nominate an Observer who shall be an officer of Government to watch the conduct of election or elections in a constituency or a group of constituencies and to perform such other functions as may be entrusted to him by the Election Commission.

(2) The Observer nominated under sub-section (1) shall have the power to direct the Returning Officer for the constituency or for any of the constituencies for which he has been nominated, to stop the counting of votes at any time before the declaration of the result or not to declare the result if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at places fixed for the poll or counting of votes or any ballot papers used at a polling station or at a place fixed for the poll are unlawfully taken out of the custody of the Returning Officer or are accidentally or intentionally destroyed or lost or are damaged or tampered with to such an extent that the results of the poll at that polling station or place cannot be ascertained.

(3) Where an Observer has directed the Returning Officer under this section to stop counting of votes or not to declare the result, the Observer shall forthwith report the matter to the Election Commission and thereupon the Election Commission shall, after taking all material circumstances into account, issue appropriate directions under Section 58A or Section 64A or Section 6.

The observers are also to oversee/monitor the expenditure incurred by the candidates and to ensure that Commission’s guidelines regarding maintenance of day-to-day accounts of election expenditure by the candidates are strictly enforced and are also required to scrutinize the register of accounts maintained by the candidates.

3 MICRO OBSERVERS
Now, the Election Commission of India has also introduced the system of appointment of Micro Observers at the polling station level who work directly under the control and supervision of Observer of the Commission. The Micro Observers are deployed at polling stations on the basis of various factors which contribute to vulnerability to voters like domination of one social group over other, in accessibility of the area, EPIC non-availability, previous history of violence etc. In case the poll is vitiated in any way, he will bring the matter to the notice of the Observer immediately. He will also observe as to whether the poll procedure is properly being followed by the polling officials/polling agents and prepare a report at the end of the poll and submit the same to the Observer at the collection centre.
CHAPTER – XIV
SECURITY ARRANGEMENTS AT POLLING STATIONS

1. During elections the Commission deploys Central Police Forces for the smooth conduct of elections. The Local State Police (including all its variants) and Central Paramilitary Forces at the time of elections stand deputed to the Election Commission of India and they come under its superintendence and control for all purposes. The Commission conducts election with the help of all these organs.

2. On the 11th January, 2005 the Hon’ble Supreme Court in its judgement in Civil Appeal No.9228 of 2003 gave certain suggestions/directions in the matter of conduct of free and fair election relating to posting of Central Paramilitary Force personnel.

3. The Commission took the matter into consideration and issued following detailed instructions on the subject to obviate any discretion and ensure uniformity:-

“The CPF personnel, as per the existing practice, are deployed as static force outside the polling stations. In pursuance to the directions given by the Hon’ble Supreme Court in its order no.9228 of 2003 (Janak Singh Vs. Ram Das Rai and others) dated 11.01.2005, the Commission has directed that in the polling stations with CPF coverage, one CPF Jawan from the CPF party posted at the polling station will be stationed at the entrance of the polling station so that he can keep a watch on the proceedings that are going on inside the polling station, particularly, to ensure that no unauthorized person enters inside the polling station and/or no irregularity is committed either by the polling staff or outsiders in the poll process. However, it should be ensured that this CPF personnel is not located inside the polling station.

The CPF Jawan posted at the entrance of the polling stations shall keep a watch specifically on the following: -

(i) No unauthorized person is present inside the polling station at any time during the poll.

(ii) The polling party or the polling agents do not attempt to cast or cast any vote or votes when no voter is present inside the polling booth.

(iii) No Presiding Officer/polling officer accompanies any voter to the voting compartment.

(iv) No polling agent or polling officer threatens any voter or makes any gesture to threaten them.

(v) No arms are carried inside the polling station.

(vi) No rigging takes place.
If the CPF Jawan posted at the entrance of the polling station discovers violation of the election process as above or observes something unusual going on inside the polling station, he shall not interfere in the poll process but report the same to the officer in-charge of the CPF party at polling station or to the observer. The officer in-charge of CPF party will in turn bring it to the notice of the Returning Officer and also Observer immediately in writing for further necessary action.

In the buildings which have more than one polling station and where only half a section of the CPF personnel is deployed, the CPF Jawan selected for duty at the entrance of the polling station may be asked to oscillate from one polling station to other and look at what is going inside these polling stations and report to the officer in charge of the CPF part or to the observer, if any irregularity is observed by him.

Returning Officer/Observer will report cases from where adverse reports are received from the CPF parties for further instructions of the Commission.

The CPF Jawans shall be posted at the entrance of only those polling stations, where CPF is deployed.

The CPF Jawan posted at the entrance of the polling station shall not verify the identity of electors coming into the polling stations to cast their votes as such verification is the duty of the polling personnel.”

The CPF Jawans should not be positioned inside the polling station.

4. The Commission further elaborated its directions with reference to the role of CPF and State Police in the conduct of polls as under:-

“Wherever the CPF arrives in advance for area domination, it shall take out flag marches, point patrolling and other confidence building activities. On the poll-eve (day prior to the poll) the CPF shall take position in and control of the respective polling stations. On the day of the poll, the CPFs shall be primarily responsible for protecting the polling stations and regulating the entry inside the polling stations. One jawan of the CPF party shall be deployed at the door of the polling station (either in static or oscillating mode) in order to observe the proceedings that are going on inside the polling station, as per the directions of Hon’ble Supreme Court. Besides, the Coy. Commanders of CPFs will also move in their respective polling station areas as an area domination force and confidence building measure in the catchment area of polling stations. In a polling station, in case CPF has not reached the polling station due to any reason, the poll shall not commence.

The Local State Police shall remain responsible for maintenance of the general law and order in the catchment area of the polling stations, as well as the inside and outside of the polling premises (as different from polling stations). In the polling stations covered by CPF, whenever, the
Local State Police gets deployed inside the polling premises, they shall station themselves at a reasonable distance from the polling station and the queue of electors. It is advised that one or two unarmed Local State Police persons/Home Guards be posted at each polling premises so that if required, reinforcement could be called for. In any case, Local State Police shall not replace the CPF at the polling stations and no senior officer of the local state police, with or without contingent shall position himself at the polling station and exercise any supervision and control over the CPF at the polling station. The Local State Police, however, in exceptional circumstances can get deployed at polling stations, only if enough CPF is not available, and that too under specific instructions of the Commission through its observer.

Responsibility of maintenance of law and order shall rest solely with the local State Police. The Commission has instructed that hamlets/habitations within a polling station area that are vulnerable to threat, intimidation and undue influence shall be identified and all necessary confidence building and preventive measures shall be taken in advance. The Local State Police shall attach utmost importance to this task and shall also ensure that there is no hindrance to voters of such pockets in exercising their franchise on the day of poll.

After the poll is completed, the polled EVMs and the Presiding Officers shall be escorted by a contingent of CPF to the Reception Center. Details in this regard shall be worked out by the DFO and SP in consultation with Observer in advance.

The CPF shall also be responsible for guarding the Strong Room where the polled EVMs are stored and kept till the day of counting.”
CHAPTER XV
POLLING DAY

1. INTRODUCTORY
Poll is the most important event in the election process. It is through the poll that the electors express their choice of the candidate to represent them in Parliament or State Legislature.

2. DECLARATION OF HOLIDAY ON POLLING DAYS
The election law provides that every person employed in any business, trade, industrial undertaking or any other establishment and entitled to vote at election to the House of the People or Legislative Assembly of a State, shall, on the day of poll, be granted a holiday. No deduction or abetment of wages of any such person shall be made on account of such paid holiday.

3(A) PROHIBITION OF CANVASSING
The election law prohibits canvassing in or near polling stations on polling day. No person shall commit any of the following acts within a polling station or in any public or private place within a distance of 100 meters of a polling station, namely:
(a) canvassing for votes;
(b) soliciting the vote for any elector.
(c) persuading any elector not to vote for any particular candidates;
(d) persuading any elector not to vote at the election;
(e) exhibiting any notice or sign (other than an official notice) relating to the election;
(f) using or operating within or at the entrance of the polling station or in any public or private place in its neighbourhood any apparatus for amplifying or reproducing the human voice, such as megaphone or a loudspeaker; and
(g) shouting or otherwise acting in a disorderly manner within or at the entrance of a polling station or in any public or private place in the neighbourhood.

N.B.- The distance from which a loudspeaker, etc, is used is immaterial. The offence will be committed even if it is used from a distance of more than 100 meters if it causes annoyance to any person visiting the polling station for the poll or interference with the work of officers and other person on duty at the polling station.

3(B) PROHIBITION OF GOING ARMED TO OR NEAR A POLLING STATION-
Your attention is invited to Section 132B of Representation of People Act, 1951 whose underlying intention is to ensure that, except those expressly permitted by that Section, no one else carries any arms or indulges in show of arms in polling stations or in their vicinity. Hence, the Election Commission has issued the instructions that no person, be he a recipient of any form of security from any quarter, should enter into any polling station or go within its neighborhood, accompanied by such security personnel. However, in respect of SPG protectee who happens to be a candidate, the CPT with arms will follow the protectee to the door of the polling booth and thereafter only
one PSO with concealed fire arm will accompany the protectee inside and position himself in such a manner as to be able to provide the requisite cover to the PR should it become essential, without otherwise interfering with the proceedings in any manner.

4. **CANDIDATE'S ELECTION BOOTHs**
   According to the instructions issued by the Commission, no election booths of the candidates should be allowed to be set up near the polling station on the day of poll, as such booths pose many difficulties in the way of holding free, fair and smooth elections by creating obstructions to voters, confrontation among various party workers and law and order problems. However, the candidates may provide one table and two chairs for the use of their agents and workers for the distribution of unofficial identity slips to voters beyond a distance of 200 meters from the polling station with an umbrella or a piece of tarpaulin over their head to protect from the sun/rain. No crowd should be allowed to collect around such tables.

5. **PREVENTION OF VOTERS FROM VOTING**
   It is cognizable offence to detain any voters in a camp or any other place whether with or without his consent or obstruct his way to polling station or to prevent him from voting in any manner. If you receive information that any person is so detained or obstructed or prevented you should report the matter to the Presiding Officer, or to the nearest police station or to the Returning Officer, who will take effective action to enable the person who are wrongly detained or obstructed or prevented to exercise their franchise even if the detention or obstruction is done in a private place.

6. **ILLEGAL HIRING OR VEHICLES FOR THE CONVEYANCE OF VOTERS**
   Do not allow anyone on your behalf to provide conveyance for voters on the polling day. It is both a corrupt practice and an electoral offence. If you find any other candidate or his agents, supporters or workers providing such conveyance for voters you should make a complaint in this regard then and there and take action to prosecute the offender, under section 133 of the Representation of the People Act, 1951. If you do not do so and merely send a complaint to the election authorities, much valuable evidence against the offenders would be lost. You may also use this as ground for filling an election petition against the offending candidate in due course as free conveyance of voters from or to polling station is also a corrupt practice. Your polling agent can also make a written complaint in this regard to the Presiding Officer who will forward the same to the Magistrate concerned who has jurisdiction to deal with such cases. You may also ask the Presiding Officer to record his remarks on the complaint from his own observations.

7. **REGULATION OF TRAFFIC ON THE DAY OF POLL**

7.1 In order to check the corrupt practice and electoral offence of providing free conveyance for voters on the day of the poll, the Commission has devised a scheme. The main guidelines of the scheme are as under:
   (1) The objective is that the polling areas should be cordoned off from all vehicular traffic on the polling day in order to prevent the voters from
being carried to and from polling booths in contravention of the election law.

(2) Public transport vehicles like buses, minibuses are allowed to ply but it should be ensured that they are not used clandestinely for the conveyance of voters.

(3) Private cars, taxies carrying passengers to places other than polling booths like hospitals, airports, railway stations, bus stands, friends and relations houses, clubs, restaurants will, however, be allowed on the road. But they should not be allowed to come clandestinely near the polling areas for the conveyance of voters. The traffic of these vehicles will be so diverted as to effectively control their misuse.

(4) The plying of lorries, trucks will also be similarly regulated.

(5) The district magistrate, Regional Transport Authorities etc., will be instructed to enforce effectively and fully the regulation, both in letter and spirit, and a certificate shall be obtained from the concerned authorities.

(6) The political parties and contesting candidates and amongst them, their agents and workers shall be warned that any contravention of the regulation would receive serious notice and may provide sufficient materials for challenging the election in an election petition and also invite penal action under the law.

(7.1) For an election to the House of the People, each contesting candidate will be entitled to:
(a) One vehicle for his own use in respect of the entire constituency.
(b) One vehicle for use of his election agent for entire constituency.
(c) In addition, one vehicle for use of his workers or party workers, as the case may be, in each of the assembly segments comprised in the Parliamentary Constituency.

(7.2) For an election to the State Legislative Assembly, each contesting candidate will be entitled to:
(a) One vehicle for his own use
(b) One vehicle for use of his election agent
(c) In addition, one vehicle for use of his workers or party workers.

Note
(i): The candidate or his agent or party workers or workers will be allowed to use only four/three/two wheeler vehicles i.e. cars (of all types), taxies, auto rickshaw, rickshaws and two wheelers. In these vehicles not more than five persons including drivers shall be allowed to move on the day of poll.
(ii) On the day of poll, if the candidate is absent from the constituency, no other person will be allowed to use the vehicle allotted for his use.

(8) The permits printed in bold letters with the legend “Election Permit” with the super inscription of the seal and signature of the authority issuing
the permit shall be displayed prominently on the windscreen of the vehicle.

7.2 You should follow the above guidelines of the Commission’s scheme meticulously and should obtain permits for the vehicles to be used by you and your party workers on the day of the poll well in advance.

8. REMOVAL OF BALLOT PAPERS ON VOTING MACHINE FROM POLLING STATION TO BE AN OFFENCE.
If you or your agents honestly suspect that any voter is illegally taking any ballot paper or a voting machine out of polling station or unauthorisedly or fraudulently tampering with the same, draw the attention of the Presiding Officer to the matter immediately for necessary action on his part.

9. REMOVAL OF DISORDERLY PERSONS
Any person, who misconducts himself or fails to obey lawful directions of the Presiding Officer during the poll, may be removed from the polling station under his order by any police officer or other persons authorised by him.

10. POLLING AGENTS

10.1 It will be physically impossible for you or your election agent to be present during poll at every polling station in your constituency. Someone should, therefore, be present to watch your interests at every polling station. The law permits you to appoint a polling agent and two relief agents at each polling station. They are all known as polling agents. It is, however, not obligatory on your part to appoint polling agents to any or all the polling stations yourself. Your election agent may also make any of these appointments on your behalf. However, only one of three polling agents for a polling station is entitled to be present at a time inside the polling station. They can relieve one another from time to time. FURTHER, THE COMMISSION HAS INSTRUCTED THAT THE MINISTERS OF THE UNION OR STATES AND MPs, MLAs, MLCs AND ANY OTHER PERSON PROVIDED WITH SECURITY COVER BY THE STATE SHALL NOT BE APPOINTED AS POLLING AGENTS AS THE SECURITY PERSONNEL ACCOMPANYING THEM CANNOT BE PERMITTED TO ENTER POLLING STATION, NOR CAN THEIR SECURITY BE JEOPARDISED IN THE ABSENCE OF THEIR SECURITY PERSONNEL. NO PERSON WITH SECURITY COVER CAN BE ALLOWED TO SURRENDER THE SECURITY COVER TO ENABLE HIM TO BECOME A POLLING AGENT.

10.2 The appointment of polling agents is made in writing in Form 10 ( Appendix - XVI). The polling agents who are appointed by you, shall be ordinarily resident and shall be voters in the same polling station only. Such polling agents must have Electors’ Photo Identity Cards. If any person who is a registered elector in the polling area and proposed to be appointed as polling agent by you but does not have Elector’s Photo Identity Card, in that case, you or your election agent may make a written request to the Returning Officer who shall make necessary arrangement for issue of Elector’s Photo Identity Card to such elector. All polling agents shall display their Elector’s Photo Identity Card prominently on.
You are not required to send a copy of the appointment order to the Returning Officer. The polling agent should produce the appointment order in original at the polling station so that the Presiding Officer may admit him into the polling station. A polling agent should sign the letter of appointment in Form 10 in token of his agreement to act as your polling agent. It is advisable that his signature is placed in your presence or in the presence of your election agent, if the latter makes the appointment, the polling agent will also have to sign again in the presence of the Presiding Officer at the polling station. He should be asked to sign before the Presiding Officer in the same manner as he signed before you or your election agent so that there will no discrepancy in his signature. This will help in his identity being readily accepted.

10.3 To enable the Presiding officer of a polling station to verify the signature of the candidate or his election agent as given in appointment letter in Form 10, your specimen signature or that of your election agent shall be obtained by the Returning Officer on the format (Appendix - XVII) and copies thereof in sufficient number shall be supplied to each Presiding Officer, Observers of the Commission, Zonal Magistrate and Sector Magistrate etc., in the constituency. If you have not appointed any election agent, then in the column meant for the signature of the election agent the words "No Election agent appointed" shall be recorded in the said Format. You are at liberty to revoke the appointment of an election agent and to appoint another person in his place. If such a change in the appointment is made at the last moment when the Presiding Officer has already been supplied with the copy of the Format (Appendix XVII) containing the specimen signatures as originally furnished by you, then it shall be your responsibility to supply a copy of Form 9 revoking the appointment of the election agent and to supply a copy of Form 8 appointing the new election agent to the Presiding Officer.

10.4 You or your Election agent may revoke the appointment of any of your polling agents in writing in Form 11 (Appendix - XVIII) and lodge the revocation order with the Presiding Officer of the polling station. If a polling agent happens to die before the poll, you or your election agent should inform the Presiding Officer. In the case of revocation or death, you or your election agent may appoint another polling agent by a fresh letter of appointment in Form 10 in the same manner as before, but in such a case, state in the letter the facts leading to such appointment.

11.1 WHEN POLLING AGENT SHOULD REACH THE POLLING STATION

The polling agent should reach the polling station at least one hour before the commencement of the poll. This will enable him to be present when the Presiding Officer prepares the Voting Machines for taking the poll and goes through the other preliminary/arrangements before the commencement of the poll. If any part of these preliminaries has already been gone through, the proceedings will not be commenced de-novo to accommodate any latecomer. Each polling agent will be supplied by the Presiding Officer with a pass on the authority of which the polling agent can go in and out of the polling station as may be necessary.
11.2 TRACKING PRESENCE OF POLLING AGENTS AT THE POLLING STATIONS AND MANDATORY CONDUCT OF MOCK POLL AND CERTIFICATION.

11.2.1 You are, therefore, advised to ensure that your polling agents reach the polling stations well in advance before the commencement of poll so that the pre-poll formalities such as issue of entry pass to the agents, conduct of mock poll etc., are done in time.

11.2.3 The Presiding Officers shall conduct mock poll as explained in para 21.2 in the presence of the polling agents and prepare and sign the mock poll certificate in the prescribed format as given below.

Mock Poll Certificate

This is certified that I ……………… Presiding Officer at the Polling Station No ------of ----------------------------------- Assembly Constituency (or the --------Assembly segment under ----------Parliamentary Constituency) conducted the mock poll at -- -AM today, the poll day i.e. -------- following the instructions issued by the Election Commission of India.

11.2.5 Mock poll shall be conducted normally at least 30 minutes before the commencement of actual poll. In case where even two agents of different candidates are not present, the Presiding Officer may choose to wait 10 more minutes and if the agents are not turning up even after that the Presiding Officer may conduct the mock poll for verifying the working condition of the
EVM and mention about that in his certificate suitably.

11.2.6 The Returning Officer through the Sector Officers and using the communication link with the polling station/mobile teams shall track the conduct or otherwise of mock poll and ascertain the mock poll status within 30 minutes. Non-confirmation of mock poll could be indicative of some problem on the part of presiding officer or the EVM and hence the Returning Officer shall make immediate intervention to sort out the problem.

11.2.7 The polling stations not having the presence of rival candidates of recognized parties and where the mock poll had to be conducted in the absence of agents shall merit focused attention of the election machinery. 13.2.1 No person is allowed within the polling station or within 100 metres thereof to wear badges, emblems, etc., bearing the names of candidates or political leaders and/or their symbols or pictorial representation thereof, as it may amount to campaigning for a contesting candidate.

13.2.2 The polling agents may, however, display on their person a badge showing the name of the candidate whose agents they are for the purpose of their immediate identification.

14. ARRANGEMENT AT POLLING STATIONS
Outside each polling station there will be displayed prominently a notice specifying the polling area, the electors who are entitled to vote at the polling station and the list of the contesting candidates.

15. ADMISSION TO POLLING STATIONS
Apart from the electors, only the following persons can be admitted into the polling station by the Presiding Officer:
(a) Polling Officers;
(b) each candidate, his election agent and one polling agent of each candidate at a time;
(c) persons authorized by the Election Commission;
(d) public servants on duty in connection with the election;
N.B: The expression "public servants on election duty" would not include police officers (unless called for by the Presiding Officer for maintenance of law and order in the polling station or any other purpose), Ministers, Ministers of State and Deputy Ministers of the Union or the State/Union Territories.
(e) Observers appointed by the Commission;

16. SEATING OF POLLING AGENTS
16.1 The Presiding Officer will make arrangements to provide seats to the polling agents at such polling station in such a way that the polling agents are seated inside the polling stations so that they may see the face of an elector as and when he enters the polling station so that they can challenge the identity of the elector, if needed. They should also be able to watch entire operation inside the polling station including his/her movement to the voting compartment and his/her exit from the polling station after recording his/her vote. But they should not, in any event, be seated in a place where they have the chance of seeing voter actually recording his/her vote which would compromise secrecy of voting.

16.2 According to the latest instructions of the Commission, the seating arrangement at the polling station for the polling agents of candidates shall be guided by the following categories of priorities, namely,

(i) candidates of recognised national parties,
(ii) candidates of recognised state parties,
(iii) candidates of recognised state parties who have been permitted to use their reserved symbols in the constituency,
(iv) candidates of registered unrecognized parties, and
(v) independent candidates.

17. PRELIMINARIES BEFORE THE COMMENCEMENT OF POLL

About one hour before the time fixed for the commencement of poll, the Presiding Officer will start going through the preliminary preparations for the conduct of poll. The Presiding Officer will—

(a) demonstrate to the polling agents and other persons present that the voting machine to be used for the poll is clear and no vote is already record therein;
(b) conduct a mock poll to satisfy the polling agents that the voting machine is functioning properly;
(c) clear the machine again after the conduct of mock poll;
(d) fix green paper seal in frame provided for fixing the green paper seal on the inner door of the door of the inner compartment of Result Section of the Control Unit;
(e) close the inner door of the Result Section of the Control Unit with thread and seal it with special Tag;
(f) close the outer cover of that (Result) Section of the Control Unit with thread and seal it with Address Tag for Control Unit;
(g) Secure and seal the Result Section from outside with Strip Seal;
(h) demonstrate to the polling agents and other persons present that the marked copy of the electoral roll (copy of the electoral roll to be used for marking the names of electors who are allowed to vote) does not contain any remarks other than those made for issuing postal ballot papers and election duty certificates; and
(i) demonstrate to the polling agents and other persons present that the Register of Voters (Form 17A) does not already contain any entry in respect of any elector.

18. PREPARATIONS ON THE VOTING MACHINE BY THE PRESIDING OFFICER BEFORE COMMENCEMENT OF POLL
Before a voting machine is put in actual use at the polling station some preparations, in addition to the preparations made at the Returning Officer's level as explained in Chapter - X, are necessary. The Presiding Officer shall start the preparations about an hour before the time fixed for the commencement of the poll. If any polling agent is not present, the preparations by the Presiding Officer will not be postponed so as to wait the arrival of the polling agent. Nor will he start the preparations again if any polling agent turns up late.

19. Preparations on the ballot unit

19.1 The ballot unit is already duly prepared in all respects at the Returning Officer's level and no further preparation of this unit is required at the polling station on the day of poll, except that its interconnecting cable has to be plugged into the control unit or in the other ballot units as explained below.

19.2 Where more ballot units than one are to be use at a polling station, these ballot units have to be inter-connected in the correct sequential order. In such a case, only the first ballot unit will be connected with the control unit. The polling agents may satisfy themselves that the Presiding Officer has correctly linked the control unit with the ballot units. If there is any defect in such inter-linking, it will immediately become known as the display panels in the control unit will flash the letters 'LE', i.e. linking error.

19.3 The Polling Agents should also check that –
   (i) the ballot paper is properly fixed in the ballot display panel under the ballot paper screen; and
   (ii) the two seals put by the Returning Officer at the top and bottom portion on the right hand side of the ballot unit are intact.

20. PREPARATION ON THE CONTROL UNIT

20.1 The polling agents will first be allowed to check the seal put by the Returning Officer on the 'Candidate Set Section' on the left side of the control unit is intact. This seal has been put by the Returning Officer after the setting the number of candidates in the control unit according to the number of the contesting candidates in the concerned parliamentary/assembly constituency.

20.2 The following preparations will then be made by the Presiding Officer on the control unit:-
   (i) Interlinking the control unit with the ballot unit or the first ballot unit where more ballot units than one are used;
   (ii) switching the power switch to ‘ON’ position;
   (iii) closing the rear compartment after performing the functions at (i) and (ii) above;
   (iv) conduct the mock poll (as explained in para 21.2);
(v) clearing the machine after the mock poll and setting all counts to ZERO (as explained in para 21.2.2(h));

(vi) Switching the Power switch to ‘OFF’ position;

N.B: The expression "public servants on election duty" would not include police officers (unless called for by the Presiding Officer for maintenance of law and order in the polling station or any other purpose), Ministers, Ministers of State and Deputy Ministers of the Union or the State/Union Territories.

(viii) closing and sealing the inner door of the Result Compartment by fixing the special tag (as explained in paras 24.1 to 24.4.) and

(ix) closing and sealing the outer cover of the Result Section with Address Tag and Strip Seal (as explained in paras 24.5 to 26)

20.3 When the 'Power' switch in the control unit is put to 'ON' position, there will be a 'beep' sound and the 'ON' lamp on the display section of the control unit will glow green.

20.4 The Presiding Officer will then close the rear compartment. To keep it firmly closed, a thick thread may be run through the two holes provided for the purpose and the ends of the thread may be tied into a knot. You should note that the rear compartment is not to be sealed as it will require to be opened again after the close of poll for switching 'OFF' the power and disconnecting the ballot unit

21. DEMONSTRATION OF “CLEARING” VOTING MACHINE

21.1 Before commencing the poll, the Presiding Officer has to satisfy not only himself but all the polling agents present that the voting machine is in perfect working order and that no votes have already been recorded in the machine. For such satisfaction, he shall first show to all present that all counts have been set to ZERO by pressing the ‘Clear’ button. The ‘Clear’ button is provided in the right most compartment in the Result Section of the control unit. This compartment is covered by an inner door and an outer cover. The inner door covers the compartments containing ‘Clear’ button, ‘Result I’ button and ‘Result II’ button, and the outer cover is provided above the inner door and covers also the compartment containing the ‘Close’ button. For reaching the ‘Clear’ button, he will first open the outer cover by pressing slightly inwards the latch provided on the left side. Thereafter, the inner door can be opened by inserting the thumb and a finger through the two apertures above the ‘Result I’ and ‘Result II’ buttons and then pressing the latches inside simultaneously slightly inwards. In no case, this inner door should be forced open without releasing the latches in the manner described above as otherwise this most vital compartment will get damaged.

When the ‘Clear’ button is pressed, the Display Panels on the control unit will start displaying the following information sequentially:
Note: If on pressing ‘Clear’ button, the Display Panels do not display the information as indicated above, it means that some of the earlier operations needed for clearing the machine have not been performed. To clear the machine, the Presiding Officer should ensure that ballot units and control unit have been properly linked. He should then press ‘Close’ button and thereafter press ‘Result I’ button. Now when he presses the ‘Clear’ button, the Display Panels will start displaying the information as indicated above.

The display of the above information on the Display Panels shall satisfy the polling agents present at the polling station that no votes are already recorded in the machine.

21.2 MOCK POLL

21.2.1 After demonstrating as above that no votes are already recorded in the machine, the Presiding Officer will hold a mock poll by votes recorded for each candidate, if any candidate is not represented by polling agent, Presiding Officer shall count couple of votes for such candidate. Then the result shown in the machine should be tallied.

21.2.2 For that purpose, the following operation shall be performed:-
(a) Press the ‘Ballot’ button on the ballot section of the control unit. On pressing the ‘Ballot’ button, ‘Busy’ lamp in the display section will glow
red. Simultaneously, the ‘Ready’ lamp on the Ballot Unit will also start glowing green.

(b) Ask any polling agent to press, according to his choice, any of the candidate’s blue buttons on the Ballot Unit. Ensure that each of the blue (unmasked) buttons is pressed at least once, so that each button left unmasked is tested and found functioning properly.

(c) On the candidate’s button being so pressed, the ‘Ready’ lamp on the Ballot Unit will go off and the candidate’s lamp near the button will start glowing red. Also, a beep sound will be heard emitting out from the control unit. After a few seconds, the red light in the candidate’s lamp, red light in the ‘Busy’ lamp and the beep sound will go off. This will be the indication that the vote for the candidate, whose blue button has been pressed, has been recorded in the control unit and the machine is now ready to receive the next vote.

(d) Repeat the process explained in the preceding paras (a), (b) and (c) for recording one or more votes for each of the remaining candidates. Keep a careful account of the votes so recorded in respect of each candidate.

(e) When the votes are being so recorded, press the ‘Total’ button on the ballot section of the control unit to verify at any time that the total votes recorded in the machine tally with the number of votes which have been polled upto that stage.

Note: ‘Total’ button should be pressed only after the vote has been recorded for any candidate and the ‘Busy’ lamp in the Display Section is off.

(f) At the end of the mock poll, press the ‘Close’ button in the result section. On the ‘Close’ button being so pressed, the display panels in the display section will show the following information sequentially:

```
Cd  9
Np  1
   to
   54
   End
```

(if the no. of votes polled is 54)

Note: Subject to availability of time, there is no objection to permit the recording of more votes at mock poll. It is not necessary that the number of votes recorded for each candidate should be the same.
(h) Now press the button marked ‘Result I’ in the Result Section. On that button being pressed, the Display Panels will start showing the following information sequentially:-

```
Cd  9
to 54
01 6
02 6
03 6
04 6
05 6
06 6
07 6
08 6
09 6
End
```

(This is an example only)

(h) Next, press the ‘Clear’ button to clear the account of votes recorded during the mock voting. On pressing the ‘Clear’ button, all counts in the Display Panel will show ZERO.

22. FIXING GREEN PAPER SEAL IN THE CONTROL UNIT

22.1 In order to maintain the secrecy of ballot, in the conventional system of voting where ballot papers and ballot boxes were used the ballot boxes are sealed and secured by fixing a green paper seal specially got printed by the Commission. Once the green paper seal was fixed in a ballot box and the lid of the box was closed, the box could not be opened and the ballot papers contained therein could not be tampered with or taken out for counting unless the green paper seal is torn. Similar safeguard has been provided in the voting machine so that once the poll commences, nobody should be able to tamper with the voting machine. To achieve and ensure this, provision has been made for fixing the same green paper seal which is used for securing a ballot box, in the control unit of the voting machine.

22.2 There is a frame provided for fixing the paper seal on the inner side of the door of the inner compartment of the result section of the control unit. Before the green paper seal is fixed in the frame provided for the purpose on the
inner side of the door of the inner compartment of the result section of the control unit, you should affix your signature in full immediately below the serial number of the paper seal on the white surface of the paper seal. It shall also be got signed by such of the candidates or their polling agents as are present and are desirous of affixing their signatures. The Presiding Officer should verify that the signatures of the polling agents on the paper seal tally with their signatures on their letters of appointment.

22.3 There is provision of two frames in the case of voting machines manufactured by Bharat Electronics Limited, Bangalore, allowing arrangement for fixing two paper seals and accordingly two paper seals are to be used in the control units of the voting machines manufactured by that company, where as in the case of voting machines manufactured by Electronics Corporation of India Limited, Hyderabad, there is only one frame providing arrangement for fixing only one green paper seal. (In the upgraded model of the Electronic Voting Machine, whether manufactured by BEL, Bangalore or ECIL, Hyderabad, only one paper seal is used as in the pre-upgraded model of the ECIL machine.)

22.4 The seal should be so fixed that its green surface is seen through the aperture from out side. When the green paper seal is fixed on the control unit of the voting machine, it will look as in the picture below:-

![BEL Machine](image1)
![ECIL Machine](image2)

22.5 It should be ensured that no damaged paper seal is used in any case and if any paper seal gets damaged in the process of fixing, it should be replaced then and there before the door of the inner compartment is closed.

22.6 After fixing the paper seal, the door of the inner compartment will be closed by pressing it fit. It will be closed in such a manner that the two open ends of the paper seal project outwards from the sides of the inner compartment. Before the green paper seal is fixed in the frame provided for the purpose, the Presiding Officer and polling agents present shall affix their signatures in full immediately below the serial number of the paper seal on the white surface of the paper seal. It shall also be got signed by such of the candidates or their polling agents as are present and are desirous of affixing their signature. The candidates or their polling agents are allowed to note down the Sl. No. of paper Seals so supplied for use and actually used.
22.7 After the green paper seal has been signed by the Presiding Officer and you and fixed and secured, the door of the inner compartment over the “Clear” button and “Result” buttons will be pressed fit and closed in such a manner that the two open ends of the paper seal continue projecting outwards from the sides of the inner door. Then this inner door will be sealed with a Special Tag. For this the Presiding Officer will pass the high quality twine thread specially supplied for this purpose by the Returning Officer through the two holes provided in the inner door and though the hole provided in the Special Tag.

CLOSING AND SEALING OF RESULT SECTIN OF CONTROL

23. SPECIAL TAG
It looks as under:-

![Special Tag Image]

23.1 The sizes of Special Tag to be used in the Electronic Voting Machines of the two makes are different as under:-
(a) For ECIL machine: 7 cms. x 5.5 cms.
(b) For BEL machine: 7.5 cms. x 5.5 cms.
Its thickness is equal to the thickness of a postcard. There is a hole on the right corner on top of front side with a metal ring, so as to make it easy to pass a thread through it, for sealing. Further, on the right hand side below the hole there is a groove cut on the special tag just enough to fit with the door-knob of result compartment. There is also an opening in the middle of the special tag, so that when the tag is fixed in the “CLOSE” button compartment of the result section, the “CLOSE” button is visible so that the ‘Close’ button can be reached to operate without disturbing the tag.

23.2 CONTROL UNIT NUMBER
Before the Special Tag is used, the Presiding Officer shall write the serial number of the Control Unit on the Special Tag.
23.3 SIGNATURE

23.3.1 After writing the serial number of the Control Unit on the Special Tag, the Presiding Officer shall put his signature on the BACK SIDE of the Special Tag. He will also ask the candidates/polling agents present in the polling station before the commencement of the poll to put their signatures on the back, if they so desire. He will also read out the pre-printed serial number on the Special Tag and ask the candidates/polling agents present to note down that serial number.

23.3.2 The special tag is used to seal the inner compartment over the ‘Clear’ and ‘Result’ buttons after the process of signing the green paper seal by Presiding Officer and contesting candidates/polling agents and fixing and securing it in the frame(s) provided for fixing the paper seal on the inner side of the door of the inner compartment of the result section of the control unit is over. The door of the inner compartment over the “Clear” button and “Result” buttons should be pressed fit and closed in such a manner that the two open ends of the paper seal continue projecting outwards from the sides of the inner door. Then this inner door should be sealed with the special tag. For this, Presiding Officer should pass the high quality twine thread specially supplied for this purpose by the Returning Officer through the two holes provided in the inner door and though the hole provided in the special tag.

23.3.3 It should be ensured by Presiding Officer that spoiled or torn special tag is not used in any case. If, by any chance, the special tag is spoiled or torn, he should use another one. For this purpose, like "Green Paper Seals", the Returning Officer supplies to Presiding Officer with 3 or 4 ‘Special Tags’.

23.3.4 After doing all this, the Presiding Officer will tie the thread into a knot and seal the thread on the Special Tag with sealing wax. Thereafter without breaking the seal, he will adjust the Special Tag in the compartment of “CLOSE” button ensuring that the “CLOSE” button protrudes through the hole cut in the middle of the special Tag for the purpose.
CLOSING AND SEALING OF OUTER COVER OF RESULT SECTION

23.4 After the inner compartment of Result Section of the control unit has been closed and sealed, the outer cover of the Result Section will be pressed fit for closing that Section. Before pressing that outer cover, the Presiding Officer will ensure that the two open ends of the paper seal project outwards from the either sides of the outer cover.

23.5 After the outer cover of Result Section has been closed, the Presiding Officer will seal that cover by (i) passing a thread through the two holes provided for the purpose on the left side of the outer cover, (ii) tying thread into a knot (iii) attaching a label (address tag) similar to the one which is attached to the ‘Cand Set Section’ at the Returning Officer’s level and (iv) sealing the thread on the Address Tag with wax and his seal. The candidates or their polling agents shall also be permitted to affix their seals, if they so desire, on the outer cover.

23.6 The address tag will contain the following particulars:
“Election to the ...........from ..........constituency
Control unit No...........................................................................
Sl. No. and Name of Polling Station.........
Date of Poll.................................................................”

23.7 The Returning Officer will provide sufficient number of blank printed address tags as part of polling materials. The Presiding Officer will carefully fill the
particulars in the address tag. The serial number of each control unit is inscribed on its bottom portion.

23.8 The candidates or their Polling Agents present will also be permitted to affix their seals, if they so desire, on the outer cover address tag along with the seal of the Presiding Officer.

23.9 By so closing and sealing the inner compartment and the outer cover, the whole Result Section gets sealed and secured and the votes which will be recorded by the Control Unit cannot be tampered with.

24. STRIP SEAL

24.1 To further improve the sealing arrangements for Electronic Voting Machines, the Election Commission of India has approved a system of printing an additional outer seal for sealing the “Result Section” of the Control Unit completely with an Outer Paper Strip Seal (hereafter referred to as “Strip Seal”) so that this portion of the Control Unit cannot be opened once the polling has started and till the counting is taken up. This will ensure that from the time the first vote is cast in the machine at the polling station and till it is brought to the counting table, no person could have opened the Result Section without damaging the Strip Seal.

24.2 The Commission, therefore, directed that at every polling station where the election is held with the use of EVM, the Control Unit shall be secured and sealed with the Strip Seal as detailed below from outside completely with the Strip Seal so that this section cannot be opened without damaging the Strip Seal. The Strip Seal shall be positioned on the outer door of “Result Section” just below the rubber cap covering the “CLOSE” button in such a way that the covering the “CLOSE” button is not covered by the Strip Seal. (This will allow the rubber cap to be removed for pressing the ‘CLOSE” button in case of emergent situation such as booth capturing.)

STRIP SEAL – PHYSICAL FEATURES

(i) Strip Seal is a paper seal with a measurement of 23.5” (twenty-three point five inches) in length and 1” (one inch) in width. The length of the strip is such that it can easily be wrapped round the breadth of the Control Unit to provide an extra outer seal of the Control Unit before the commencement of the poll and after the other standard seals have been affixed in the Control Unit.

(ii) Each Strip Seal has a Unique Identity Number.

(iii) These Strip Seals will be supplied by a firm duly approved by the Commission, and the Chief Electoral Officers will centrally procure them for each State.

(iv) At both the ends of the Strip Seal, there are FOUR (4) pre-gummed portions. Of these three are about one square inch area (identified by letter ‘A’, ‘B’ & ‘C’) and one is about two square inch area (identified by letter ‘D’). Each gummed portion is covered by a strip of wax paper.

(v) The Strip Seal has an inner side and an outer side. On the inner side of the strip, at one end there are two adjacent pre-gummed portions
marked by letter ‘A’ & ‘B’. At the other end of the inner side of the strip, there is about 2” (two inches) pre-gummed portion marked ‘D’. On the outer side of the strip, there is only one pre-gummed portion marked ‘C’. A drawing of the Strip Seal showing the outer side and inner side is given below. The dark portions are the gummed portions on inner side and outer side of the strip.

**DRAWING OF STRIP SEAL**
(Pre-gummed portions are shown in dark shade)

**COMPLETE METHOD OF SEALING CONTROL UNIT INCLUDING USE OF STRIP SEAL**

24.4. For the sake of easy understanding, the complete sequential order of the steps to be taken by the Presiding Officer at the polling station until and including fixing the Strip Seal are given below:

(i) Before the commencement of the actual poll, the Presiding Officer conducts mock poll.

(ii) After conducting mock poll and showing the result, the Presiding Officer shall clear the Control Unit of the data relating to mock poll by operating “Clear” button.

(iii) After clearing the data he shall insert the Green Paper Seal (two seals in the case of BEL machines and only one in case of ECIL machine) to cover the windows of the inner door of the Result Section. While inserting the Green Paper Seals, he shall take care to ensure that the Green portion of the seal is visible through the windows of the inner door after it is closed.

(iv) After inserting the Green Paper Seals, the inner door above the result buttons will be closed.

(v) Then the inner door of the result section will be sealed off with the special tag.

(vi) After fixing the Special Tag, the Presiding Officer will close the outer door of the Result Section ensuring that the loose ends of the Green Paper Seal(s) protrude out from both the sides of the closed outer door [See Photo-1 (BEL Machine) / Photo-2 (ECIL Machine)].
(vii) Then the Presiding Officer shall seal the outer door with thread and address tag.
(viii) Next he shall proceed to fix the Strip Seal around the Control Unit to seal the Result Section from outside completely so that this section cannot be opened without damaging the Strip Seal after the poll commences.
(ix) Before the strip seal is fixed to seal the result section from outside Presiding Officer should affix his signature in full immediately below the serial number of the paper seal. It shall be got signed by such of the contesting candidates or their polling agents as are present and are desirous of affixing their signatures. He should verify that the signatures of the polling agents on the Strip Seal tally with their signatures on their letters of appointment.
(x) He will position the Strip Seal just below the “CLOSE” button. The detailed procedure to fix the Strip Seals is given below. There is a slight difference in the method of fixing the Strip Seal for BEL make machines and ECIL make machines. The Presiding Officer will follow the instructions below depending on the make of the EVM available in your State.

25. **METHOD OF SEALING BEL MAKE MACHINES WITH STRIP SEAL:**

Step-1: The Presiding Officer will keep the Strip Seal with the pre-gummed portion ‘A’ positioned near the base of the Green Paper Seal protruding from the inner end of the door. He will then remove the wax paper covering ‘A’ and press the inner layer of the Green Paper Seal over the gummed portion ‘A’. He will also keep the outer layer of the Green Paper Seal over the inner layer protruding from the lower portion of the outer door.

Step-2: He will then remove the wax paper over the pre-gummed portion ‘B’ and press this pre-gummed portion ‘B’ over the outer layer of Green Paper Seal layer protruding from the lower portion of the outer door.
After pasting ‘B’ over the Green Paper Seal, the pre-gummed portion ‘C’ will come to the top position.

Step-3: The Presiding Officer will then remove the wax paper over the pre-gummed portion ‘C’ and press both the ends of Green Paper Seal protruding from the upper portion of the outer door so that the inner layer of that Green Paper Seal is firmly gummed to ‘C’.

Step-4: He will then take the remaining portion of the Strip Seal round the Control Unit from left side taking care that the strip passes below the rubber cap covering the “CLOSE” Button and bring the other end of the Strip Seal from right side of the Control Unit on top of the Outer Door where the pre-gummed portions ‘A’, ‘B’ and ‘C’ have been pasted.

Step-5: Thereafter the Presiding Officer will remove the wax paper covering the pre-gummed portion ‘D’ and press it firmly over the outer layer of the Green Paper Seal protruding from the top portion of the door. The pre-gummed portion ‘D’ spills over the Strip Seal below the “CLOSE” Button. He will then press this spilled-over portion of ‘D’ firmly over the Strip Seal.
By the above process all the four loose ends of the Green Paper Seals protruding from both sides of the door get firmly pasted and held by the Strip Seal. At the same time, the outer door over the Result Section is also sealed with this Strip Seal from all sides and this section cannot be opened without damaging this seal.

AFTER FIXING THE STRIP SEAL PUT THE POWER SWITCH ON THE CU.

After sealing the Control Unit with the Strip Seal, the Presiding Officer shall take care that the seal is not damaged or tampered with during the poll and this seal shall NOT be removed during or after the poll in the polling station.

At the end of the poll at prescribed hour, the Presiding Officer shall remove the rubber cap covering “CLOSE” Button without disturbing the Strip Seal and press the “Close” Button to close the poll and replace the rubber cap. After completing other formalities at the end of the poll, the Presiding Officer shall carefully pack the Control Unit in its carrying case and seal the carrying case with address tag. This sealed carrying case shall be delivered to the Strong Room (Collection Centre).

On the day of the counting, the Control Unit with the Strip Seal intact shall be allowed to be examined by the candidates/counting agents present at the Counting Table. Only thereafter, the seal shall be removed taking care that the Green Paper Seals are not damaged. After examining the Green Paper Seals protruding outside, the thread seal on the outer door of the Control Unit shall be opened.

IMPORTANT PRECAUTIONS:

(i) The Strip Seal shall be positioned to cover the portion below the rubber cap covering the “CLOSE” Button cap on the outer door of the Result Section. While fixing this strip, the Presiding Officer will ensure that the rubber cap covering the “CLOSE” button is left clear and not covered even partially by this strip so that there is no difficulty in removing the rubber cap and operating to that button when required.

(ii) The Strip Seal shall be fixed taut and shall not be loose.

(iii) DAMAGED STRIPS HAVE NOT TO BE USED IN ANY CIRCUMSTANCES.
(iv) Each polling station will be supplied with four (4) Strip Seals like Green Paper Seals.

(v) Presiding Officers shall account for each Strip Seal supplied to the polling station for the conduct of poll in the Presiding Officer’s Diary.

(vi) Presiding Officer should return every Strip Seal that is not used (including the strips (or pieces thereof) damaged accidentally to the Returning Officers who will be held responsible if any Strip Seal is found in the hands of any unauthorized person at any time.

(vii) The Chief Electoral Officer and the District Election Officers shall keep a record of the serial numbers of the Strip Seals supplied to each Returning Officer. Similarly, each Returning Officer shall keep a record of the Strip Seals supplied to each polling station.

(viii) The Commission will issue samples of Strip Seals to your State for the purpose of demonstration as well as training. These sample strips also shall be kept in safe custody. After using the Strips Seals for training or demonstration, as the case may be, the used Strips seals should be destroyed by shredding them.

METHOD OF SEALING ECIL MAKES MACHINES WITH STRIP SEAL:

In ECIL machine only one Green Paper Seal is used. Therefore, the loose ends of the same Green Paper Seal protrude from either ends of the outer door over Result Section. (In the upgraded model of the voting machine also, whether manufactured by BEL or ECIL only one green paper seal is used). Following are the steps to seal ECIL MAKE MACHINES (and also the upgraded model of the voting machine) with Strip Seal:-

Step 1: The Presiding Officer first double fold the inner end of the Green Paper Seal in the middle ensuring that the green portion of the seal remains outside
Step 2: He will keep the Strip Seal with the pre-gummed portion 'A' positioned near the base of the inner fold of the Green Paper Seal protruding from the inner side of the outer door of the Result Section. He will then remove the wax paper over 'A' and press the inner fold (green side) of the Green Paper Seal over this gummed portion and paste.

Step 3: The Presiding Officer will then remove the wax paper over the pre-gummed portion 'B' and press this gummed portion over the outer fold of the Green Paper Seal.

Step 4: After pasting 'B' over the Green Paper Seal the pre-gummed portion 'C' will come to the top position. The Presiding Officer will remove the wax paper over 'C', press the Green Paper Seal protruding from the top portion of outer door so that the Green Paper Seal is firmly pasted over 'C' (Now the white side of green paper seal will come on top and will be visible from outside).
Control Unit on top of the outer door where the pre-gummed portions ‘A’, ‘B’ and ‘C’ have been pasted.

Step 6 : He will remove the wax paper covering the pre-gummed portion ‘D’ and press it firmly over the Green Paper Seal protruding from the top portion of the door. The pre-gummed portion ‘D’ spills over the Strip Seal below the “CLOSE” Button. The Presiding Officer will press this spilled over portion of ‘D’ firmly over the Strip Seal.

By the above process, both the loose ends of the Green Paper Seal protruding from both the sides of the outer door get firmly pasted and held by the Strip Seal. At the same time the outer door over the Result Section is also sealed with this Strip Seal from all sides and this section cannot be opened without damaging this seal.

INTRODUCTION OF UPGRADED MODEL OF ELECTRONIC VOTING MACHINE

In the year 2007 the Election Commission of India introduced the upgraded model of the Electronic Voting Machine and used it for the first time in the General Election to the Legislative Assembly of Manipur held in 2007. The appearance and features of the voting machines manufactured by both BEL, Bangalore and ECIL, Hyderabad are more or less the same except for a few additional features/modifications.

Additional features -

(a) Numeric in Braille signage (1 to 16) has been provided on the Ballot Unit (BU) top cover on the right of the blue button for each contesting candidate for the convenience of the visually challenged (blind) persons.

Modifications –
(a) In the Display Panel, there is only one window now instead of two windows in the existing model.

(b) The Display Panel now displays the data on two rows of total twenty four characters (twelve characters in each row).

(c) The hood of the connector attached to the interconnecting cable, one end of which is permanently fixed to the Ballot Unit, has now been provided with different colored spring clips on both sides - one BLACK and the other RED. One side of female socket in the rear compartment of the Control Unit is in RED colour for easy identification at the time of insertion of the connector into the female socket. The RED spring clip has to match with the RED side of the socket and the BLACK spring clip has to match with the BLACK side of the socket.

(d) The ‘RESULT I’ button in the Result Section has been replaced with a new ‘RESULT’ button.

(e) The ‘RESULT II’ button in the Result Section has been removed and in its place a new button ‘PRINT’ has been provided. The upgraded model of the voting machine has been provided with the facility to print the result data. A special gadget is to be attached at data interface connector at the rear side of the Control Unit for printing. When the ‘PRINT’ button is pressed, the Control Unit displays ‘PRINTING’. For printing result data, the result has to be seen at least once.

(f) The inner cover of the Result Section covering the ‘RESULT’ and ‘PRINT’ buttons has been provided with a single window for inserting green paper seal like in the existing model of ECIL make of the machine. Therefore, only one green paper seal will be used in the upgraded model of the voting machine for sealing the voting machine with green paper seal.

(g) The sequence of the buttons on the Control Unit to be pressed has also now been made same as in the ECIL make of the voting machine. The sequence is ‘Clear’ – ‘Cand. Set’ – ‘Clear’ – ‘Ballot’ – ‘Close’ – ‘Result’. After the ‘Cand. Set’ button one can press the ‘Ballot’ button also directly. Pressing of any button out of proper sequence will display the message ‘INVALID’ on the Display Panel.

Various types of display which appear on this display panel and what these mean are indicated below:

26. ACCOUNT OF PAPER SEALS
26.1 The Presiding Officer will keep a correct account of the paper seals supplied to him and actually used by him for sealing and securing the control unit. Such account shall be maintained by him in the form specifically prescribed for the purpose vide Item 9 of Part 1 of Form 17C appended to the Conduct of Election Rules, 1961.

26.2 The said accounts shall be prepared by the Presiding Officer in Form 17C and an attested copy thereof shall be furnished by him to every polling agent present at the polling station.

27. VOTING MACHINE READY FOR ACTUAL POLL

27.1 The voting machine is now ready in all respects for use for actual poll.

27.2 Before commencing the poll, the Presiding Officer should place the ballot unit(s) inside the voting compartment. As already instructed, the voting compartment should be located at sufficient distance from Presiding Officer’s table where the control unit shall be kept and operated. The interconnecting cable between the ballot unit and the control unit has a length of approximately five metres. Therefore, the voting compartment should be reasonably distanced. Also, the cable should be so routed that it does not obstruct the movement for voters inside the polling station and they have not to tread or trip over it, but the entire length of the cable should be visible and under no circumstances be concealed under the cloth or under the table. While placing the EVM in the Voting Compartment, it must be ensured without fail that secrecy of voting is not violated.

28. MAINTENANCE OF SECRECY OF VOTING

28.1 Every polling agent is required by section 128 of the Representation of the People Act, 1951 to maintain and aid in maintaining, the secrecy of voting and should not communicate to any person any information calculated to violate such secrecy. Any person contravening the above provisions of law is punishable with imprisonment for a term which may extend to 3 months or with fine or with both.

28.2 Before commencing the poll, the Presiding Officer will bring to the notice of all present the provisions of aforesaid section 128 regarding their duty to maintain the secrecy of the vote and the penalty for any breach thereof.

29. DECLARATION BY THE PRESIDING OFFICER BEFORE THE COMMENCEMENT OF POLL

After the Presiding Officer has gone through the preliminaries, as stated above he will make a declaration in the prescribed form (Appendix - XIX) Part I to the effect that he has completed those preliminaries. He will read out the declaration aloud to the hearing of all persons present in the polling station and sign the declaration and will also obtain thereon the signatures of such of the polling agents as are present and willing to affix the same. The polling
agents should sign that declaration as it would satisfy all that the poll had commenced in free and fair manner. If any polling agent refuses to sign that declaration the Presiding Officer will make a note of his name in the paragraph provided for that purpose in the form of said declaration.

30. COMMENCEMENT OF POLL

30.1 The poll will be commenced at the stroke of the hour fixed for the purpose. By that time the preliminaries would have been completed by the Presiding Officer. If for any unforeseen reasons the preliminaries are not over, the Presiding Officer may admit about three or four voters at the hour fixed for the commencement of the poll and let the Polling Officers deal with them so as to enable them to go through the process of voting.

30.2 In any event, the Presiding Officer cannot extend the appointed closing time, except for allowing such of the voters to vote who have already reached the polling station before the appointed closing time and taken their place in the queue for voting. For this purpose the Presiding Officer should distribute slips duly signed by him to the electors, who were present at the polling station at the hour appointed for the close of poll starting from the tail of the queue towards the head.

31. ENTRY OF VOTERS INTO POLLING STATION

31.1 Normally there will be separate queues for men and women voters. The persons who arrange the queues will allow 3 or 4 voters into the polling station at a time as the Presiding Officer may direct. Other voters waiting to come in will be made to stand in queue outside. Men and women voters will be admitted into the polling station in alternate batches. The Presiding Officer may, however, give precedence, if he thinks fit, to infirm voters and women voters with babies in arms over others. The polling agents should not object to it.

31.2 FACILITIES TO PRESS REPRESENTATIVES AND PHOTOGRAPHERS
Subject to the maintenance of peace and order, there is no objection to any photographer taking photographs of a crowd of voters lining up outside the polling station. However, no one including the publicity officials of the State Government shall be allowed inside a polling station without a letter of authority from the Election Commission. In no circumstances, will any photograph either still or video be allowed to be taken of a voter recording his vote.

32.1 METHOD OF RECORDING OF VOTES BY VOTING MACHINES
The electors, who have been issued with their EPICs, are required to produce these cards to exercise their franchise when they come to polling station for voting. The Commission, however, have been issuing a specific order at the time of elections for production of certain alternative documents for those electors who have not been issued their EPICs, for establishing their identity. After the procedural requirements relating to identification of an elector, application of indelible ink on his left forefinger and obtaining his
signature/thumb impression on the Register of Voters (as explained in detail in
the succeeding paragraphs) have been completed and the elector allowed to
record his vote in the voting machine, the Presiding Officer/Polling Officer in-
charge of the Control Unit of the voting machine shall press the 'Ballot' button
on the control unit. This would make the ballot unit(s) ready for recording the
vote of the elector. When the 'Ballot' button is pressed, the lamp marked
'Busy' on the Control Unit will glow red. Simultaneously, the lamp marked
'Ready' on each ballot unit kept in the voting compartment will start glowing
green.

32.2 For recording his vote, the elector will press the button (called the candidate's
button) provided against the name and symbol of the candidate of his choice
on the ballot unit. (For each candidate, a separate button is provided against
his name and symbol). When the candidate's button is pressed by the elector,
the 'Ready' lamp will go off and the candidate's lamp provided near his button
on the ballot unit will start glowing red. Also, a 'beep' sound will be heard by all
present, emitting out from the control unit. After a few second, the red light in
the candidate's lamp on the ballot unit, the red light in the Busy lamp on the
Control Unit and the beep sound will go off. These visual and audio signs will
be the indication that the vote for the candidate whose button has been
pressed by the voter has been recorded in the Control Unit. The ballot unit will
then get automatically locked and the next vote can be recorded only when
the 'Ballot' button on the Control Unit is again pressed by the Presiding
Officer/Polling Officer in-charge for allowing the next voter to record his vote.

32.3 If any voter asks for help or expresses inability to vote using EVM, the
presiding officer can explain to the voter the voting process using the
cardboard model of the EVM ballot in such a manner that the voter is able to
understand. This shall be done outside the voting compartment only in the
presence of polling agents and never inside the voting compartment.

33.1 VOTING PROCEDURE AT THE POLLING STATION
Briefly the voting procedure is as follows:-
When an elector enters a polling station he will proceed direct to the first
Polling Officer who will be in-charge of the identification of electors and of the
marked copy of the electoral roll. After his identity has been established and
there is no challenge to his identity by any of the polling agents, the elector's
left forefinger will be marked with indelible ink. The second polling officer will
do this. The second polling officer will also be in-charge of the Register of
Voters (Form 17A). That polling officer will note down the electoral roll number
of the elector in column 2 of that Register after noting down his serial number
as per Register in Column 1 thereof. He will then obtain the signature of
thumb impression of the elector in column 3 of the said Register against the
entry relating to him. The second Polling Officer will also prepare a voter's slip
for the elector in the following form:-

"Voter's slip
Sl. No. of elector as per column 1 of Register of voters....................
Sl. No. of elector in the marked copy of electoral roll ......................
33.2 The elector will then go with this voter's slip to the Presiding Officer or the third Polling Officer whoever is in-charge of the control unit of the voting machine. The Presiding Officer/Third Polling Officer will inspect the indelible ink mark on elector's left forefinger and allow him to record his vote in the voting machine on the basis of the aforesaid voter's slip. The procedure for recording the vote by means of the voting machine has been explained in the preceding paragraph.

33.3 The electors will be allowed to record their votes in the voting machine exactly in the same order in which they have been registered in the Register of Voters. If for any unavoidable reason, it has not been possible to strictly maintain the above order in respect of any electors, the Presiding Officer shall indicate the exact serial numbers at which the affected electors have recorded their votes, in the remark column of the register of voters.

33.4 The checking of the left forefinger of the voter before he leaves the polling station, in order to ensure that there is a clear indelible ink mark may be entrusted by the Presiding Officer to some other member of his party. If he finds that such mark is not clearly visible or the indelible ink has been wiped off, he shall again mark the voter's left forefinger with indelible ink.

33 A CHALLENGE TO THE IDENTITY OF A VOTER
As stated above, one of the main duties of the polling agent is to help the Presiding Officer to detect and prevent impersonation of voters. The polling agent is therefore, entitled to challenge the identity of a person who comes as a voter if he has personal knowledge that the person claiming to be that voter is not the same person. The polling agents should not, however, make in indiscriminate challenges as this would hamper the smooth process of the poll leading to delay in which case some voters, including the supporters of his own candidate, might get tired and leave the queue without voting.

34. LIST OF DEAD, ABSENT AND ALLEGEDLY SUSPICIOUS VOTERS
It is expected that a polling agent will have with him a copy of the electoral roll and also a list of the names of the dead, absent and allegedly suspicious voters which might have been prepared by the candidate or his party. A copy of this list should be supplied to the Presiding Officer also. If any person claims to be a voter whose name is mentioned in that list, the polling agent should draw the Presiding Officers attention to that fact. This will not amount to a formal challenge. The Presiding Officer will check that person’s identity.

35. FORMAL CHALLENGE TO VOTER’S IDENTITY

35.1 If the Presiding Officer disregards the list, the polling agent may formally challenge the identity of the person provided he is satisfied that the person concerned is impersonating a voter.

35.2 Even if the name of a voter is not mentioned in the above list of dead, absent or allegedly suspicious voters, but a polling agent has personal knowledge that the person claiming to be the voter is not the real voter, the polling agent may formally challenge that person’s identity.
35.3 Every person whose name is entered in the electoral roll is entitled to vote at
the election and a person claiming to be a voter and giving out the name and
other details correctly is normally presumed to be that voter. Therefore, the
polling agents are advised to challenge the identity of a voter only when they
are sure about their identity of the person challenged.

36. CHALLENGE FEE
The Presiding Officer will not entertain any challenge by a polling agent, until
the challenger pays him Rs.2/- (Rupees two only) in cash. After the amount
has been paid, the Presiding Officer will furnish a receipt therefore to the
challenger in the form prescribed by the Election Commission.

37. SUMMARY INQUIRY INTO A CHALLENGE

37.1 When the identity of an elector is formally challenged by a polling agent, the
Presiding Officer will warn the person challenged about the penalty for
personation, read out the relevant entry in the electoral roll in full and ask him
whether he is the person referred to in that entry, enter his name and address
in the list of challenged votes (Appendix - XX) and ask him to sign or affix his
thumb impression thereon. If the person challenged refuses to do so, the
Presiding Officer will not allow him to vote.

37.2 After the Presiding Officer has completed the entries in the list of challenged
votes and obtained the signature or thumb impression of the person
challenged in the relevant column in the said list, he will ask the challenger to
produce evidence to show that the person challenged is not the voter that he
claims to be. If the challenger fails to adduce prima facie evidence in support
of his challenge, the Presiding Officer will disallow the challenge and allow the
person challenged to vote. If the challenger succeeds in making out a prima
facie case that the person challenged is not the voter in question, the
Presiding Officer will call upon the latter to produce evidence to rebut the
challenge, i.e., to prove that he is the voter he claims to be. In the course of
the inquiry the Presiding Officer is free to ascertain the true facts by putting to
the person challenged any questions necessary for the purpose of
establishing his identity and require him to answer him on oath. He many also
take evidence of any person whom he thinks to be helpful in his inquiry like
the village officer, the neighbors of the voter in question or any other person
present. While taking such evidence he may administer oath to the person
challenged or any other person offering to give evidence.

37.3 After the completion of the inquiry, if the Presiding Officer considers that the
challenge has not been established, he should allow the person challenged to
vote. Where, however, he considers that the challenge has been established,
the Presiding Officer shall debar the person challenged from voting. In that
case the Presiding Officer has also been instructed to hand over the person
concerned to the police man on duty together with a complaint addressed to
the SHO of Police Station in the jurisdiction of which the polling station falls for
prosecution of the person concerned for committing the offence of
personation.
38. RETURN OF FORFEITURE OF CHALLENGE FEE

38.1 After the inquiry is over and the challenge is established, the Presiding Officer will return the challenge fee of Rs.2/- to the challenger after taking his receipt in the appropriate column (column 10) in the list of challenged votes, referred to above (Appendix - XX) and on the counterfoil of the relevant receipt in the receipt book.

38.2 Where, however, the Presiding Officer is of the opinion that the challenge was frivolous or was not made in good faith, he will forfeit the challenge fee to Government and will not return it to the challenger.

39. CLERICAL AND PRINTING ERRORS IN THE ELECTORAL ROLLS TO BE OVERLOOKED

The particulars in respect of a voter as entered in the electoral roll are sometimes incorrectly printed or have become out of date, for example, the age of the voter. The polling agent should overlook mere clerical or printing errors in any entry relation to a voter and should not raise objection about such voter, if he is otherwise satisfied about the identity of that voter. When the electoral roll has been prepared in more than one language and the name of a person has not been included in the marked copy of the electoral roll, the Presiding Officer has been instructed to allow such voter to vote if his name appears in the version of the electoral roll in the other language. You should advise your polling agents not to raise any objection in respect of such an elector.

40. ELIGIBILITY OF VOTER NOT TO BE QUESTIONED

Every person whose name is entered in the marked copy of the electoral roll is entitled to vote at the election. So long as there is no doubt the identity of such person, no question can be raised by a polling agent at the polling station before the Presiding Officer about the eligibility of such a person to be registered as a voter.

41. PRECAUTIONS AGAINST VOTING BY UNDER AGE VOTERS

41.1 As stated above, the eligibility of a person to be a voter whose name is included in the electoral roll cannot be questioned or enquired into by the Presiding Officer at the polling station. However, if the Presiding Officer is prima facie satisfied about the identity of a voter and also about the fact of inclusion of his name in the electoral roll, but considers such person to be below the minimum voting age, has been instructed by the Commission to obtain a declaration in a prescribed form from such an elector about his age. Before obtaining the declaration from such elector the Presiding Officer will inform him of the penal provisions in section 31 of the Representation of the People Act, 1950 for making a false declaration relating to the inclusion of his name in electoral roll.

41.2 The polling agents may bring to the notice of the Presiding Officer such cases of voters whose names are included in the electoral roll but who seem to be
much below the voting age so that the Presiding Officer may taken action in respect of such voters as mentioned above.

41.3 Application of indelible Ink - Under Rule 37(1), the left forefinger of every elector, about whose identity the Presiding Officer or the Polling Officer, as the case may be, is satisfied, shall be marked with indelible ink in the manner as explained in para 15.2 of Chapter VII. This will be done by the Second Polling Officer, who is also in-charge of the Register of Voters.

41.4 The application of indelible ink is a vital safeguard against personation and to ensure that the same voter does not vote more than once. If any elector refuses to allow his left forefinger to be inspected or marked with indelible ink or he has already such a mark on his left forefinger, or he does any act with a view to removing the ink mark, he shall not be allowed to vote.

41.5 Under the instructions of the Commission, the left forefinger of the voter should be marked with indelible ink soon after his identity is verified by the First Polling Officer and before his signature of thumb impression is obtained on the Register of voters by the Second Polling Officer. The underlying purpose of this instruction is that there should be a sufficient time gap for the indelible ink to dry and leave a proper indelible mark on the voter’s forefinger before he leaves the polling station. The Commission has also instructed that his forefinger should again be checked before he leaves the polling station in order to verify that there is a clear indelible ink mark on the finger. If the voter has wiped off the ink or there is no proper ink mark visible, his left forefinger should again be marked with indelible ink. The group ‘D’ official who is normally attached to a polling party as attendant can be given this duty of checking the voter’s left forefinger before his exit from the polling station.

42. VOTING THROUGH PROXY
CLASSIFIED SERVICE VOTERS: PROXY VOTING

42.1 As an alternative option to postal ballot, service voters belonging to the Armed Forces and members belonging to a Force to which provisions of the Army Act applies, have been provided with the facility to opt to vote either through proxy or through postal ballot papers. Such service voters, who opt to vote through proxy, have been categorized as “Classified Service Voters” (CSVs). The CSVs are required to appoint a person who is resident of the area covered by the constituency concerned, as his proxy. The proxy should be of at least 18 years of age and shall not be disqualified for registration as an elector. The appointment will be made in Form 13F. An appointment once made will be valid for all future elections so long as the person making the appointment continues to be a service voter or till the appointment is revoked or the proxy dies. The CSV has the option to revoke the appointment and appoint a new proxy on the death of the earlier proxy or for other reasons. Such revocation of appointment is to be done in the newly inserted Form 13G.

42.2 On receipt of intimation of appointment of proxy by a CSV, the Returning Officer will mark the letters ‘CSV’ against the name of the service voter in the
last part of the electoral roll to indicate that the elector has appointed a proxy to cast vote on his behalf. For using the facility of proxy voting at the next earliest election, intimation of appointment of proxy should reach the Returning Officer by the last date for making nomination at that election. The Returning Officer will also maintain a separate list of CSVs and their proxies with their complete addresses in the form and manner specified by the Commission. After the last date for making nominations, the Returning Officer will prepare polling station-wise sub-lists of all CSVs and their proxies. The format prescribed by the Commission for maintaining polling station-wise sub-list is enclosed as Annexure VII. These sub-lists will be added at the end of the part of the electoral roll pertaining to the polling station concerned and the part of the electoral roll alongwith the sub-list will be the marked copy of the electoral roll for that polling station.

42.3 The proxy will record the vote on behalf of the CSVs at the polling station to which the CSV is assigned, in the same manner as any other elector assigned to that polling station. It may be noted that in the case of proxy, marking of the indelible ink under rule 37 will be done on the middle finger of the left hand of the proxy. The proxy will be entitled to vote on behalf of the CSV in addition to the vote that he may cast in his own name if he is a registered elector in the Constituency, at the polling station to which he has been normally assigned.

42.4 A CSV who has appointed a proxy will not be issued a postal ballot paper.

43. VOTING BY BLIND OR INFIRM VOTERS

43.1 If the Presiding Officer is satisfied that owing to blindness or any affixed on the ballot unit of the voting machines physical infirmity a voter is unable to recognize the symbols on the ballot paper or to record his vote on it without assistance, he will permit the voter to take with him and adult companion of not less than 18 years into the voting compartment for recording the vote on his behalf and in accordance with his wishes. But the illiteracy of voter is not a sufficient cause for giving him assistance of a companion to record vote on his behalf.

43.2 A candidate, his election agent or polling agent (provided he is not less than 18 years of age) can also act as such companion to a blind or infirm voters. But he can act as such companion of only one elector on that day. The person acting as such companion is required to make a declaration in a prescribed form to the effect that he will keep secret the vote recorded by him on behalf of the elector and that he has not already acted as a companion of any other elector at any polling station on that day.

43.3 None of the polling staff shall act as a companion to the blind elector to record vote on his behalf under any circumstances.

44. TENDERED VOTES

It may happen that a person representing himself to be a particular elector comes forward to vote after some other person has already voted as such elector. In that case if the Presiding Officer is satisfied about the identity of
such persons to be the real voter after necessary questioning, he will permit
him to vote by means of a tendered ballot papers, but not by means of the
voting machine. For that purpose the Presiding Officer will make necessary
entry in the list of tendered votes (form 17B appended to the Conduct of
Elections Rules, 1961) and obtain the signature or thumb impression of the
voter therein. The voter will be supplied with a ballot paper which shall be
similar to the ballot paper affixed on the ballot unit of the voting machine and
the words 'Tendered Ballot Paper' will be stamped or written on its back. The
elector will record his vote on the tendered ballot paper by placing a mark by
means of the arrow cross mark rubber stamp which is used for marking ballot
papers under the traditional marking system of voting. Such tendered ballot
paper, after it is marked by the voter in the voting compartment and folded,
shall be placed by the Presiding Officer separately in a cover specially kept for
the purpose.

45. ELECTORS DECIDING NOT TO VOTE

45.1 If an elector, after his electoral roll number has been duly entered in the
Register of Voters (Form 17A) and he has put his signature/thumb impression
on that register, decides not to record his vote, he shall not be forced or
compelled to record his vote. A remark to the effect that he has decided not to
record his vote – “Refused to Vote” - shall be made in the remarks column
against the entry relating to him in the Register of Voters by the Presiding
Officer and the signature or thumb impression of the elector shall be obtained
against such remark under rule 49-O. It shall not be necessary to make any
change in the serial number of the elector or of any succeeding elector, in
column 1 of the Register of voters.

45.2 If the “Ballot” button on the control unit has been pressed to release voting on
the ballot unit by a voter and he refuses to vote, either the Presiding
Officer/third Polling Officer, whoever is in-charge of the control unit, should
direct the next voter straightaway to proceed to the voting compartment to
record his vote or put the ‘Power’ switch in the rear compartment of the
control unit to ‘OFF’ position, then to ‘ON’ position, press the ‘Ballot’ button
and direct the next voter to proceed to the voting compartment to record his
vote. If the “Ballot” button on the control unit has been pressed to release
voting on the ballot unit and the last voter refuses to vote, the Presiding
Officer/third Polling Officer, whoever is in-charge of the control unit shall put
the ‘Power’ switch in the rear compartment of the control unit to ‘OFF’ position
and disconnect the ballot unit(s) from the control unit. After disconnecting the
ballot unit(s) from the control unit the ‘Power’ switch should again be put ‘ON’.
Now the ‘Busy’ lamp will go off and the ‘Close’ button will become functional to
close the poll.

46. VIOLATION OF SECRECY OF VOTING
Every elector, who has been allowed to record his vote, is required to
maintain secrecy of voting within the polling station and to observe the
prescribed voting procedure. If any elector refuses, after warning given to him
by the Presiding Officer to maintain the secrecy of voting and observe the
voting procedure, he will not be allowed to vote by the Presiding Officer or by
a polling officer under his direction. The voter's slip issued to such elector shall be taken back from him. The Presiding Officer will make a remark to that effect – "Not allowed to vote – Voting procedure violated" in the Register of Voters under his signature. It shall however not be necessary to make any change in the serial number of that elector or of any succeeding electors in column 1 of that Register.

47. RESTRICTIONS ON PRESIDING (AND OTHER) OFFICER TO GO NEAR THE VOTING COMPARTMENT

47.1 Sometimes, the Presiding Officer may have a suspicion or reason to suspect that the ballot unit kept in the screened voting compartment is not functioning properly or that an elector who has entered the voting compartment is tampering or otherwise interfering with the ballot unit or has remained inside the voting compartment for unduly long period. The Presiding Officer has a right under rule 49-Q to enter the voting compartment in such cases and to take such steps as may be considered necessary by him to ensure that the ballot unit is not tampered or interfered with in any way and that the poll progresses smoothly and orderly.

47.2 In order to ensure that no voter has committed any mischief by pasting any paper, tapes etc., on the symbol/ names / ballot button, the presiding officer may from time to time make an inspection of ballot unit (BU)- but he should make it a point to do so in the immediate presence of polling agents when there is no voter inside the voting compartment.

48. VOTING BY PERSONS PRESENT AT CLOSING HOUR

The Presiding Officer will close the polling station at the hour fixed in that behalf and will not thereafter admit any elector into the polling station. But all electors present at the polling station before it is closed will be allowed to cast their votes, even if for that purpose the polling is to be continued beyond the specified closing hour. For the above purpose, the Presiding Officer will distribute to all voters, who are standing in the queue and waiting to vote at the specified closing hour, slips signed by him in full and serially numbered form S.No.1 onwards. He will not thereafter allow any person to join the queue and for ensuring this he will start distribution of the above slips to such voters from the tail and of the queue and proceeding backward toward its head.

49. CLOSE OF POLL

49.1 The Presiding Officer shall press the “Close” button on the control unit to close the poll after the last voter has recorded his vote, so that no further recording of votes in the machine is possible. The Presiding Officer shall disconnect the ballot unit(s) from the control unit. When the close button is pressed, display panels on the control unit will show the total number of votes recorded in the voting machine till the end of the poll (but not the candidate-wise tally). The voting machine will not accept any further votes now.
49.2 The total number of votes recorded in the machine shall be immediately noted by the Presiding Officer in the "Account of votes recorded" in Form 17C.

50. FURNISHING OF COPY OF ACCOUNT OF VOTES RECORDED (FORM 17C) BY THE PRESIDING OFFICER

Rule 49S of the Conduct of Election Rules, 1961 provides that the Presiding Officer should at the close of the poll prepare an account of votes recorded in the voting machine in the prescribed Form 17C. A sample Form 17C is given in Appendix -XXI. He is also required by the above rule to furnish to every polling agent present it the close of the poll an attested copy of the account after obtaining a receipt therefore from the Polling Agent. The Polling Agents should, therefore ensure that they receive a copy of the said account from the Presiding Officer as such account will be greatly needed by their candidates at the time of the counting of votes. Every polling agent who receive a copy of the said account from the Presiding Officer should affix his signature on the form of declaration (Appendix —XIX Part – III) prescribed by the Commission which the Presiding Officer has to make at the close of the poll. If any polling agent refuses to accept a copy of the above account the Presiding Officer will note down the name of such polling agent in the above-mentioned declaration.

51. SEALING OF THE VOTING MACHINE AFTER THE CLOSE OF POLL

51.1 After the poll has been closed and the account of votes recorded in the voting machine has been prepared in Form 17C and copies thereof furnished to the polling agents present, the voting machine shall be sealed and secured by the Presiding Officer for transportation to the counting/collection centre.

51.2 For sealing and securing the voting machine, the ballot unit(s) and the control unit will be disconnected and the power switch in the control unit put to 'OFF' position. The ballot unit(s) and the control unit will be put back in their respective carrying cases. The carrying cases will then be sealed on both sides of the carrying cases with the Presiding Officer's seal on an address tag showing the particulars of the election and the polling station.

51.3 The candidates or their polling agents as are present and desirous of putting their seals on the carrying cases shall be allowed to do so.

51.4 The names of the candidates/polling agents who have affixed their seals on the carrying cases of the ballot unit(s) and control unit will be noted by the Presiding Officer in the declaration, which he makes at the close of the poll vide Part IV of Appendix – XIX.

52. SEALING OF ELECTION PAPERS-AFFIXATION OF SEALS THEREON BY POLLING AGENTS

52.1 After the close of poll the Presiding Officer will also seal all the election papers in separate packets in accordance with the rules and instructions of the Election Commission. The polling agents present at polling station are also
permitted to affix their seals, in addition to the seal of the Presiding Officer, on the envelopes and packet containing the following documents -
(i) the marked copy of the electoral roll;
(ii) Register of Voters;
(iii) Voter's slip'
(iv) the tendered ballot papers and the list of tendered votes in Form 178;
(v) the unused tendered ballot papers;
(vi) the list of challenged votes;
(vii) the unused and damaged paper seals, if any;
(viii) appointment letters of polling agents; and
(ix) any other papers that the Returning Officer has directed to be kept in a sealed packet.

52.2 The polling agents are advised in the interest of their candidates to affix their seals on the above packets of election papers.

53. TRANSMISSION OF VOTING MACHINE AND ELECTION PAPERS TO THE COLLECTION/STORAGE CENTRE

53.1 After the voting machine and all election papers have been sealed and secured by the Presiding Officer, he will deliver them or cause them to be delivered at the collection/storage centre.

ACCOMPANYING VEHICLES CARRYING VOTING MACHINES

53.2 The polling agents are permitted to accompany the vehicle in which the voting machine and election papers are carried to the collection/storage centre. But they will have to make their own transport arrangements and will not be permitted to travel in the vehicle carrying the voting machine and election papers.

54. ARRANGEMENTS AT RECEPTION CENTRE FOR COLLECTION OF EVMs AND OTHER MATERIALS

54.1 CUSTODY OF VOTING MACHINES
After the completion of poll in a constituency the voting machines will be taken to the place of storage and kept in safe custody under proper guard till they are taken to the counting place. You will be informed in advance by the Returning Officer about the programme and route of the collection parties that will be sent by him for the collection of the polled voting machines from the polling stations and for bringing them to place of storage. If you want, you may ask your agents to accompany those collection parties. You will, however, have to make your own arrangement for their transport as they would not be allowed to travel in the official vehicle. If you like you may also post an agent to keep watch at the place where the voting machines are kept, and the agent will be allowed to affix his seal on the doors and windows of the building in which the machines are stored in addition to the seal that may be affixed by the Returning Officer. In case you yourself or your election agent himself is not putting up such seals, you should give full particulars of the agent who would put such seals, to enable the verification of his identity. After all the voting machines have been received and stored and the room has been
locked, no one will be allowed to go in until the morning of the day fixed for counting. If during the interval, the room is to be opened for some reason, the Returning Officer will inform the candidates and open the room in their presence and immediately after the purpose for which the room is opened has been served, the candidate or their representatives will again be allowed to seal the doors and windows. A log book will also be maintained in order that a full record is available of persons entering the room, the purpose of the visit, time of entry, time of exit etc.

54.2 SETTING UP OF SPECIAL COUNTER FOR RECEIVING EVMs AND OTHER DOCUMENTS FROM SPECIFIC POLLING STATIONS ABOUT WHICH COMPLAINTS RECEIVED.

A separate special counter will be set up for receiving EVMs and other documents from the specific polling stations about which complaints had been received from political parties/candidates during the course of polling; polling stations in which significant events such as violent incidents, heated arguments with the polling personnel, clash between polling agents, breakdown of EVMs reported and where the EVM replacement had taken place etc. During the course of polling, the Returning Officer will maintain a separate register to identify such polling stations and even before the arrival of the polling party at the reception centre a hoarding or a notice board indicating number and details of the polling stations that would be handled at the special counter should be put up. This would be helpful in deciding about repoll, if any necessary.

55. ADJOURNED POLL

55.1 If there is a riot or open violence at the polling station or a natural calamity like severe storm, heavy snowfall or the like or some other sufficient cause, the Presiding Officer will adjourn the poll under the provisions of sub-section(1) of section 57. A passing shower of rain or strong wind would not be sufficient cause for adjournment of poll. The Commission has, however, decided that an adjourned poll may be ordered at all those polling stations where polling fails to start for two hours. The adjourned poll will be held on a date and at the time and place to be fixed by the Returning Officer with the prior approval of the Election Commission. The counting of the votes in the constituency will not commence until the adjourned poll has been completed.

55.2 Where the poll has been adjourned at a polling station the adjourned poll will recommence from the stage at which it was left immediately before the adjournment. i.e., only those electors, who had not already voted before the poll was adjourned, will be permitted to vote at the adjourned poll. The Presiding Officer of the polling station, at which such adjourned poll is taken, will be provided with the sealed packets containing (i) the marked copy of the electoral roll, and (ii) Register of Voters received earlier from the presiding
officer of the polling station concerned at which the poll was adjourned, and also a new voting machine.

55.3 Before the commencement of the poll, the sealed packets containing the marked copy of the electoral roll and Register of Voters will be reopened by the Presiding Officer in the presence of the candidates or their agents who may be present at the polling station and this very marked copy for the electoral roll and Register of voters will be used for adjourned poll.

55.4 The provisions of rules 28 and 49-A to 49V will apply to the conduct of an adjourned poll as they apply to the poll before it was so adjourned.

56. Fresh poll

56.1 If any voting machine used at a polling station—
   (i) has been unlawfully taken away by unauthorised person; or
   (ii) has been accidentally or intentionally destroyed or lost or damaged or tampered with and the Returning Officer is satisfied that the result of the poll at that polling station cannot be ascertained for that reason; or
   (iii) any error or irregularity in procedure as is likely to vitiate the poll is committed at a polling station;

The Returning Officer will report the facts of the Election Commission and the Chief Electoral Officer of the State.

56.2 After considering all the material circumstances the commission will, if necessary
   (i) declare the poll at that polling station to be void; and
   (ii) formally fix the date and hours for fresh poll and notify it.

56.3 On receiving intimation from the Commission, the Returning Officer will inform the contesting candidates or their election agent of the date, time and place fixed for the fresh poll and affix a notice or his notice board notifying the date and hours so fixed. Also he would announce by beat of drum or otherwise in the polling area concerned the place, the date and hours so fixed.

56.4 The fresh poll will be taken in the same manner as is prescribed for the original poll.

56.5 There is no legal bar against the counting of votes in respect of the rest of the constituency. The Returning Officer will not, however declare the result of the election until the fresh poll has been completed and the vote recorded in such fresh poll counted and incorporated in the result sheet.

57. FRESH POLL OR COUNTERMANDING OF ELECTION IN CASE OF BOOTH CAPTURING

57.1 Under section 58A, if booth capturing (as defined in section 135A) has taken place at a polling station in such a manner that the result of the poll of that polling station cannot be ascertained, the Returning Officer shall forthwith report the matter to the Election Commission. On receipt of that report from
the Returning Officer, the Election Commission shall, after taking all material circumstances into account, either (i) declare the poll at that polling station to be void and direct; fresh poll to be taken on a date to be appointed by it, or (ii) countermand the election if it is satisfied that in view of the large number of polling station involved in booth capturing the result of the election is likely to be affected.

57.2 If the Commission directs fresh poll to be taken at any polling station, the Returning Officer will proceed for taking such fresh poll in accordance with the instructions contained in the preceding paragraph.

57.3 If the election is countermanded by the Commission on account of booth capturing, all proceedings for that election will commence anew and a fresh notification calling for the election will be issued in due course.

58. FRESH POLL, IF AFTER SCRUTINY OF REGISTER OF VOTERS (FORM 17-A) AND OTHER DOCUMENTS FOUND THAT POLL HAVE BEEN VITIATED AT ANY POLLING STATION

58.1 In order to check bogus voting, the Election Commission keeps a tab on the polling percentage. Reports on polling percentage of all polling stations are collected by it through the Chief Electoral Officer/Returning Observer after the polling is over. Wherever it is found that the votes polled at a polling station is unusually high which can not be apparently explained, the Commission, if needed, may order the election authorities to scrutinize various documents like Presiding Officer’s diaries, visit sheets, diaries maintained by Patrolling/Sector/Zonal Magistrates, Forms 17A and 17C etc. in respect of those polling stations where the polling has crossed a specific percentage.

58.2 In such cases, the Returning Officers and the concerned Observers shall scrutinize Forms 17A and such other documents, in respect of all those polling stations, where polling has been more than the percentage as prescribed by the Commission after the end of poll of each phase. The Returning Officers and Observers shall check Forms 17A for similarities of signatures/thumb impressions, the manner in which votes have been cast (continuous serial nos.), cross check the entries in Form 17A vis-à-vis Form 17C, the marked copy of the electoral roll and the remarks column in Form 17A.

58.3 The procedure for receipt, scrutiny, verification and storage of forms 17A and 17C etc. is given below-

RECEIPT AND STORAGE-

(i) The existing instructions stipulate that attested copies of Form 17 C
(Accounts of Votes Recorded) will be handed over by the Presiding Officer to each of the polling agents present at the time of close of poll, even without their asking for it, and two copies of Form 17C will be sent to the Returning Officer. Of the two copies of Form 17C received from each polling station, one copy is to be kept alongwith the EVM and other copy is to be kept separately alongwith other election papers.

(ii) At the collection center, a separate counter shall be opened to receive the materials of those polling stations with polling percentage more than the percentage prescribed by the Commission for a particular election, after the end of poll. The Presiding Officers of polling stations where polling percentage has been more than the said percentage shall be instructed to approach this counter for handing over the EVMs and other materials.

(iii) The EVMs of all polling stations, irrespective of polling percentage, along with one copy of Form 17C (Account of Votes), shall be kept in the strong room as is the existing practice.

(iv) As per the existing practice, the other election papers received from the polling stations are to be kept in a separate strong room (other than the strong room in which the EVMs are kept). For the sake of convenience in taking out the Forms17A and the other documents for scrutiny in respect of polling stations where polling has been more than the prescribed percentage, it will be ideal if a separate room can be identified for storing the election papers of such polling stations. If a separate suitable room is not available, these documents may be kept in the same room in which election papers in respect of other polling stations are kept. In such cases election papers relating to polling stations where polling percentage has been more than the percentage prescribed by the Commission after the end of poll may be kept in a clearly demarcated place so that there is no confusion at the time of taking out the documents in respect of these polling stations for scrutiny.

SCRUTINY

(v) Scrutiny of Forms 17A and other documents and material in respect of such polling stations, where polling has been more than the percentage as prescribed by the Commission after the end of poll, shall be taken up at 9 A.M. on the day following the day of poll. However, if by that time, a substantial number of polling parties, say 10% are yet to return, the scrutiny may be deferred till such time polling parties return. The scrutiny shall be done by the Returning Officer and the Observer at a place/room identified in advance, preferably near the strong room itself. Adequate security arrangement shall be made for such place. All contesting candidates shall be given advance notice, in writing (under proper acknowledgement), about the scrutiny of Forms 17A, 17C and other documents and material indicating the place, date and time of commencement of such scrutiny. In such notice, it shall be mentioned that either the candidate himself or his election agent or one representative duly authorized by the candidate may be present to watch repeat only to watch the proceedings of scrutiny of
Forms 17A, 17C and other documents and materials by Returning Officer and Observer in respect of those polling stations where polling has been more than the percentage as prescribed by the Commission after the end of poll. The presence of candidates/agents/representatives is required for the purpose of satisfying them that these records are not tampered with by any one at the time of scrutiny. However, the discussion between the Observer and Returning Officer and their observation on the scrutiny of the record shall be kept confidential. The candidate, his election agent or authorized representative of the candidate shall not be allowed to keep cellular phones during this activity.

(vi) During the process of scrutiny the candidates / their election agents or their authorized representatives may watch the proceedings from a safe distance so that they can get a clear view of the proceedings but, are not able to handle the election papers / material or interfere with the proceedings. There shall be proper barricading to ensure this, and the candidates or their representatives shall not be allowed to cross the barricade under any circumstance.

(vii) Proper log-books shall be maintained for recording the time and purpose of opening and closing the storage room where election records are kept. The room shall be opened in the presence of Observer(s) and the candidates /their election agents/representatives at the time fixed for the purpose. But, if any candidate/election agent/representative chooses not to attend these proceedings, despite written notice having been served, the proceedings shall be conducted at the appointed hour and not delayed/adjourned merely because of his absence. If they report late when proceedings are going on, they may be allowed in to watch the proceedings onward only.

(viii) After taking out copies of Forms 17C and the packets containing Forms 17A and marked copies of electoral roll in respect of such polling stations (where polling has been more than the percentage as prescribed by the Commission after the end of poll) for scrutiny, the strong room shall be duly closed and sealed after making entry in the log-book and obtaining the signatures of all candidates or their representatives as may be present.

POST - SCRUTINY PROCEDURE

(ix) After scrutiny, the Forms 17A, 17C and marked copies of electoral roll for each polling station, other documents and material shall be re-sealed with the seal of the Returning Officer. The candidates or their election agents/representatives present, may also be allowed to affix their seal or signature thereon, if they so desire. These sealed envelopes shall then be kept back in the strong room from which they were taken out. This shall also
be done in the presence of the candidates or their election agents/representatives. The room shall then be sealed with the seal of the Returning Officer. The candidates or their representatives may also affix their seals/signatures thereon if they so desire.

(x) After scrutiny of Forms 17A, 17C and other documents and material, the Returning Officer and Observer shall make necessary recommendations to the Commission for repoll, wherever considered necessary, giving reasons polling station wise. In case of any difference of opinion, the same shall be reflected indicating the reason for the same in their respective reports.

(xi) Normal requirement of scrutinizing the Presiding Officers’ diaries, visit sheet, diaries maintained by Patrolling/Sector/Zonal Magistrates, complaint registers maintained at the District Control room, statements of images shall be followed strictly, for all polling stations irrespective of poll percentage, and the facts revealed on the scrutiny of these documents will be taken into account for forming opinion for recommending re-poll.

58.4 If the Commission directs fresh poll to be taken at any polling station, the Returning Officer will proceed for taking such fresh poll.

58.5 The fresh poll will be taken in the same manner as is prescribed for the original poll.
CHAPTER XVI

COUNTING OF VOTES

1. INTRODUCTORY

1.1 Counting of votes is the last major step towards the culmination of the election process. It is on the correct and proper counting of votes that the true choice of the electorate finds expression and it is on the basis of such ascertainment of their true choice that their chosen representative is declared elected. Therefore, the importance of the process of counting of votes hardly needs to be emphasized.

1.2 Under the law, counting of votes is to be done by, or under the supervision and direction of, the Returning Officer of the constituency in the presence of the candidates and their agents. The law authorizes the Assistant Returning Officer also to undertake the counting of votes. The counting of votes may be simultaneously done at places more than one and at tables more than one at the same place. As the candidate or his election agent cannot be expected to be physically present at each of such counting places and tables, the law permits you to appoint your counting agents who may be present at each of the said counting places and counting tables and watch your interests.

2 In order to ensure higher level of transparency in the counting process, the Commission has issued the following instructions:-

APPOINTMENT AND RANDOMIZATION OF COUNTING OFFICIALS

2.1. The posting of Counting Supervisors and Counting Assistants must be done randomly in such a way that the counting official come to know of the Assembly Constituency and the table assigned to them only at the time of their arrival at the Counting Center on the day of the counting.

2.2. The District Election Officers shall issue photo-identity cards to all counting staff. After the Randomization, explained in the following paragraphs is over, the reserve staff would be seated separately in an enclosure within the counting centre campus.

2.3. The District Election Officer must keep a pool of well trained officials (including the reserved pool) available for counting purposes. The counting officials be directed to reach the counting center at 6 am on the date of counting. As already mentioned in Para 1 above, these officials would not be allotted the Assembly Constituency or the Table number in advance.

2.4. The Observers and the District Election Officer would assemble at one place for carrying out the randomization at 5 am on the day of the counting. This place may be the NIC center, Counting Center or any other office where the process can be conveniently carried out. The list of trained officials would be provided by the District Election officer to the Observers. There would be two lists, one of Counting Supervisors and another of Counting Assistants and
each counting official would be assigned a unique serial or code number which would be so labeled as to indicate clearly the category to which he belongs i.e. whether he is a Counting Supervisor or a Counting Assistant.

2.5. The randomization would be carried out either manually or by using a computer. For manual randomization, the senior most Observer present would randomly assign the Constituency and the table number to the counting officials by the draw of lots. This has to be done with the two lists mentioned above separately and independently so that for each of the tables the name of one Counting Supervisor and one Counting Assistant is generated. The District Election Officer would make all prior arrangements to ensure quick and smooth conduct of this randomization process. This would include preparing chits of the unique serial numbers assigned to counting officials and the constituency/table numbers.

2.6. Alternatively, the District Election Officer may make arrangements for carrying out the abovementioned randomization with the aid of a computer in consultation with the Observers. However, before using a computer aided method the Observers must fully satisfy themselves that the process is free from all errors and that it truly generates the results in a random manner.

2.7. The District Election Officers would ensure that Videography of the process of randomization is carried out for record.

2.8. To illustrate it by a practical example, let us assume a district has 10 Ac's, with 14 counting tables each. For this district 154(including 10% reserve) Counting Supervisors and 154 Counting Assistants would be required. These many officials would have been already trained and given codes while issuing the duty orders. On the date of counting at 5 am, these 154 codes each of Counting Supervisors and Counting Assistants, written on individual slips, would be kept in two separate boxes. The senior most Observer, in the presence of District Election Officer and all other Observers would start the randomization process for a particular assembly constituency by randomly picking up one slip each from the two boxes. The Counting Supervisor and the Counting Assistant so picked up on the first set of draws would be assigned table no 1 in that Constituency. This would continue in a similar way till each of the 14 tables are assigned one Counting Supervisor and one Counting Assistant. The same process would then be repeated for other Assembly Constituencies in a similar manner. The officials who are left at the end of this exercise would be treated as part of the reserved pool.

2.9. Once the randomization process is over, the Constituency wise posting lists, duly signed by the District Election Officer and the Observers would be brought to the Counting Center by the Observers and District Election Officer, in time, to be handed over to the respective Returning Officers and the control room staff by 6 a.m.

2.10. The counting officials on reaching the control room at the counting center would be provided the posting details and directed to reach the counting hall of the assigned Constituency at the respective table.
2.11. It must be ensured that the whole process of randomization is over by 6:00 am so that the counting officials are able to reach their assigned position conveniently before the scheduled start of the counting process.

Reserved Pool

2.12. The officials who have not been assigned any Constituency/table would form a reserved pool.

2.13. There would be no deployment of officials in shifts as the counting process would normally not take more than 6 to 8 hours. However, the District Election Officers would have the liberty of replacing officials in case such an exigency arises, but this replacement would also be done randomly from the pool of officials in reserve after consulting the Observer of the constituency concerned.

Cross checking by the Observers at random

2.14. As per the instructions issued earlier, after each round of counting, the Returning Officer would do the tabulation of the round based on the table wise result provided by the Counting Supervisors. The table wise result of the round is to be countersigned by the Observer before the Returning Officer announces the result of the round.

2.15. A system is now being introduced through the present instructions by which there would be a random checking by the Observers, in the manner indicated below, of the table wise results provided by the counting officials.

2.16. During the course of counting (for a round) the observer shall keep oscillating between counting tables and closely observe the counting process.

2.17. At the closure of each round, the Observer would randomly select any two EVM control units from amongst the Control units of the concerned round which has been counted. He would then direct the counting staff specifically deployed for this purpose by the Returning Officer/Assistant Returning Officer through random selection to independently note down from the Control units selected, the details of the votes polled as indicated by the machine. These details he would then compare with the details provided by the officials in the table wise result to check for any discrepancy between the two. Care must be taken that the staff assigned for random checking is not aware of the details provided in the table wise result.

2.18. The District Election Officer/Returning Officers would ensure that there is a separate and sufficient space earmarked in the same counting hall for this random cross-checking so that the normal counting of vote for subsequent round continues without any hindrance.

2.19. The staff to assist the Observer for this cross checking would be randomly selected from the reserved pool. If required, after a few rounds, fresh staff
from the reserved pool should replace this staff.

2.20. Only after being satisfied that the result displayed by the Control Unit and that shown in the round wise result sheet and Form 17C match would the Observer countersign the result sheet of the round. The Observers would ensure that this exercise is carried out in each round and the selection of the two control units is absolutely random.

2.21. If any discrepancy is found between the result obtained from the table and that ascertained through the random checking by the observer as mentioned above, then:
(i) The result of that round for each table shall be reverified from the EVMs.
(ii) Such staff as is found to be wrongly noted the counting result would be taken off and replaced by another set of staff. Severe disciplinary action should then follow on the erring staff for their omissions and commissions.
(iii) The result provided by such staff (and table) in the preceding rounds would be checked again in presence of observer and corrected sheets prepared wherever necessary.

2.22. The counting officials as well as candidates and their counting agents would be informed about this provision of random cross checking to be carried out by the Observers. It would also be informed that any discrepancy found during this randomized cross checking would be viewed seriously by the Commission and could result in serious disciplinary action and prosecution of the responsible officials.

2.23. The Observers would continuously maintain their presence in the counting hall and periodically inspect the counting tables to ensure that counting is going on according to the instructions of the Commission in a transparent and systematic way.

2.24. The Observers, in their final report after the counting would specifically mention that the randomization of personnel and the random checking of Control Unit details was carried out as per the instructions of the Commission.

2.25. Apart from one Counting Supervisor and one Counting Assistant for each counting Table, one additional staff would be seated in each of the 14 counting tables. The additional staff will invariably be a Central Govt./ Central Govt. PSU employee. This additional staff will note down the details of votes exhibited by the EVMs being counted in each round in that Table. These additional counting staff would be provided with a pre-printed statement as given below on which there will be space for noting down the CU No., Round No., Table No., Polling Station Number and thereafter the names of all the contesting candidates as they appear in the ballot paper. They will put their signature at the end of the statement and shall hand over the statement to the Observer after each round.

Date: Signature of Addl. Counting staff (With full name)

* To be handed over to the Observer only.

2.26. The Observer/Returning Officer will cross check the figures noted in Part-II of Form 17C as submitted by the Counting staff with the additional statement submitted by the additional staff.

2.27. Wherever adequate number of Central Govt. staff are not available, the shortfall will be made good by the Divisional Commissioner by mobilizing the required number of staff from the neighbouring districts within the Division. The additional staff will be given a brief orientation training before being deployed at the counting center as above. The additional staff also will be provided a ID Card by the District Election Officer. The constituency-wise and subsequently Table-wise deployment of such additional staff shall also be done randomly by the Observer.

3 ROLE OF OBSERVER

3.1 The Observer has the power to direct the Returning Officer for the constituency or for any of the constituencies for which he has been nominated, to stop the counting of votes at any time before the declaration of the result or not to declare the result if in the opinion of the Observer, booth capturing has taken place at a large number of polling stations or at places fixed for the poll or counting of votes or any ballot papers used at a polling station or at a place fixed for the poll are unlawfully taken out of the custody of the Returning Officer or are accidentally or intentionally destroyed or lost or are damaged or tampered with to such an extent that the results of the poll at that polling station or place cannot be ascertained.

3.2 Where an Observer has directed the Returning Officer under this section to stop counting of votes or not to declare the result, the Observer shall forthwith report the matter to the Election Commission and thereupon the Election Commission shall, after taking all material circumstances into account, issue appropriate directions under Section 58A or Section 64A or Section 66 of Representation of People Act, 1951

4. DATE, PLACE AND TIME OF COUNTING
4.1 The Returning Officer will give notice to you or to your election agent, at least one week before the date or the first of the dates fixed for the poll, of the place, date and time fixed for the counting of the votes, in the forms prescribed by the Commission for the purpose, vide Appendix – XXII or XXIIA as may be applicable. For a General Election throughout the country, the date for the counting of votes will generally be the date following the last of the dates of poll in the election. When a General Election is held in a single State/Union Territory, the date for the counting of votes will generally be the date following the last date of poll in that State/Union Territory. For a bye-election, the date of counting of votes would normally be the day following the date or the last of the dates of poll or the second day in case where the constituency is far flung and it is physically impossible for the boxes or, as the case may be, the voting machines to reach the place fixed for counting by the day following the date of the poll.

4.2 If for any unavoidable reason the Returning Officer is unable to proceed with the counting at the place and at the time and on the date fixed and communicated to you, he will postpone the counting and fix another date and time and if necessary another place for the counting of votes. You or your election agent will be given notice of every such change in writing.

5. COMMENCEMENT OF COUNTING

5.1 According to the instructions of the Commission, the Returning Officer is required to send certain comprehensive reports on the poll, which are statutory, to the Commission. Based on these reports the Commission decides as to whether repoll at a particular polling station/constituency has to be taken or not. In case there is no order from the Commission for repoll, the Returning officer will commence the counting without waiting for any clearance from the Commission.

5.2 Under the newly inserted section 20B of the Representation of the People Act. 1951, the Observers appointed by the Election Commission to watch the conduct of elections shall have the powers to direct the Returning Officers to stop the counting of votes at any time before the declaration of result or not to declare the result, if in their opinion booth-capturing has taken place at a large number of polling stations or at places fixed for the poll or counting of votes or the ballot papers or the voting machines used at a polling station or place fixed for poll are unlawfully taken out of the custody of the Returning Officer or are accidentally or intentionally destroyed or lost or damaged or tampered with to such an extent that the result of the poll at that polling station or place cannot be ascertained. The election proceedings in such cases shall proceed further in accordance with such directions of the Commission as it may issue on the reports of the Observers and after taking all material circumstances into account.

6. COUNTING AT DIFFERENT PLACES
6.1 The counting for an entire Assembly Constituency will be done at one place and every effort will be made to complete the counting on the same day. For this purpose, the counting will commence early in the morning.

6.2 While the counting of votes for an Assembly Constituency will be done at one place, the counting of votes for election to the House of the People may be done in more than one place, i.e. in all the places fixed for the counting of votes of the Assembly Constituencies comprised within that Parliamentary Constituency.

6.3 If the votes for a Parliamentary Constituency are counted at more places than one, the Returning Officer will inform you or your election agent sufficiently in advance so that you may appoint a separate set of counting agents for each such place.

6.4 In the simultaneous elections to the Lok Sabha and the State Legislative Assembly, the counting of votes will be done simultaneously, assembly segment-wise. In such event, the candidates for parliamentary and the assembly elections will be permitted to appoint their counting agents separately.

7. PERSONS ALLOWED IN COUNTING HALL

Only the following persons will be allowed inside the counting hall:-
(i) counting supervisors and counting assistants;
(ii) persons authorized by the Election Commission;
(iii) public servants on duty in connection with the election;
(iv) yourself, your election agent and counting agents.

N.B. (1) The 'public servants on duty' will not include the Police Officers, whether in uniform or without uniform (unless called for by the Returning Officer for maintenance of law and order or other duty), Ministers, State Ministers and Deputy Ministers of the Union and States and the Speaker/Chairman of the Lok Sabha/Rajya Sabha/State Legislative Assemblies/Legislative Councils.

(2) No security personnel accompanying, if any, a candidate or his election agent or counting agent shall be permitted to enter the Counting Campus and Counting Hall.

8. NUMBER OF COUNTING AGENTS THAT MAY BE APPOINTED

8.1 Each candidate has been allowed to appoint as many counting agents as there are counting tables and one more to watch the counting at the Returning Officer’s table. Under the instructions of the Election Commission, not more than fourteen tables in addition to one table for the Returning Officer can be provided for counting in one counting hall. The number of counting agents that may be appointed by a candidate may not ordinarily exceed fifteen, as the number of counting tables may also not ordinarily exceed fifteen, including the table of the Returning Officer.

8.2 The Commission may, however, by a general or special direction permit the Returning Officer to provide tables more than fifteen. In that event, you will
also be permitted to appoint counting agents more than fifteen and equal to the number of counting tables provided by the Returning Officer.

8.3 As mentioned above, the Returning Officer will intimate in writing to each candidate or his election agent, at least one week before the date fixed for the poll, the place or places where the counting of votes will be done and date and time at which the counting will commence. He will also inform them sufficiently in advance about the number of counting tables that will be provided in the counting hall, so that they may appoint their counting agents accordingly.

8.4 The above mentioned limit in regard to the maximum number of counting agents will apply separately in respect of each counting place when counting is done at more places than one.

9. QUALIFICATION FOR COUNTING AGENTS

9.1 The law does not prescribe any specific qualifications for persons to be appointed as counting agents. However, the candidates are advised to appoint mature and major persons as their counting agents so that their interests are properly watched.

9.2 However, a Minister/M.P./MLA/MLC or any other person being covered by security cover, shall not be appointed as a counting agent, as his personal security shall be jeopardized with such appointment, because his security personnel will not under any circumstances be permitted to accompany him into the “Counting Campus” and within the Counting Hall. Also any person having security cover will not be allowed to surrender his security cover to act as such agent of a candidate.

9.3 A Government servant also cannot act as counting agent of a candidate and if he so acts, he is punishable with imprisonment for a term, which may extend to 3 months or with five or with both.

10. APPOINTMENT OF COUNTING AGENTS

10.1 Appointment of a counting agent is to be made either by you yourself or your election agent. Such appointment is made in Form 18 appended to the Conduct of Elections Rules, 1961 (Appendix XXIII). The name and address of the counting agent will be filled in that form and you or your election agent will personally sign that form. The counting agent will also sign that form in token of his acceptance of the appointment. Two copies of such forms will be prepared and signed, in all cases. One copy of that form is to be forwarded by you/your election agent to the Returning Officer while the other copy is given to the counting agent for production before the Returning Officer.

10.2 You may appoint all your counting agents by a single letter of appointment in Form 18. In that case, all the counting agents are required to sign that letter of appointment in token of having accepted the appointment.
10.3 Your facsimile signature in the form of appointment is also accepted if there is no doubt about the signature.

11. TIME LIMIT FOR MAKING APPOINTMENT OF COUNTING AGENT

11.1 The Election Commission has directed that in all constituencies irrespective of the number of contesting candidates in the constituency, the candidates should submit the list of their counting agents with photographs of such agents to the Returning Officer latest by 1700 hours on the day three days before the date of counting. The Returning Officer will prepare identity cards for such agents and issue the same to the candidate.

11.2 The counting agent must produce those identity cards along with their letter of appointment when they come to attend the counting.

11.3 The letter of appointment along with the identity card of counting agent must be produced before the Returning Officer at least one hour before the time fixed for counting of votes. The Returning Officer will not accept any appointment letter which is received after the aforesaid time.

12. REVOCATION OF APPOINTMENT OF COUNTING AGENT

12.1 You or your election agent are authorized to revoke the appointment of a counting agent.

12.2 Such revocation of appointment is made in Form 19 appended to the Conduct of Elections Rules, 1961 (Appendix XXIV) and becomes operative from the time at which it is lodged with the Returning Officer. In such a case, you are authorized to appoint another counting agent in place of the one whose appointment has been revoked, at any time before the commencement of counting. Once the counting has commenced no appointment of fresh counting agent can be made.

12.3 Appointment of such fresh counting agent is to be made in the same manner as explained in para 8 above.

13. ADMISSION OF COUNTING AGENTS TO THE COUNTING HALL

13.1 On production of his letter of appointment and the identity card before the Returning Officer, the counting agent will be required to sign before the Returning Officer the declaration contained in his letter of appointment regarding maintenance of secrecy of voting. After verification of the letter of appointment, identity card and declaration, the Returning Officer will permit the counting agent to enter the counting hall.

13.2 The Returning Officer is empowered to subject any counting agent to search of his person before entry into the counting hall.

14. BADGES FOR COUNTING AGENTS
Each counting agent will be given a badge by the Returning Officer indicating whose agent he is and showing the serial number of the table at which he will
watch the counting. He should keep sitting at the table allotted to him and will not be allowed to move about all over the hall. However, you, your election agent and in their absence, your polling agent at the Returning Officer’s table will be allowed to go around all counting tables.

15. MAINTENANCE OF DISCIPLINE AND ORDER IN THE COUNTING HALL

15.1 Every one should cooperate with the Returning Officer in maintaining discipline and order inside the counting hall. They should not leave the counting hall without the permission of the Returning Officer. They should carry out all directions given by the Returning Officer. They should note that the Returning Officer may send out of the counting hall any person who persists in disobeying his directions.

15.2 No counting agents and others will be allowed to go outside the counting hall during counting process. In other words, when once counting agents and others are inside the counting hall, they will ordinarily not be allowed to go outside until after the declaration of result.

15.3 All the reasonable facilities for drinking water, refreshment, toilet, etc., will be provided adjacent to the counting hall.

16. SMOKING IN COUNTING CAMPUS AND COUNTING HALL IS PROHIBITED.

Your attention is invited to Section - 4 of the Cigarettes and other Tobacco Products (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003 Act (No. 34 of 2003) which prohibits smoking in any “public place”. Hence, the Election Commission directs that no person shall be allowed smoking in the Counting Campus and Counting Hall.

17. SEATING ARRANGEMENT FOR COUNTING AGENTS

17.1 The counting will be done on the table arranged in rows. The tables in each row will be serially numbered.

17.2 On each counting table the control unit of the voting machine will be kept at its centre. There will be a counting Supervisor and one counting Assistant seated on one side. The counting agents may be seated in front of the table facing the control unit so that they can watch all operations being carried out by the counting supervisor on the control unit.

17.3 On each counting table, the seating arrangement for the counting agents shall be made having regard to the following categories or priority, namely:-

(i) candidates of recognised National parties;
(ii) candidates of recognised State parties;
(iii) candidates of recognised State parties of other States who have been permitted to use their reserved symbols in the Constituency;
(iv) candidates of registered-unrecognised parties;
(v) independent candidates.
18. MANAGEMENT OF COUNTING HALLS AND SECURITY THEREOF

18.1 A counting Centre means a place where counting of votes will be done and may have one or more Counting Halls.

18.2 A counting Hall means a separate room walled on all sides and preferably with separate exit and entry facilities.

18.3 Where pre-constructed separate rooms are not available but large rooms are proposed to be divided for creating Halls, each part constituting a Hall will be separated by temporary partitions. These partitions will be of strong material, but preferably CGI sheets only. Where the owners of the Building have objections to dig holes on the floor, a suitable rigid frame, with CGI sheets fixed on two sides, may be used. The point to be ensured is that after the necessary portioning, each Hall is an independent room walled on all four sides. It should not only be not possible for persons to move out from a Hall without coming out of it, but it should be impossible to slip any materials from one Hall to other through the partitions. On both sides of the partitions, guards should be posted to ensure that these are not disturbed.

18.4 Each counting center will have a distinct number and within each Counting Centre each Hall will have a distinct number.

18.5 Each Hall, as defined earlier, will be used for counting for only one Assembly Segment at a given point of time. The counting of one assembly segment can be taken up in maximum of two Halls provided that in one hall the physical distribution of space does not allow placing of more than 8 tables (including the table of the RO/ARO). IN cases where the size of the electorate in an Assembly segment is unusually large a maximum of 15 tables each can be put in two Halls for that Assembly segment. All such cases will be personally scrutinized by the DEO and the observers after taking into account all relevant factors such as number of candidates, number of counting agents etc.

BARRICADING OF COUNTING TABLES

18.6 In each counting hall, barricades will be provided for each counting table so that the voting machines are not handled by the counting agents. However, counting agents will be provided all reasonable facilities to see the whole counting process at the counting table. The Returning Officer will ensure that the barricades are transparent or that the space in between or above the bamboos or other material used for purpose of erecting barricades is adequate to permit full viewing of the counting process. The exact manner in which barricades may be erected is left to the discretion of the Returning Officer who has to adopt such approach as he may deem fit for attaining the objective of ensuring that the voting machines are not handled by unauthorized persons or tampered with in any manner in process of counting.

18.7 In cases where two Halls are being used to count an Assembly segment the Polling Station numbers will and pre-allotted to the two Halls (each room being one separate Hall) in advance.
18.8 Assembly Segments must be pre-allotted to Halls and this allotment made known to all concerned in advance.

18.9 If the total number of Halls is less than the total number of Assembly Segments for a Parliamentary Constituency, the sequence of counting will be as per the ascending AC numbers. Thus, if there are seven such AC segments in a PC and only three Halls, then segments with the three lowest serial numbers will be taken up for counting in the three Halls available. As soon as counting is completed in respect of one Assembly Segment in a particular Hall and after necessary clearance of the Hall, counting for the next AC pre-allotted to the Hall will be taken up therein.

18.10 Under no circumstances, more than one AC segment will be taken up for counting simultaneously, inside one Hall, and, under no circumstances, Electronic Voting Machines (or Ballot Papers) of more than one AC segment will be physically available for counting purposes inside one Hall at any time.

18.11 The Commission has already prescribed limits for the number of counting tables, which can be placed inside a Hall. Important considerations for deciding on the number of counting tables would be the number of Polling Stations, size of the room, the number of counting agents, as per the number of candidates, and the total number of counting personnel proposed to be deployed and the security aspects.

18.12 The upper limit of 15 tables (including the Table of Returning Officer) in a counting HALL will not be increased under any circumstances. A lower actual limit may be fixed taking into account all relevant factors.

18.13 Observers of the Commission will undertake detailed inspection of counting centers during their visit and ensure that the counting Halls have been planned as per the above instructions and Assembly segments have been accordingly pre-allotted to each Hall. They should also obtain relevant drawings of each counting centres and keep it as a part of the record for their final report.

18.14 The Counting Halls, including partitions as planned, should be got ready at least three clear days, ahead of the date of counting. These rooms should be located in a manner that the smooth flow of polled EVMs and other papers to and from the strong room are not interrupted by the presence of non-officials and media persons.

18.15 Three tier cordon system should be set up in all counting centers to prevent the entry of unauthorized persons inside the counting centers. No counting agent without proper identity card having the photograph, duly displayed on its person, shall be allowed to cross the first cordon of the counting centre. Similarly, the identity of all candidates, their election agents and of all the counting staff shall also be thoroughly verified with reference to their identity cards at the first cordon itself. A senior Magistrate shall be posted at the entrance to control crowd and regulate entry.
18.16 Before allowing the entry of the candidates, their agents and other officials whose identities have been established by means of identity card to the second cordon, proper frisking should be made by the security personnel. The frisking shall be done by State police force personnel only. Women shall be frisked only by women police personnel/women Home Guards. There should be no further frisking.

18.17 The holders of the authority letters, while covering the counting process, can and should be allowed to come out of the counting hall(s) if they so desire, during the counting. They should also be allowed to re-enter on the basis of the very same authority letters. All entry at all times however, is subject to the over-all requirement of maintenance of law and order, proper decorum and the conduct of peaceful counting. Limited coverage of short duration by manageable audio/visual groups can be allowed and the groups, may be conducted by the official designated for this purpose by the officers in charge of counting.

18.18 No static (fixed) camera – still or video of the media is allowed inside any counting hall. No camera stand should thereof be allowed to be taken inside counting halls. Further, while taking audio visual coverage of the counting process with camera carried in hand or on shoulders, under no circumstances, the actual votes recorded on an individual ballot papers is to be photographed or covered by audio visual coverage. The exact location up to which the, still and video camera can move, should be indicated by the Returning Officer in advance marked by a line or a string for guidance of all concerned.

18.19 DEOs, and ROS will accordingly make detailed plans and ensure that the arrangements are in position well in time and at least 72 hours before start of counting. This will facilitate dry run of transmission of counting information and system checks by all concerned.

18.20 For ensuring accuracy of the result of counting, a round-wise statement shall be prepared by the Returning Officer in the prescribed proforma as given below. Both the Returning Officer and Observer shall personally verify that the number of votes posted against the name of each candidate in respect of every counting table tally with the figures as shown in Part II of Form 17 ‘C’ (result of counting) pertaining to that table. They shall append their initial below the total of each counting table. A copy of the detailed table-wise polling station-wise round—wise break up of the votes as shown in the said proforma will be kept by the Observer in his folder.

Important:
1. All overwriting/cutting should be certified by observer
2. Polling station number whose votes are counted should be indicated below the table number
3. A copy of this is to be kept by observer in a separate folder for cross checking later.

In addition, a computer will be installed in the Counting Hall where parallel tabulation work will be done in an Excel Sheet to counter check any human error. This data entry will also be done Table wise, Polling station wise and Round wise. Even though computer tabulation will not substitute the manual tabulation being done for obtaining final result of the counting of votes, the Computer based parallel tabulation/totaling will be helpful as a double check on the accuracy of manual tabulation.

18.21 Next Round of counting should only start after repeat after all tables of previous round have finished counting and their result sheets are accepted by AROs.

18.22 The Observer/Returning Officer will ensure that the results of table-wise – round-wise counting of votes are immediately displayed prominently on a notice board inside the counting center and announced through public address system. After the counting is completed and the Returning Officer has compiled the final result sheet, the Observer will tally the figures of votes obtained by the candidates with the details of round-wise breakup kept by him in his folder and allow the result to be declared only when the figures tally with each other.

18.23 The Commission has issued detailed instructions on the flow of data through GENESYS. These instructions are to be followed scrupulously by all Returning Officers.

18.24 As soon as the result is declared, the data as contained in Form 21, which is handed over to the winning candidate, will be handed over to the Observer as prescribed by the Commission for immediate communication to the Commission.

18.25 It is important that soon after the counting is finished, the fully reconciled counting data is tabulated and checked thoroughly before the result is formally declared.

18.26 The Observers will ensure that the Final Result Sheet in form 20A is filled by the RO before he declares the result in Form 21 C and sends it to appropriate quarters. One copy each of the Forms 20 A, 21C and 21E duly filled in will be collected by the Observers and attached with their reports on counting.

18.27 Commission has decided that all Observers will keep a close watch on the process of counting of votes and compilation of results. Before the Returning Officer declares result of an election, he/she shall obtain an authorization for declaration of result from the Observer concerned. Every Observer shall completely satisfy himself/herself about the fairness of counting of votes and complete accuracy of compilation of result. After having done so, he/she shall issue an authorization to the concerned Returning Officer in the following format for declaration of result :-

“___________________________ Observer (Code________), For ______________________Assembly Constituency after having satisfied myself about the fairness of counting of votes and complete accuracy of compilation of
result in Form-20 hereby authorize the Returning Officer for ____________________________ Assembly Constituency to declare the result."

Signature of the Observer ________________________________
Name of the Observer ________________________________
Code of the Observer ________________________________
Assembly Constituency No. & Name _____________________

18.28 No Returning Officer shall declare the result without receiving the authorization in the format as detailed in Para 36 above from the Observer. It shall be the personal responsibility of the Observer and Returning Officer to ensure fairness of counting of votes and accurate compilation of results.

18.29 It shall be the personal responsibility of the concerned District Election Officer to ensure that all the abovementioned instructions are strictly complied with and brought to the notice of all the Returning Officers, Observers, Candidates, Counting Agents etc sufficiently before the commencement of the Counting.

19. MAINTENANCE OF SECRECY

19.1 Every person inside the counting hall is required by law to maintain, and aid in maintaining, the secrecy of voting and should not communicate to any person any information calculated to violate such secrecy. They should note that any person contravening the provisions of law in this respect is liable to be punished with imprisonment for a term which may extend to 3 months or with fine or with both (Section 128 of the R.P. Act, 1951)

19.2 Before the commencement of the counting of votes, the Returning Officer will read out and explain the provisions of the above mentioned section 128 for the information of all present and for compliance on their part.

20. COUNTING TO BE CONTINUOUS

The counting of votes will, as far as practicable, be proceeded with continuously till it is over.

21. COUNTING OF POSTAL BALLOT PAPERS FIRST

21.1 The counting of postal ballot papers will be taken up first. This will be done by the Returning Officer himself at the place of counting of votes in the case of election from an Assembly Constituency, and at the place where the results of the various assembly segments of a Parliamentary Constituency are consolidated in the case of election to the House of the People.

21.2 Each postal ballot paper received from a voter will be contained in an inner cover in Form 13-B. This cover along with the declaration of the elector in Form 13-A will be contained in larger cover in Form 13-C addressed to the Returning Officer.

21.3 The Returning Officer will not open any cover in Form 13-C containing a postal ballot paper which he may have received late, that is, after the time fixed for the commencement of counting. He will make a suitable endorsement to that effect on the cover in Form 13-C. The votes contained in
these covers will not be counted. He will make a packet of all such covers and seal the packet.

21.4 All covers in Form 13-C containing postal ballot papers which were received in time by the Returning Officer will be opened by him one after another. The declaration by the voter in Form 13-A will be found inside each cover (Form 13-C). Before opening any of the inner covers (Form 13-B) containing the postal ballot papers proper, the Returning Officer will check the declaration (Form 13-A). He will reject a ballot paper without opening its inner cover (Form 13-B) in any of the following cases:
(a) if the declaration in Form 13-A is not found in the cover in Form 13-C;
(b) if the declaration has not been duly signed by the elector or has not been duly attested by an officer competent to do so or is otherwise substantially defective;
N.B.: It may be noted that it is not necessary under the rules that the officer attesting the declaration should affix his seal and the objection should not, therefore, be raised on this ground if the identity of the attesting officer is otherwise known from the particulars about his designation, address, etc., furnished in the form.
(c) if the serial number of the ballot paper appearing on the declaration is different from the serial number as endorsed on the inner cover in Form 13-B.

21.5 All such rejected covers in Form 13-B will be suitably endorsed by the Returning Officer, and will be replaced with the respective declaration in the larger covers in Form 13-C. All such larger covers will be kept in a separate packet which will be sealed by the Returning Officer and full particulars such as the name of the constituency, the date of counting and a brief description of the content will be noted thereon for identifying the packet.

21.6 Thereafter, the Returning Officer will proceed to deal with the remaining covers in Form 13-B, i.e., other than those rejected as aforesaid. In order that there may be no risk of the secrecy of the postal votes being violated, all the declaration in Form 13-A which are found by the Returning Officer on scrutiny to be in order will first be placed in a separate packet and sealed. Identifying particulars will be noted on the packet. It is necessary to put these declarations away in a sealed packet before any ballot papers proper are brought out of their covers in Form 13-B, as the declarations contain the names of the voters along with the respective serial numbers of their postal ballot papers.

21.7 After the above procedure has been completed, the Returning Officer will proceed to open the covers in Form 13-B one after another and the postal ballot papers contained in them will be brought out. The Returning Officer will scrutinize every such ballot paper and decide its validity.
A postal ballot paper will be rejected:-
(a) if no vote is recorded thereon; or
(b) if votes are given on it in favour of more than one candidate; or
(c) if it is a spurious ballot paper; or
(d) if it has been so damaged or mutilated that its identity as genuine ballot paper cannot be established; or
(e) if it is not returned in the cover sent along with it to the elector by the Returning Officer; or
(f) if the mark indicating the vote is made in such a way that it is doubtful to make out to candidate to whom the vote has been given; or
(g) if it bears any mark or writing by which the voter can be identified.

21.8 There is no particular mark required by law to be made by a voter to indicate his vote on a postal ballot paper. Any mark can be accepted as valid so long as it has been so made and so placed on the ballot paper that the intention of the voter to vote for a particular candidate is clear beyond any reasonable doubt. Thus a mark made anywhere in the space allotted to a candidate will be taken as a valid vote in favour of the candidate concerned. Again, a vote recorded on a postal ballot paper will not be rejected merely on the ground that the mark indicating the vote is indistinct or made more than once for the same candidate, if the intention that the vote should be for a particular candidate clearly appears from the way the paper is marked.

21.9 The valid votes will then be counted and each candidate credited with the votes given to him. The total number of postal votes received by each candidate so counted, will be entered in the result sheet in Form 20 and announced for the information of the candidates/election agents/counting agents.

21.10 Thereafter all the valid postal ballot papers and all the rejected postal ballot papers will be separately bundled and kept together in a packet and sealed with the seal of the Returning Officer and the seals of such of the candidates, their election agents or counting agents (not exceeding two in respect of any one candidate) as may desire to affix their seals thereon.

22. COUNTING OF VOTES POLLED AT POLLING STATIONS

22.1 While the postal ballot papers are being counted by the Returning Officer at his table, the counting of votes recorded at polling stations by means of voting machines will also be taken up by the Assistant Returning Officer(s) at the other tables provided in the counting hall. For that purpose, the control units of voting machines received from the polling stations will be distributed to the various counting tables, beginning with the control unit of voting machine of polling station No. 1 being distributed to table No. 1, the control unit of voting machine of polling station No.2 being distributed to table No.2 and so on. At each counting table, votes cast at one polling station shall be taken up at a time. Thus, the counting of votes of as many polling stations as there are the number of counting tables will be simultaneously taken up in the first round of counting. The counting will be done and completed in as many rounds as are necessary having regard to the number of counting tables and number of polling stations. The control units for the next round will not be brought on the counting tables, unless the counting of the previous round is over. In case of simultaneous elections the total number of counting tables should be divided into two groups of equal number of tables. The first group should be for Assembly election and the other group for the Parliamentary election. For example, if the total number of counting tables is 14 (fourteen), in the first
round of counting, control unit for Assembly election used at polling station No.1 should be given to table number 1 and the control unit used for Lok Sabha election at polling station number 1 should be given to table number 8, i.e. the first table for the counting of votes for Lok Sabha election and control unit for Assembly election used at polling station number 2 should be given to table number 2 and the control unit used for Lok Sabha election at polling station number 2 should be given to table number 9, i.e., the second table for the counting of votes for Lok Sabha election and so on. You or your counting agent should keep an account of such distribution with you for your/his information. It is to be noted that in the case of counting for simultaneous elections, the next round of counting shall be taken up only after the counting in the previous round, in respect of both assembly and parliamentary elections is completed and control units used in the polling stations covered by round completed are removed from the counting tables.

22.2 At the time counting, only the control unit of the voting machine is required for ascertaining the result of poll at the polling station at which the control unit has been used. The ballot unit is not required.

22.3 Along with the control unit used at a polling station, the relevant account of votes recorded in Form 17C pertaining to that polling station will also be supplied to the counting table.

23. OPENING OF CARRYING CASES OF CONTROL UNITS
As each carrying case of control unit is brought to the counting table, the seals put thereon by the Presiding Officer at the polling station will be examined. Even if the seal of a carrying case is not intact in any case, the control unit kept therein could not have been tampered with, if the seals thereon and particularly the green paper seals on that unit are intact. The carrying case will then be opened and the control unit taken out and placed on counting table for the inspection and checking of seals thereon by the candidates or their agents present at the counting table.

24. CHECKING SEALS ON CONTROL UNITS
Before the votes recorded in any control unit of a voting machine are counted, the counting agents present at the counting table shall be allowed to inspect the outer strip seal, the special tag, the paper seals and such other vital seals as may have been affixed on the carrying case and the control unit and to satisfy themselves that the seals are intact and control unit has not been tampered with. If any control unit is found to have been tampered with, the votes recorded in that machine shall not be counted and the matter shall be reported to the Commission for its directions.

25. CHECKING OF SEALS AND IDENTITY MARKS ON THE CONTROL UNIT
As each control unit is taken out of the carrying case, its serial number will be checked so as to ensure that it is the same control unit which was supplied for use at that polling station. Then, the seal on the 'Candidate Set Section' which is put by the Returning Officer before the supply of the machine to the polling station and the seal on the outer cover of Result Section which is put by the Presiding Officer at the polling station will be checked. Even if any of these
seals is not intact the control unit could not have been tampered with, if the green paper seals put on the inner cover of the Result Section are intact.

26. COMPARISON OF THE SERIAL NUMBER OF THE PAPER SEAL

26.1 On opening the outer cover of the Result Section, the inner cover sealed with the seal of the Presiding Officer will be seen. Even if this seal is also not intact, the control unit could not have been tampered with if the green paper seal is intact and has not been tampered with. In the inner cover of the Result Section, there will be a green paper seal (two green paper seals in the case of machines manufactured by Bharat Electronics Limited, Bangalore before 2006). The green paper seal will have been so fixed that the two open ends of the seal project outwards from the sides of the inner compartment in which the result buttons are located. On one such open end of the paper seal will be the printed serial number of that seal. That serial number on the paper seal will be compared with the serial number as given in the paper seal account prepared by the Presiding Officer in item 9 of Part 1 of Form 17C. The counting agents present at the counting table will be allowed to compare such serial number of the paper seal and satisfy themselves that the paper seal is the same which had been fixed by the Presiding Officer at the polling station before the commencement of poll.

26.2 If the serial number of the paper seal actually used in the control unit does not tally with the serial number as shown by the Presiding Officer in the paper seal account, it may be that the paper seal account contains a clerical mistake or there would be a prima-facie suspicion that the voting machine has been tampered with. The Returning Officer will decide the question by checking the serial numbers of the unused paper seals returned by the Presiding Officer. If he finds it to be the case of clerical mistake, he will ignore the discrepancy.

27. CONTROL UNITS TO BE KEPT APART IF FOUND TAMPERED WITH

On the other hand, if the Returning Officer is satisfied that the voting machine has been tampered with, or is not the same which was supplied for use at that polling station, the machine will be kept apart and the votes recorded therein shall not be counted. He will report the matter to the Commission for its directions. Under the law, it is not necessary to adjourn the entire counting if any voting machine has been found to have been tampered with. The Returning Officer will proceed with the counting in respect of the other polling stations.

28. ASCERTAINING THE RESULT

28.1 After satisfying that the paper seal is intact and that the control unit is the same as was supplied at the polling station and that there is no tampering with the same, the votes recorded therein shall be counted. For this purpose, the following procedure will be followed by the counting supervisor:-

(i) Power switch provided in the rear compartment of the control unit will be put to 'ON' position. The 'ON' lamp in the 'Display Section' of the control unit will then glow green.
(ii) The paper seal over the 'Result I' button provided beneath the upper aperture of the inner cover of Result Section will be pierced through.

(iii) The 'Result I' button will then be pressed.

(iv) At the 'Result I' button being so pressed, the total number of votes recorded for each candidate at the polling station shall be displayed automatically in the Display Panels of the control unit. Supposing, there are nine contesting candidates and the total number of votes polled at the polling station is 758, the votes secured by each candidate will be displayed in the Display Panels in the following sequence:

```

(This is only an example)

N.B. Result II Button is not used as for a simultaneous poll, a separate CU is used.

(v) The above result as displayed sequentially candidate-wise shall be noted by the counting supervisor in Part II - Result of Counting of Form 17C.
28.2 If required, the 'Result I' button can be pressed again to enable the candidates and/or their agents to note down the above result.

28.3 After the result has been noted, the cover of Result Section will be closed and the control unit switched off.

29. COMPLETION OF "PART II-RESULT OF COUNTING" OF FORM 17C

29.1 As the votes secured by each candidate are displayed on the Display Panels of the control unit, the counting supervisor shall, as mentioned above, record the number of such votes separately in respect of each candidate in 'Part II – Result of Counting' of Form 17C. He shall also note down in the said Part II of Form 17C whether the total number of votes as shown in that part tallies with the total number of votes shown against Item 5 of Part 1 of that Form or any discrepancy has been noticed between these two totals. After completing that Form in all respects, the counting supervisor shall sign it. He shall also get it signed by the candidates or their agents present at the counting table. A sample of Form 17C is given at Appendix - XXI.

29.2 After the counting supervisor has duly filled in Part II of Form 17C, signed it and got it signed by the candidates or their agents, he shall handover that Form to the Returning Officer. The Returning Officer shall countersign the form after satisfying himself that the same has been properly filled and completed in all respects. The Form so countersigned by the Returning Officer shall be sent to the officer who is compiling the final result and preparing the Final Result Sheet in Form 20.

30. PREPARATION OF FINAL RESULT SHEET

30.1 The officer in-charge of compiling the final result and preparing the Final Result Sheet in Form 20 (Appendix - XV) shall make entries in that Form showing the votes polled by each candidate polling station-wise, strictly in accordance with the entries made in Part II – 'Result of Counting' of Form 17C in respect of each polling station. The number of tendered votes polled, if any, at a polling station shall also be noted in the appropriate column in Form 20 (Appendix - XV) against the polling station concerned.

30.2 The entries so made in Form 20 in respect of each polling station shall be announced so that the candidates and their agents may take note of the result of counting in respect of each polling station. Alternatively, the Returning Officer may cause the entries made in Form 20 to be written on a blackboard. This will enable the counting agent to proceed uninterruptedly with the counting of votes at other polling stations.

31. RECOUNT

31.1 Normally, there will be no question of recount of votes recorded in the voting machines. Every vote recorded by the voting machines is a valid vote and no dispute will arise as to its validity or otherwise. At the most, some candidates
or their agents may not have noted down properly the result of voting at any particular polling station when the control unit displayed that information. If necessity arises for re-verification, the same can be done by pressing the ‘Result I’ button whereupon the result of voting at that polling station will again be displayed in the Display Panels of that control unit.

31.2 Despite the necessity for recount being totally eliminated by the use of voting machines, the provisions relating to recount contained in rule 63 of the Conduct of Elections Rules, 1961 still apply in relation to all constituencies.

31.3 Accordingly, after the entire counting is over, the Returning Officer will announce the result giving the total number of votes polled by each candidate as recorded in the Final Result Sheet (Form 20). After the announcement is made, you, or in your absence your election agent or any of your counting agents, may apply in writing for a recount of recorded at all or any of polling stations stating the grounds on which he demands such recount. For this purpose, the Returning Officer will announce the exact hour and minute, up to which he will wait for receiving the written application for recount. When such an application for recount is made, the grounds urged for the recount will be considered and a decision taken by the Returning Officer. He may allow the application in whole or in part if it is reasonable or he may reject it in toto if it appears to be frivolous or unreasonable. The decision of the Returning Officer will be final. If, in any case, an application for recount either wholly or in part is allowed, the Returning Officer will direct counting of the votes over again. The postal ballot papers may also be recounted if a request is made for their recount and such a request is allowed by the Returning Officer. After such recount has been completed, the result sheet will be amended to the extent necessary and the amendments so made announced. After the total number of votes polled by each candidate has been announced, the result sheet will be completed and signed.

31.4 It should be noted that you or your election agent or any of your counting agents has no right to demand a recount after the Returning Officer has completed and signed the result sheet. Any demand for a recount of votes made after the result sheet has been completed and signed will be rejected.

31.5 If votes of a Parliamentary Constituency are counted at more places than one, then, according to rule 65 of the Conduct of Elections Rules, 1961, demand for recount of votes can be made only at the end of counting at the last place fixed for the purpose. Such last place would generally be the Headquarters of the Returning Officer where he would be collating and consolidating the results of the various Assembly segments comprised within that Parliamentary Constituency.

32. ADJOURNMENT OF COUNTING IN CASE OF FRESH POLL

32. Before taking any of the steps mentioned in the foregoing para, the Returning Officer will wait for the direction of the Election Commission if he has made any report to it about any voting machine having been found tampered with as mentioned earlier in para 25 above. Where the Commission directs a fresh
poll to be taken at the affected polling stations the counting will be adjourned after the counting process in respect of all other polling stations has been completed. In such case all the voting machines and also all other papers relating to elections will be sealed by the Returning Officer. Every candidate or his agent, if he desires to place his seal on every voting machine and packet etc., in which the election papers are kept, will be allowed to do so. The counting so adjourned shall be recommenced after the fresh poll has been held, on such date and hour as the Returning Officer may fix in this behalf and completed in accordance with the procedure prescribed above.

332. RESEALING OF VOTING MACHINES AFTER COUNTING

33.1 After the result of voting recorded in a control unit has been ascertained candidate-wise and entered in 'Part II – Result of Counting' of Form 17C and in the Final Result Sheet in Form 20, the control unit shall be resealed with the seal of the Returning Officer and the secret seal of the Commission.

33.2 The resealing will be done in such a manner that the result of voting recorded in the control unit is not cleared or obliterated and the unit retains the memory of such result.

33.3 The aforesaid resealing of control units shall be done in the following manner:-
   (i) The battery from the 'Candidate Set Section' of the control unit shall be removed. After the removal of the battery, the cover of the 'Candidate Set Section' shall be resealed.

33.4 The candidates/their election agents or counting agents are also permitted to affix their seals on the voting machines, if they so desire. The candidates are advised in their interest to ensure that they affix their seals on these machines. It will satisfy their candidates that there is no possibility of the votes
recorded therein being tampered with. Where, however, the candidate himself or his election agent has affixed such seal, the counting agents need not affix their separate seals.

34. EQUALITY OF VOTES

In case of tie, the result will be decided by lot.

Example- If in a constituency A, B, C and D are the contesting candidates and the total number of votes they have secured is as follows-
A - 12,703
B - 17,567
C - 17,567
D - 16,394.

A lot will be draw between B and C, who have each polled the highest number of votes (which are equal) and the person whose name is drawn will be deemed to have polled one additional vote.
The Returning Officer will then complete and sign the result sheet.

35. DECLARATION OF RESULT OF ELECTION

35.1 After the counting is complete in all respects and the Returning Officer has completed and signed the Final Result Sheet, he will proceed to formally declare the result of election, if there is no direction of the Commission to the contrary. He will make the declaration of result in Form 21C in the case of general election, and in Form 21-D in the case of bye-election.

35.2 In case the Commission has issued any direction withholding the declaration of result in any Constituency until its further direction, any declaration of result by the Returning Officer in contravention of any such direction shall be null and void ab initio.

36. CERTIFICATION OF ELECTION

Soon after the declaration of result, the Returning Officer will grant to the returned (elected) candidate a certificate of election in Form 22 and obtain from him an acknowledgement of its receipt duly signed by him. In case he is not present at the time of declaration of result, he should immediately contact the Returning Officer and obtain the certificate of election.

In this connection the Commission has decided that-

1) the certificate of election, in respect of both Parliament and the State Legislatures, should be issued in English or in Hindi but it should be open to the elected candidate to sign the acknowledgement in any language he likes;

2) where the elected candidate is not present at the counting nor visits the locality shortly thereafter, the certificate may be handed over to a person duly authorized by the candidate in this behalf and personally known to the Returning Officer, the acknowledgment (duty signed by the candidate) being also obtained through the same person.

The acknowledgment shall be in the form shown below:
I acknowledge receipt of the certificate of election in Form 22 in respect of my election to constituency, declared on 

Signature of the returned candidate
Attested and forwarded to the secretary

Returning Officer

The acknowledgement is required by the authorities concerned for verifying the identity of the elected candidate at the time of his making and subscribing oath or affirmation before taking his seat in the House.

CHAPTER XVIII
ACCOUNTS OF ELECTION EXPENSES

1. INTRODUCTORY

1.1 Under Section 77 of the Representation of the People Act, 1951, every candidate at an election to the House of the People or State Legislative Assembly is required to keep, either by himself or by his election agent, a separate and correct account of all expenditure in connection with the election incurred or authorized by him or by his election agent between the date on which he has been nominated and the date of declaration of result of the election, both dates inclusive.

1.2 Further, under section 78 of the said Act, every contesting candidate has to lodge a true copy of the said account within 30 days from the date of declaration of result of the election, with the District Election Officer in all states and Union Territories).

1.3 In order to ensure that all candidates comply with the requirements of law relating to maintenance of accounts of election expenses and filling of their returns of election expenses in the manner and within the time required by law, the Returning Officer has been instructed in Hand Book for Returning Officers to invite the attention of each candidate to the above provisions of law in writing. This is done by him by addressing a letter to each candidate as in Appendix - XXX as soon as he files his nomination paper.

1.4 From 1993 onwards, the Commission has been modifying the format in which the candidates are to file their accounts of election expenses. THE CURRENT FORMAT WAS CIRCULATED WITH THE COMMISSION'S LETTER NO. 76/2003/J.S.-II, DATED 24.10.2003. COPY OF THE PRESCRIBED FORMAT IS GIVEN AT Appendix XXXI-A

1.5 A candidate is required to maintain the day to day account of election expenses in a register giving the details of the expenditure incurred/authorized by (i) political party which has set him up, and (ii) any other political party supporting him, (iii) any other association/organization/body supporting him, and (iv) any other individual supporting him. The standard format of the register for maintenance of day to day accounts and the format for furnishing abstract statement of details of expenditure by political parties, other associations, etc. are given at Appendix XXXI-A.

1.6 You should note that the law relating to expenditure incurred by a candidate in an election has been amended vide the “Election and Other Related Laws (Amendment) Act, 2003. As per the new Explanations 1 and 2 inserted under Section 77(1) only the expenses on account of travel of 'leaders' of political parties covered under Explanation 2 will be exempted from being included in the account of election expenses of a candidate. For this purpose, the political parties are required to submit the list of their 'leaders' to the Election Commission and the Chief Electoral Officer within seven days from the date of notification of the election. All other expenses – incurred/authorized by the political parties, other associations, body of persons, individuals – are required
to be included in the account of the candidate. The Chief Electoral Officer and the Commission will communicate to you the names of such political leaders whose expenses on travel are to be excluded from the accounts of a candidate. You are not to entertain any such list directly from any political party.

1.7 When such a leader who happens to be a candidate himself travels in his constituency for election campaigning to promote his own election prospect, the expenses incurred in connection with the journey has to be treated as part of his election expenses and cannot be exempted from the election expenditure account of that person.

1.8 A political party can nominate only those persons who are members of that party as its leaders for the purposes of Explanations 1&2 to Section 77(1). In other words, a person who is not a member of the party cannot be nominated as ‘leader’ of the party for the purposes of Section 77(1).

1.9 The Commission has directed that as soon as a candidate files his nomination paper, a register in the standard proforma as given in Appendix XXXI-A shall be issued by the Returning Officer to the candidate or his duly authorised agent against a proper receipt thereof. Each register will be duly numbered and authenticated by the District Election Officer. The candidate shall maintain his day-to-day account of election expenses in that register itself and in no other document. That register containing his account shall itself be filed by the candidate with the District Election Officer as his account of election expenses within 30 days from the date of declaration of result of election as required under the law. The day-to-day account in the Register shall also be accompanied by the abstract statement showing the details of expenditure in the prescribed format.

1.10 The account filed by a contesting candidate is also required to be accompanied by an affidavit from the candidate in the prescribed proforma in Appendix XXXI-B, which is also part of the model proforma given in Appendix XXXI-A mentioned above.

1.11 A copy each of the said order dated 24th October 2003 is furnished by the Returning Officer to each candidate as soon as he files his nomination paper, along with the register, Parts I to VI of the model proforma for furnishing the abstract statement of election expenses and the form of the affidavit and the letter mentioned in para 1.3 above.

1.12 You will be asked to acknowledge the receipt of the said letter and its enclosures including the abovementioned register then and there.

1.13 All the acknowledgements obtained from the candidates will be sent by the Returning Officer to the District Election Officer for his record within one week from the expiry of the last date for the withdrawal of candidatures. Only contesting candidates to lodge accounts
1.14 Though under Section 77 every candidate is required to keep an account of his election expenses as aforesaid, under section 78 it is only the contesting candidates who are required to lodge their accounts of election expenses.

1.15 If a candidate contests election for more than one constituency, he is required to keep, and also lodge, a separate account of his election expenses in respect of each such constituency.

2. AUTHORITY WITH WHOM ACCOUNT SHOULD BE LODGED

2.1 In every State and Union Territory, the account of election expenses shall be lodged by a contesting candidate with the District Election Officer of the district in which the constituency from which he contested election lies.

2.2 As some of the assembly and parliamentary constituencies in some State extend over more than one district, the question may arise which District Election Officer should receive the accounts submitted by the candidates in such cases. It is clarified that the accounts of election expenses should be lodged with the District Election Officer of the District, who had provided the polling stations for the constituency. For the information of the candidates the name and designation of the District Election Officer concerned should be published locally indicating the names of constituencies in respect of which he would receive the accounts.

2.3 For the convenience of the contesting candidates, the District Election Officer should also issue a letter to all contesting candidates in every constituency within three days of the date of election of the returned candidate intimating the name designation and address of the District Election Officer with whom the account has to be lodged and also the last date before which the account should reach him.

Election in more than one constituency

2.4 If a candidate contests election from more than one constituency he has to lodge a separate return of election expenses for every election, which he contests. The election for each constituency is a separate election.

3. MAINTENANCE OF ACCOUNT AND PARTICULARS TO BE ENTERED IN ACCOUNT

3.1 The account should contain the following particulars:-
(a) the date on which the expenditure was incurred or authorized;
(b) the nature of the expenditure (as for example, travelling, postage or printing and so on);
(c) the amount of the expenditure, i.e.-
(i) the amount paid;
(ii) the amount outstanding;
(d) the date of payment;
(e) name and address of the payee;
(f) the serial number of vouchers in case of amount paid;
(g) the serial number of bills, if any, in case of amount outstanding;
(h) the name and address of the person to whom the amount outstanding is payable.

N.B. The particulars mentioned in items (e) to (h) above need not be given in regard to any item of expenditure for which it is unnecessary to obtain voucher under paragraph 5.

3.2 All documents such as vouchers, receipts, acknowledgements, etc., in support of the expenditures incurred or authorized shall be obtained from day to day as the expenditure is incurred or authorized and shall be maintained in the correct chronological order along with the abovementioned Register showing day-to-day account.

4. ACCOUNT TO BE MADE AVAILABLE BY CANDIDATE FOR INSPECTION AND DISPLAY

4.1 THE COMMISSION HAS DIRECTED THAT THE DAY-TO-DAY ACCOUNT AS MAINTAINED BY A CANDIDATE IN THE AFORESAID REGISTER TOGETHER WITH THE SUPPORTING DOCUMENTS SHALL BE MADE AVAILABLE BY THE CANDIDATE FOR INSPECTION ON THREE OCCASIONS AT LEAST BETWEEN FINALIZATION OF CANDIDATURE AND THE DATE OF POLL TO THE RETURNING OFFICER, ELECTION OBSERVER APPOINTED BY THE COMMISSION OR ANY OTHER OFFICIAL APPOINTED FOR THIS PURPOSE. THE RETURNING OFFICER SHALL PREPARE A SCHEDULE OF INSPECTION FOR THE CANDIDATES IN THE CONSTITUENCY AND GIVE AN ADVANCE INTIMATION TO THE CANDIDATES ABOUT THE DATES ON WHICH THEY ARE TO PRODUCE THE ACCOUNTS. THE FIRST DATE OF INSPECTION MAY BE ON OR AFTER THE THIRD DAY FROM THE DATE OF WITHDRAWAL OF CANDIDATURE AND THIRD AND LAST DATE MAY BE ON OR BEFORE DATE OF POLL. THERE SHALL BE A GAP OF ABOUT 4 DAYS BETWEEN EACH INSPECTION.

4.2 FAILURE ON THE PART OF A CANDIDATE TO PRODUCE THE REGISTER AND THE SUPPORTING DOCUMENTS FOR INSPECTION ON DEMAND SHALL BE TREATED AS MAJOR DEFAULT ON HIS PART AND HE WOULD BE PROCEEDED AGAINST UNDER SECTION 171-1 OF THE INDIAN PENAL CODE.

4.3 While inspecting the accounts of the candidates as per the schedule of inspection fixed, the Returning Officer will ensure that two photocopies of the relevant pages of the register are retained by the inspecting officer. One copy of the relevant pages will be displayed on Returning Officer’s notice board and the other copy will be retained in a separate file for each candidate constituency-wise as proof of record with him and furnished to the District Election Officer on conclusion of the poll process. In this exercise the Returning Officer shall ensure that the inspection does not become a source of harassment/oppression to the detriment of the electioneering of the candidate which is his legal right.
4.4 The Commission has also directed that a copy of the day-to-day accounts retained by the Returning Officer may be provided to any person desiring a copy on payment of usual copying charges. He will make this known to the candidates and the general public for their information as soon as the process of nomination begins.

Arrangements for scrutinizing accounts

4.5 To facilitate the scrutiny of accounts the Returning Officer will appoint adequate number of designated officers, who have some experience in handling accounts. The locations where these officers will be available should be made known to the candidates at the time they are handed the Register. He will ensure that the designated officers are available at their locations on the appointed days. The Election Observers will also scrutinize the accounts from time to time. Either they will visit the designated officers or call for the records from the designated officers at some central location. The Returning Officer will coordinate the interaction between the Election Observers and his designated officers and it will be ensured by him that all proper records are made available to the Election Observers and the designated officers furnish the requisite information to them.

4.6 It has been the experience in previous elections that the candidates do not disclose the correct value of the different items of expenditure. To preclude the chances of concealment of information it has been found useful to obtain and make available rates of standard items to the designated officers and the Election Observers in advance. The Commission has directed all District Election Officers to make available the rates of the under-mentioned items to all Election Observers immediately on their arrival in the constituency. The list of these items, not exhaustive but illustrative, are as follows:-

EXPENDITURE ON BARRICADES AND ROSTRUMS ETC.

4.7 The expenses on construction of barricades/rostrums etc. when done initially by the government agencies on account of security considerations on behalf of the party organizers are to be booked as expenditure of a candidate in whose constituency the said meeting takes place or to a group of candidates who are present at the time when the leader of a political party addresses such a meeting. In cases where there are more than one candidate of the political party present at the time of the said meeting of the “leader”, the expenditure will be apportioned equally amongst all, and the District Election Officer of the district where such a meeting takes place shall obtain the final costs from the concerned government agencies within three days of the event and intimate to the candidates their private share of expenditure. This information will also be intimated to the Returning Officer/District Election Officer of the Constituency/District to which the other candidates belong.

The proforma of the affidavit to be filed by each candidate is a part of the model proforma (Appendix XXXI-A) mentioned above.

5.4 The account, which is filed should be a true and complete account kept by the candidate or his election agent and should be certified as such as by the candidate himself. A certificate by his election agent is not sufficient and, therefore, even if the account is certified by the election agent, it should again be certified by the candidate himself.

whether in his opinion the account has been lodged within the time and the manner required by the Act and the Rules and Commission’s directions.

11.2 If any candidate has not submitted his account by the time the DEO sends his report, his name should also be included with the remarks that the account has not been lodged.

11.3 Whenever the DEO reports that an account lodged by a contesting candidate is not in the manner required by the act and the rules and the Commission's directions, he should, along with his report, forward to the Commission that account and the documents accompanying it. In every such case also, he will examine the account and record in column 7 any material defects which he may notice therein as elaborated in paras 11.3 and 11.4 above.

24. MEASURE TO CHECK CORRUPTING INFLUENCE OF MONEY POWER

24.1 The increasing role of money power in elections is too well known and is one of the maladies which sometimes reduces the process of election into a mere farce by placing some privileged candidates with financial resources in a distinctly advantageous position as compared to other candidates. The result of such an election cannot reflect the true choice of the people. The system also sometimes deprives qualified and able persons of the prerogative to represent masses.
24.2 It is commonly perceived that the above-quoted provisions of law have become utterly inadequate to check the corrupting influence of money power.

24.3 It is relevant to cite from a recent judgement of the Supreme Court in this context (Gadakh Yashwantrao Kankarrao Vs. E.V. alias Balasaheb Vikhe Patil & Others- AIR 1994 SC 678):

“The existing law does not measure upto the existing realities. The ceiling on expenditure incurred or authorised by the candidate himself but the expenditure incurred by the party or anyone else in his election campaign is safely outside the net of legal function. The spirit of the provision suffers violation through the escape route. The prescription of ceiling on expenditure by a candidate is a mere eye-wash and no practical check on election expenses for which it was enacted to attain a meaningful democracy. This lacuna in the law is, however, for the Parliament to fill lest the impression is reinforced that its retention is deliberate for the convenience of everyone. If this be not feasible, it may be advisable to omit the provision to prevent the resort to indirect methods for its circumvention and subversion of the law, accepting without any qualm the role of money power in the elections. This provision has ceased to be even a fig leaf to hide the reality.”

24.4 The Hon’ble Court has further expressed the fond wish in the above quoted judgement that the “duty of the top echelons of leadership at the State and national level of all political parties is to set the trend for giving the needed information to the electorate by adopting desirable standards so that it percolates to the lower levels and provides a congenial atmosphere for a free and fair poll.”

24.5 The Commission has recommended to the Government of India several amendments to the aforesaid provisions of law relating to election expenses to make them really effective and meaningful. The law has, however, not been amended on the lines recommended by the Commission so far.

24.6 In the meanwhile, the Commission has carefully considered ways and means to render the account of election expenditure submitted by the candidates as little incorrect and as close to the truth as possible, within the bounds of law as it stands at present.

25. APPOINTMENT OF ELECTION OBSERVERS

The Observers appointed by the Commission will closely watch whether the provisions of the model code of conduct are being followed and will also analyze the expenditure incurred by the individual candidate and report to the Commission instances of misuse of money power for manipulating the will of the electors. The Commission will also determine the magnitude of election expenditure in the light of the report of these observers.

26. NO EXEMPTION FROM FILING OF ACCOUNT FOR ANY CONTESTING CANDIDATE
Even if a contesting candidate has not taken the election contest seriously for any reason whatsoever and has incurred or authorised only some nominal amount on his security deposit, etc., he must lodge his account of election expenses. There is no exemption under the law for any contesting candidate from lodging the account of his election expenses. Only a candidate whose nomination paper has been rejected at the time of scrutiny of nominations or who has validly withdrawn his candidature and whose name was not included in the list of contesting candidates is not required by law to lodge an account of his election expenses.

27. RELEVANT LEGAL PROVISIONS
For convenience of reference, relevant provisions relation to account of election expenses contained in Representation of the People Act, 1951 and the Conduct of Elections Rules, 1961 are reproduced in Appendix XXXIV.

Q.7 Is there any restriction on the presence of political functionaries in a constituency after campaign period is over?

Ans. Yes
After the closure of campaign period (starting from 48 Hrs. before closure of poll), presence of political functionaries etc. who have come from outside the constituency and who are not voters of the constituency should not continue to remain present in the constituency. Such functionaries should leave the constituency immediately after campaign period is over.

Q.8 Is such restriction applicable in the case of office bearer who is in-charge of election of a political party in the State?

Ans. Yes
However, such restriction is not insisted upon during the general elections to Lok Sabha/State Assembly only in respect of the office bearer who is in-charge of the State during the election period. Such office bearer shall declare his place of stay in the State Headquarters and his movement during the period in question shall remain confined normally between his party office and place of his stay. The above restrictions will be applicable to all other functionaries in all elections.

Q.10 Is wearing of special accessories like cap, mask, scarf etc. permitted during the campaigning?

Ans. Yes, provided they are accounted for in the election expenses of the candidate concerned. However supply and distribution of main apparels like saree, shirt, etc. by party/candidate is not permitted as it may amount to bribery of voters.

Q.11 Is there any restriction on the printing of pamphlets, posters etc?

Ans. Yes
You shall not print or publish, or cause to be printed or published names of any election pamphlet or poster which does not bear on its face and addresses of the printer and the publisher thereof.
(Refer : Section 127A of Representation of 1951)

Ans. Election booth can be set up beyond a distance of 200 meters from the polling stations, only with 1 table and 2 chairs with an umbrella or a piece of tarpaulin or cloth to protect the two occupants with one banner (3 x 4 1/2 feet) to display the name of the candidate/ party / election symbol at the booth. No crowd is allowed.

Q.2 Is it necessary to obtain written permission of the concerned Government authorities or local authorities for setting up of election booth?

Q.3 If a political party cannot set up or not willing to setup a booth in an area, is there any facility provided to voters for locating their names in the electoral roll places?

Ans. Yes
A “VOTER ASSISTANCE BOOTH” is set up in premises/buidling location where three or more polling stations are located with a proper signage manned by a team of officials who are provided with lists of roll in alphabetical order to assist the voters for locating their sl. no. in the roll and polling station. If political parties inform of their inability in advance, the District Election Officer may consider making such arrangement in other areas too.

Q.4 Is there any restriction of canvassing in or near polling station?

Q.9 Whether Videography or photography is done inside the polling stations to monitor the poll proceedings by the election authority?

Ans. In deference to the suggestions of Supreme Court, contained in its judgment dated 11th January 2005 in Civil Appeal No.9228 of 2003 - (Janak Bingham Vs. Das Rai and Other), the photography by the Official Videographer has been allowed to be carried inside the polling stations to photograph electors and cover poll proceedings without compromising the secrecy of voting in certain identified polling stations assessed as critical on various factors.

Q.10 Can Presiding Officer or any other polling officer inspect the “Voting Compartment” at any time?

Ans. Yes
Presiding Officer and other polling officer can visit the voting compartment in order to ensure that no voter has committed any mischief by pasting any paper, tapes etc. on symbol/names/ballot button but he will do so in the immediate presence of polling agents.

[XI] MICRO OBSERVERS

Q.1 What is the concept of Micro Observer?
Ans. An officer/official of Central Govt./Public Sector undertakings of Central Govt. working in the district is deployed as a Micro Observer at a polling station or a group of polling stations located in a premises/building who works directly under the control and supervision of Observer of Election Commission of India.

Q.2 What is the criteria for deployment of Micro Observers?
Ans. Polling stations are short listed for the purpose on the basis of various factors which contribute to vulnerability of voters.

Q.3 What are the duties of Micro Observer on the poll day?
Ans. The duties of Micro Observer are mainly to watch the following aspects:

(i) Mock poll procedures,
(ii) Presence of polling agents and observance of ECI instructions with regard to them,

(viii) Maintenance of secrecy of voting,
(ix) Conduct of polling agents, their complaints,

If the Micro observer feels that the poll is, for any reason being vitiated he will immediately bring it to the notice of the constituency Observer for taking remedial action.

[XII] COUNTING OF VOTES

Q.1 Who is responsible for the counting of votes and declaration of result of an election?
Ans. The Returning Officer
(Refer: Sections 64 and 66 of Representation of People Act, 1951)

Q.2 Is any other Senior Officer posted in the Counting Centre, apart from Returning Officer, to supervise/oversee the counting process?
Ans. Yes
The Election Commission of India deploys a Senior Officer as an Observer to oversee the counting process at the Counting Centre. A Central Govt. or Central Govt. PSU Official is also appointed at each counting table.

Q.3 What are the powers of ECI Observer on the counting day?
Ans. The Observer has to watch that the counting is done strictly in accordance with law and the instructions of the Commission. He has to ensure that the counting agents are given the opportunity to watch the whole process of counting from close quarters, results are announced round-wise and the totaling is made error free by doing it manually as well as through computer. The Observer has the power to withhold the declaration of result by the Returning Officer unless he is satisfied that the whole process of counting is free and fair as well as error free.

Q.4 Is there any system of “randomization” of counting staff before they are deployed at the counting centre?

Ans. Yes.
The posting of Counting Supervisors and Counting Assistants is done randomly in such a way that the counting officials come to know of the Assembly Constituency and the table assigned to them only at the time of their arrival at the Counting Center on the day of the counting.

Q.5 Whether Micro Observers for counting are also appointed as in the case of Poll?

Ans. Yes.
Apart from one counting supervisor and one counting assistant for each counting table, one additional official of Central Govt./Central Govt. PSU is deployed in each counting table to note down details of votes exhibited by the EVMs counted in each round and handover the details to Commission’s Observer.

Q.6 Who are the persons allowed to enter in the counting hall?

Ans. Only counting supervisors/assistants/Micro Observers, Persons authorized by the Election Commission, Public Servant on duty in connection with election and candidate and his election agent/counting agents.

Q.7 Whether a candidate can enter the counting campus and counting hall with security personnel accompanying him?

Ans. No.
If he happens to be a candidate, only SPG protectee with one PSO with concealed fire arms is allowed to accompany the protectee and position himself in such a manner as to be able to provide the requisite cover to the protectee should it become essential, without otherwise interfering with the proceedings.

Q.8 Whether there is any restriction for appointment of persons who have been provided with the security cover by the State as a counting agent?

Ans. Yes.
No person having security cover is allowed to be appointed as counting agent as the security personnel accompanying him can not be allowed to enter the
campus of counting centre and such person is also not allowed to surrender the security cover to enable him to become a counting agent.

Q.9 How security of campus of counting centre is ensured?
Ans. A three tier cordonning system is set up in the counting centre to prevent the entry of unauthorized persons inside the counting centre.

Q.10 How many counting agents can be appointed by a candidate?
Ans. Each candidate has been allowed to appoint as many counting agents as there are counting tables and one more to watch at the Returning Officer’s table.
(Refer: Section 47 of Representation of People Act, 1951)

Q.11 Is there any prescribed form for making appointment of counting agents?
Ans. Yes
The candidate or his election agent has to submit a list of counting agents in Form -18 alongwith their photographs to the Returning Officer latest by 1700 Hrs on the day 3 days before the date of counting. The Returning Officer will prepare identity cards for such agents and issue the same to the candidate.
(Refer: Rule 52 (2) of Conduct of Elections Rules 1961)

Q.12 How counting agents are deployed in the counting centre by Returning Officer?
Ans. Each counting agent is given a badge indicating whose agent he is and showing the Sl. No. of the table at which he may watch the counting and is not allowed to move about all over the hall.

Q.13 Is there any upper limit prescribed for the number of counting tables which can be placed inside the counting Hall?
Ans. Normally, the upper limit is 15 tables including the table of Returning Officer.

Q.14 Whether counting agents are allowed to handle EVMs?
Ans. No
In each counting hall, barricades are made for each counting table so that EVM are not handled by the counting agents. The agents are provided all reasonable facilities to see the whole process at the counting tables.

Q.15 How it is ensured that Control Unit of EVM has not been tampered with?
Ans. Before votes recorded in the EVM are counted, the carrying case and control unit of EVM are placed on the counting table for the inspection and checking of seals thereon by the candidate or their agents present at the counting table. If control unit is found to have been tampered with, votes recorded in that
machine are not counted and matter is reported to the Commission for further direction.

Q.16 At what stage, the postal ballot papers are counted?
Ans. The postal ballot papers are counted first at Returning Officer’s Table.
(Refer: Rule 54A of Conduct of Elections Rules, 1961)

Q.17 Can a candidate ask for a recount?
Ans. Yes
By a written application stating the grounds on which recount is asked for. Such application can be made to the Returning Officer, who prepares and signs Final Result Sheet (Form 20).

[XIII] ELECTION EXPENDITURE

Q.1 Is a candidate free to spend as much as he likes on his election?
Ans. No
A candidate is not free to spend as much as he likes on his election. The law prescribes that the total election expenditure shall not exceed the prescribed maximum limit for the constituency concerned.
(Refer: Rule 90 of the Conduct of Election Rules, 1961 and Section 123 (6) of Representation of People Act, 1951.)

Q.2 What is the limit for election expenditure in a parliamentary constituency in bigger states, like, UP, Bihar, Andhra Pradesh, M.P?
Ans. The limit for election expenditure is revised from time to time. At present the limit of expenditure for a parliamentary constituency in bigger states like U. P, Bihar, Andhra Pradesh, Madhya Pradesh is Rs. 25 lakhs.
(Refer: Rule 90 of the Conduct of Election Rules, 1961)

Q.3 What is the limit of such expenditure for an Assembly Constituency in these bigger States?
Ans. At present, the limit of election expenditure for an assembly constituency in the above bigger states is Rs. 10 lakhs.
(Refer: Rule 90 of the Conduct of Election Rules, 1961)

Q.4 Are these limits uniform for all States? If not, can you tell the lowest limit for a Parliamentary Constituency at present?
Ans. No
The maximum limits of election expenditure vary from State to State. The lowest limit at present for a parliamentary constituency is Rs. 10 lakhs for the constituency of Dadra and Nagar Haveli, Daman and Diu and Lakshadweep.
(Refer: Rule 90 of the Conduct of Election Rules, 1961)
Q.5 Are the candidates required to file any account of election expenses?

Ans. Yes

Every candidate at an election to the House of the People or State Legislative Assembly is required to keep, either by himself or by his election agent, a separate and correct account of all expenditure in connection with the election incurred or authorized by him or his election agent between the date on which he has been nominated and the date of declaration of result, both dates inclusive. Every contesting candidate has to lodge a true copy of the said account within 30 days of result of the election.

(Refer : Sections 77 & 78 of the Representation of People Act, 1951)

Q.6 Who is the authority before whom such account is to be lodged?

Ans. The account of election expenses shall be lodged by a contesting candidate with the District Election Officer of the district in which the constituency from which he contested lies.

(Refer : Section 78 of the Representation of People Act, 1951)

Q.7 If a candidate is contesting from more than one constituency, is he required to file separate accounts or only one consolidated account?

Ans. If a candidate is contesting from more than one constituency, he has to lodge a separate return of election expenses for every election which he has contested. The election for each constituency is a separate election.

(Refer : Section 77 of the Representation of People Act, 1951)

Q.8 What is the penalty if a candidate does not file his account of election expenses?

Ans. If the Election Commission is satisfied that a person has failed to lodge an account of election expenses within the time and in the manner required by or under the Representation of People Act, 1951 and he has no good reason or justification for the failure, it has the power to disqualify him for a period of 3 years for being chosen as, and for being, a member of either House of Parliament or the Legislative Assembly or Legislative Council of a State.

(Refer : Section 10A of the Representation of People Act, 1951)

Q.9 Whether expenditure on travel incurred by Star Campaigners (leaders) of political party for propagating programme of that party shall be treated as expenditure incurred/authorized by a candidate of that party? If so what are the conditions?

Ans. Only in the case of expenditure on travel in respect of Star Campaigners (leaders) of the Political Party who have submitted the list of such leaders (40 in the case of National and State parties and 20 in the case of registered unrecognized party) within 7 days from the date of issue of notification to the Election Commission and Chief Electoral Officer of the State concerned for availing benefit is exempted, failing which such expenditure shall be treated
as an expenditure incurred/authorized by the concerned candidate of that party.
(Refer : Clause (a) of Explanation 1 to Section 77 of the Representation of People Act, 1951)

Q.10 Whether a person who is not a member of the party can be nominated as a Star Campaigner (Leader) of the Party for the purpose?

Ans. No
(Refer: Section 77(1) of Representation of People Act, 1951)

Q.11 Can the name of a Star Campaigner(s) be allowed to be substituted from the list of Star Campaigners (leaders) after it is submitted to the Commission?

Ans. No
Substituting a name from the list is permitted under the law only where any of the persons mentioned in the list dies or ceases to be a member of the political party concerned and not otherwise.
(Refer : Explanation 2 to Section 77(1) of Representation of People Act, 1951)

Q.12 Whether a candidate who has been declared as a Star Campaigner (leader) by a political party can be considered to be a Star Campaigner (leader) of his political party in his own constituency from where he is contesting election for the purpose of explanation to Section 77 (1) of Representation of People Act, 1951?

Ans. No
Such leader cannot be considered Star Campaigner (leader) of his political party in his own constituency. In his own constituency, he is a candidate first. The expenditure incurred by him within his constituency is to be booked against his election expenditure.

Q.13 Can a friend of a candidate incur expenditure for promoting his election without his approval?

Ans. Expenditure exceeding the amount of Rs.10/- incurred for promoting of election without approval of the candidate is punishable.
(Refer: Section 171H of Indian Penal Code)

Q.14 Suppose an expenditure is incurred by a friend with the approval of candidate for promoting his election, is such expenditure to be booked against the accounts of candidate?

Ans. Yes.
(Refer: Section 77 of Representation of People Act, 1951)

[XIV] ELECTRONIC VOTING MACHINES (EVMs)
Q. 1 What is an Electronic Voting Machine? In what way its functioning is different from the conventional system of voting?

Ans. An Electronic Voting Machine consists of two Units – a Control Unit and a Balloting Unit – joined by a three-meter cable. The Control Unit is with the Presiding Officer or a Polling Officer and the Ballot Unit is placed inside the voting compartment. Instead of issuing a ballot paper, the Polling Officer in-charge of the Control Unit will press the Ballot Button. This will enable the voter to cast his vote by pressing the blue button on the Balloting Unit against the candidate and symbol of his choice.

Q.2 Who has devised the EVMs?

Ans. The EVMs have been devised and designed by Election Commission in collaboration with two Central Government Public Sector undertakings viz., Bharat Electronics Ltd., Bangalore and Electronics Corporation of India Ltd., Hyderabad after a series of meetings, test-checking of the prototypes and extensive field trials.

Q.3 Who manufacture & supply EVMs to Election Commission of India?

Ans. The two central govt. undertakings i.e. Bharat Electronics Limited, Bangalore and Electronics Corporation of India Limited, Hyderabad, are the only manufacturers from whom the EVMs are procured by the Election Commission of India.

Q.4 What are the unique features of EVMs?

Ans. It is a simple machine that can be operated easily by both the polling personnel and the voters. It is sturdy enough to withstand rough handling and variable climatic conditions. Being a stand alone machine without any network connectivity, nobody can interfere with its programming and manipulate the result.

Q.5 What are the features of Control Unit?

Ans. The Control Unit is the main unit which stores all data and controls the functioning of EVM. The program which controls the functioning of the control unit is burnt into a micro chip on a “one time programmable basis”. Once burnt, it cannot be read, copied out or altered. The EVMs use dynamic coding to enhance security of data transmitted from ballot unit to control unit. The new EVMs have also got real time clock and date-time stamping facility which enables them to record the exact time and date whenever a key is pressed. After the voting is completed and the close button is pressed, the machine does not accept any data or record any vote. Through the press of “total” button, the control unit can display the number of votes recorded till that time which can be cross checked with the register of voters in Form 17-A. The display system of the control unit shows the total number of votes polled in a polling station and the candidate-wise votes polled in the machine when the
‘result’ button is pressed by the counting staff in the presence of counting agents at the counting centre. The control unit can also detect any physical tampering made with the connecting cable and indicate the same in the display unit.

Q.6 What are the features of Balloting Unit?

Ans. It holds the ballot paper containing the names and symbols of candidates. When pressed, the candidate button on the ballot unit sends a signal to the control unit where this is recorded in a non-volatile memory which can store the poll data indefinitely even without a battery back up.

Q.7 How do voters cast their vote using EVMs?

Ans. The balloting unit of the EVM will have a securely held ballot paper on it showing the names of the candidates along with their symbols. The Presiding/Polling Officer in charge of the Control unit will press the ballot button before allowing the voter to enter the voting chamber. When the ballot button on the control unit is pressed, the balloting unit becomes ready for recording the vote which is indicated by the ready lamp on the balloting unit. Now the voter has to simply press the blue candidate button on the balloting unit against the name and symbol of the candidate of his choice.

Q.8 How can EVMs be used in areas where there is no electricity?

Ans. EVMs run on an ordinary battery. It does not depend on electricity.

Q.9 What is the maximum number of votes which can be cast in EVMs?

Ans. EVMs can record a maximum of 3840 votes. As normally the total number of electors in a polling station will not usually exceed 1400, the capacity of EVMs is more than sufficient.

Q.10 What is the maximum number of candidates which EVMs can cater to?

Ans. EVMs can cater to a maximum of 64 candidates. There is provision for 16 candidates in a Balloting Unit. If the total number of candidates exceeds 16, a second Balloting Unit can be linked parallel to the first Balloting Unit. Similarly, if the total number of candidates exceeds 32, a third Balloting Unit can be attached and if the total number of candidates exceeds 48, a fourth Balloting Unit can be attached to cater to a maximum of 64 candidates. But only one control unit is needed even for four balloting units.

Q.11 What will happen if the number of contesting candidates in a constituency goes beyond 64?

Ans. In case the number of contesting candidates goes beyond 64 in any constituency, EVMs cannot be used in such a constituency. The conventional
method of voting by means of ballot box and ballot papers will have to be adopted in such a constituency.

Q.12 How does a voter know whether his vote has been recorded in the EVM?

Ans. The voter will be asked to go the balloting unit kept in the voting compartment. A green light on the upper part of the voting machine will indicate that the machine is ready for voting. The voter has to identify his candidate on the balloting unit and press the blue button on the right side of the candidate’s name and symbol. Once the blue button is pressed there will be a beep sound and the colour of the indicator next to the symbol of the candidate will turn red which means that the vote has been cast for the candidate concerned.

Q.13 What will happen if the EVM in a particular polling station goes out of order?

Ans. An Officer is put on duty to cover a few polling stations on the day of poll. He will be carrying spare EVMs and the out-of-order EVM can be replaced with a new one. The votes recorded until the stage when the EVM went out of order will be safe in the memory of the Control Unit and it will be sufficient to proceed with the polling with the new EVM after the earlier EVM went out of order. It is not necessary to start the poll from the beginning.

Q.14 In our country, a sizeable section of the population being illiterate, will it not cause problems for the illiterate voters?

Ans. In fact, voting by EVMs is simpler compared to the conventional system, where one has to put the voting mark on or near the symbol of the candidate of his choice, fold it first vertically and then horizontally and thereafter put it into the ballot box. In EVMs, the voter has to simply press the blue button against the candidate and symbol of his choice and the vote is recorded. Rural and illiterate people had no difficulty in recording their votes and, in fact they have welcomed the use of EVMs.

Q.15 What are the steps taken by Election Commission of India to create awareness about EVM among the voters?

Ans. Awareness campaigns are made by the Election Commission through electronic and print media by way of advertisements, reading materials. Physical demonstration on EVMs are held by the election officials at various places for the benefit of workers of the political parties and the voters. Various NGOs were also roped in earlier by the Commission to launch awareness campaign for the voters.

Q.16 Can a voter ask for help from Presiding Officer as to how to cast vote in the EVM?

Ans. Yes
Presiding Officer can explain to the voter the voting process using the cardboard model (replica) of the EVM balloting unit (which is provided at polling station) in such a manner that voter is able to understand but only in the presence of polling agents and not inside the voting compartment.

Q.17 Whether a candidate can print Dummy Ballot Papers using his own name and symbols and indicating the place where it would appear as a publicity materials for educating the voters?

Ans. Yes.
Such Dummy Ballot Papers can be printed on any colour but not in pink and white colour and not showing the names and symbols of other candidates.

Q.18 Can booth – capturing be prevented by the use of EVMs?

Ans. By booth-capturing, if one means, taking away or damaging of ballot boxes or ballot papers, this evil cannot be prevented by the use of EVMs as EVMs can also be forcibly taken away or damaged by miscreants. But if one looks at booth capturing as a case of miscreants intimidating the polling personnel and stamping the ballot papers on the symbol and escaping in a matter of minutes, this can be prevented by the use of EVMs. The EVMs are programmed in such a way that the machines will record only five votes in a minute. As recording of votes has necessarily to be through Control Unit and Balloting Unit, whatever be the number of miscreants they can record vote only at the rate of 5 per minute. In the case of ballot papers, the miscreants can distribute all the 1000 odd ballot papers assigned to a polling station, among themselves, stamp them, stuff them into the ballot boxes within a few minutes and run away before the police reinforcements reach. In EVMs, in half-an-hour, the miscreants can record only a maximum of 150 votes by which time, chances are the police reinforcement would have arrived. Further, the presiding Officer or one of the Polling Officers can always press the "close" button as soon as they see some intruders inside the polling station. It will not be possible to record any vote once the 'close' button is pressed and this will frustrate the efforts of the booth-capturers.

Q. 19 Is it possible to use EVMs for simultaneous elections for Parliament and State Legislative Assembly?

Ans. Yes
It is possible to use EVMs for simultaneous elections for Parliament and State Legislative Assembly and the existing EVMs have been designed keeping this requirement in view.

Q.20 What are the advantages in using EVMs?

Ans. The most important advantage is that the printing of millions of ballot papers can be dispensed with, as only one ballot paper is required for fixing on the Balloting Unit at each polling station instead of one ballot paper for each individual elector. This results in huge savings by way of cost of paper, printing, transportation, storage and distribution. Secondly, counting is very
quick and the result can be declared within 2 to 3 hours as compared to 30-40 hours, on an average, under the conventional system. Thirdly, there are no invalid votes under the system of voting under EVMs. The importance of this will be better appreciated, if it was remembered that in the past in several cases, the number of invalid votes is more than the winning margin between the winning candidate and the second candidate, in a number of constituencies. To this extent, the choice of the electorate will be more correctly reflected when EVMs are used.

Q. 21 Does the use of EVMs slow down the pace of poll?

Ans. No
In fact the pace of poll is quickened by the use of EVMs as it is not necessary for the voter to first unfold the ballot paper, mark his preference, fold it again, go to the place where the ballot box is kept and drop it in the box. What he has to do under the system of EVMs is simply to press the button near the candidate and symbol of his choice.

Q. 22 With ballot boxes counting is done after mixing the ballot papers. Is it possible to adopt this system when EVMs are used?

Ans. The normal rule is to count the votes polling station-wise and this is what is being done when EVM is used in each polling station. The mixing system of counting is done only in those constituencies which are specially notified by the Election Commission. On such cases, the EVMs used in a number of polling stations can be connected to the specially designed “Totalizer” and then the total result of an Assembly Constituency will be known and not the result in each individual polling station.

Q. 23 How long the control unit stores the result in its memory?

Ans. The Control Unit can store the result in its memory for 10 years and even more.

Q. 24 Wherever an election petition is filed, the result of the election is subject to the final outcome of the petition. The courts, in appropriate cases, may order a recount of votes. Whether EVMs can be stored for such a long time and whether the result can be taken in the presence of the officers authorized by courts? Will not the battery leak or otherwise damage EVMs?

Ans. The battery is required only to activate the EVMs at the time of polling and counting. As soon as the polling is over, the battery can be switched off and this will be required to be switched on only at the time of counting. The battery can also be removed as soon as the result is taken and can be kept separately. Therefore, there is no question of battery leaking or otherwise damaging EVMs. Even when the battery is removed the memory in the microchip remains intact. If the Court orders a recount, the Control Unit can be reactivated by fixing the battery and it will display the result stored in the memory.
Q.25 Is it possible to vote more than once by pressing the button again and again?

Ans. No
As soon as a particular candidates button on the Balloting Unit is pressed, the vote is recorded for that particular candidate and the machine gets locked. Even if one presses that button further or any other button, no further vote will be recorded. This way the EVMs ensure the principle of "one man, one vote".

Q.26 Is it true that sometimes because of short-circuit or other reason, a voter is likely to get an electric shock while pressing the `blue button`?

Ans. No
EVMs work on a battery and there is absolutely no chance of any voter getting an electric shock at the time of pressing the `blue button` or at any time of handling the balloting unit.

Q.27 Is it possible to program the EVMs in such a way that initially, say upto 100 votes, votes will be recorded exactly in the same way as the `blue buttons` are pressed, but thereafter, votes will be recorded only in favor of one particular candidate irrespective of whether the `blue button` against that candidate or any other candidate is pressed?

Ans. The microchip used in EVMs is permanently sealed by robots at the time of manufacturing. It cannot be opened and no rewriting of program can be done by anyone without damaging the chip. There is, therefore, absolutely no chance of programming the EVMs in a particular way to select any particular candidate or political party.

Q.28 Will it not be difficult to transport the EVMs to the polling stations?

Ans. No
Rather it will be easier to transport the EVMs compared to ballot boxes as EVMs are lighter, portable and come with polypropylene carrying cases.

Q.29 In many areas of the country, there is no electricity connection and even in those places where there is electricity connection, power supply is erratic. In this scenario will it not create problem in storing the machines without air conditioning?

Ans. There is no need to air condition the room/hall where EVMs are stored. What is required is only to keep the room/hall free from dust, dampness and rodents as in the case of ballot boxes.

Q.30 In the conventional system, it will be possible to know the total number of votes polled at any particular point of time. In EVMs ‘result’ portion is
sealed and will be opened only at the time of counting. How can the total number of votes polled be known on the date of poll?

Ans. In addition to the ‘Result’ button, there is a ‘total’ button on EVMs. By pressing this button at any time the total number of votes polled upto the time of pressing the button will be displayed without indicating the candidate-wise break-up.

Q.31 The balloting unit has provision for 16 candidates. In a constituency, there are only 10 candidates. The voter may press any of the buttons from 11 to 16. Will these votes not be wasted?

Ans. No
The panels for candidates Nos. 11 to 16 will be masked before use. Further, recording of votes for candidates 11 to 16 will also be blanked off electronically, as the candidates' switch is set on 10. Therefore, there is no question of any voter pressing any of the buttons for candidates 11 to 16 or the votes for these candidates being recorded in the EVMs.

Q.32 Is there any provision for issue of tendered ballot papers when EVMs are used?

Ans. Yes
There is provision for issue of tendered ballot papers under the system of EVMs also. But, when such a situation arises, the voter concerned will be issued an ordinary ballot paper. After marking the ballot paper with the arrow cross mark rubber stamp supplied, the tendered ballot paper will be put inside a cover specially provided for the purpose, sealed and kept by the Presiding Officer.

Q.33 In the conventional system, before the commencement of poll, the presiding officer shows to the polling agents present that the ballot box to be used in the polling station is empty. Is there any such provision to satisfy the polling agents that there are no hidden votes already recorded in the EVMs?

Ans. Yes
Before the commencement of poll, the Presiding Officer demonstrates to the polling agents present that there are no hidden votes already recorded in the machine by pressing the result button. Thereafter, he will conduct a mock poll by asking the polling agents to record their votes and will take the result to satisfy them that the result shown is strictly according to the choices recorded by them. Thereafter, the Presiding Officer will press the clear button to clear the result of the mock poll before commencing the actual poll. A mock poll certificate is furnished by the Presiding Officer, which is duly signed by polling agents present stating that mock poll has been conducted and cleared the
memory and the total votes polled showed ‘0’ after clearing the memory of EVM.

Q.34 How can one rule out the possibility of recording further votes at any time after close of the poll and before the commencement of counting by interested parties?

Ans. As soon as the last voter has voted, the Polling Officer in-charge of the Control Unit will press the ‘Close’ Button. Thereafter, the EVM will not accept any vote. Further, after the close of poll, the Ballot Unit is disconnected from the Control Unit and kept separately. Votes can be recorded only through the Balloting Unit. Again the Presiding officer, at the close of the poll, will hand over to each polling agent present an account of votes recorded. At the time of counting of votes, the total will be tallied with this account and if there is any discrepancy, this will be pointed out by the Counting Agents.

Q.35 Is there any system of “randomization” of EVMs before same are allotted to concerned Polling Stations?

Ans. Yes

The EVMs are thoroughly checked and randomized first at the level of District Election Officer in the presence of representatives of recognized political parties and thereafter randomized list of EVMs allotted to each Assembly Constituency is given to the representatives of such parties and if a representative of party is not available, still such list is sent to such party’s office. Second randomization of EVMs is done by Returning Officer in the presence of Observer and representatives of candidates for allotting to specific polling stations. A list of such EVMs indicating current ID and machine No. allotted to each polling station is given to representatives of candidates.

Q.36 Is there any procedure to seal the EVM before it is used for polling?

Ans. Physical sealing of different segments of an EVM is done to prevent access to the buttons controlling various processes of the poll. This is done in several stages. Sealing of ballot screen of the balloting unit and the candidate set section of the control unit is done under the supervision of Returning Officer in the presence of the candidates or their agents to prevent tampering with the alignment of the ballot paper and making unwanted changes in the candidate buttons that are actually required for a particular poll. Similarly, the ‘result section’ is sealed at any the polling station after the mock poll, so that no one can see the result of a particular polling station before it is taken up for counting at the counting center on the specified date. The candidates or their agents are invited by the election authorities to put their signatures on the tags/paper seals alongwith the seals of the Returning/Presiding Officers.

Q.37 After poll, where the EVMs are kept till counting?
Ans. The polled EVMs are generally stored in a secure storage centre in the constituency or a nearby place on which the candidates or their representatives can keep a watch. Mostly it is the same place where the counting is made.

Q.38 At the time of counting suppose a display in EVM is not showing the result. In such case how the result can be verified?

Ans. The manufacturers of the EVMs have developed an “Auxiliary Display Unit. With the use of this ADU, results can be retrieved most of the times when there is a failure of the original display on the Control unit.

Q.39 How the votes are counted in EVMs?

Ans. In the Counting Centre, the EVMs are kept on a number of counting tables whose number does not normally exceed 14. Seating arrangements are made for the counting agents in such a way that they can clearly watch the EVM and its display. When the result button on the control unit of an EVM is pressed, its display segment indicates the total number of votes polled in a particular polling station and then shows the votes polled by each candidate in serial order. Besides the counting staff, these are noted by the counting agents also. At the end of each round, the result of that round and the progressive total is announced. The result is compiled by summing up the round wise totals.

[CHAPTER III, PARA 4.5(3.1)]

ELECTION COMMISSION OF INDIA
NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI – 110 001

No.3/ER/2003/JS-II Dated the 27th March 2003

ORDER

1. Whereas, the superintendence, direction and control, inter alia, of all elections to Parliament and to the Legislature of every State are vested in the Election Commission by Article 324 (1) of the Constitution of India;

2. And whereas, the Hon'ble Supreme Court of India had, by its order dated 2nd May, 2002, in Civil Appeal No. 7178 of 2001 - Union of India Vs Association for Democratic Reforms and another, held as follows:

   "(1) The jurisdiction of the Election Commission is wide enough to include all powers necessary for smooth conduct of elections and the word 'elections' is used in a wide sense to include the entire process of election which consists of several stages and embraces many steps.

   (2) The limitation on plenary character of power is when the Parliament or state legislature has made a valid law relating to or in connection with elections, the Commission is required to act in conformity with the said provisions. In case where law is silent, art 324 is a reservoir of power to act for the avowed purpose of having free and fair election. Constitution has taken care of leaving scope for exercise of residuary power by the Commission in its own right as a creature of the Constitution in the infinite variety of situations that may emerge from time to time in a large democracy, as every contingency could not be foreseen or anticipated by the enacted laws or the rules. By issuing necessary directions Commission can fill the vacuum till there is legislation on the subject. In Kanhiya Lal Omar's case (AIR 1986 SC 111), the court construed the expressions 'superintendence, direction and control' in art 324(1) and held that a direction may mean an order issued to a particular individual or a precept which may have to follow and it may be a specific or a general order and such phrase should be construed liberally empowering the Election Commission to issue such orders.

   (3) The word 'elections' includes the entire process of election which consists of several stages and it embraces many steps, some of which have an important bearing on the process of choosing a candidate. Fair election contemplates disclosure by the candidate of his past including the assets held by him so as to give a proper choice to the candidate (sic) (elector) according to his thinking and opinion. As stated earlier, in Common Cause case [(1996) 2 SCC 752], the court dealt with a contention that elections in the country are fought with the help of money power which is gathered from black sources and once elected to power, it becomes easy to collect tons of black money, which is used for retaining power and for re-election. If on affidavit a candidate is required to disclose the assets held by him at the time of election, voter can decide whether he could be re-elected even in case where he has collected tons of money.

   XXX XXX

(4) To maintain the purity of elections and in particular to bring transparency in the process of election, the Commission can ask the candidates about the expenditure incurred by the political parties and this transparency in the process of election would include transparency of a
candidate who seeks election or re-election. In a democracy, the electoral process has a strategic role. The little man of this country would have basic elementary right to know full particulars of a candidate who is to represent him in Parliament where laws to bind his liberty and property may be enacted.

(5) The right to get information in democracy is recognized all throughout and it is natural right flowing from the concept of democracy. At this stage, we would refer to art 19(1) and (2) of the International Covenant of Civil and Political Rights which is as under:-

(1) Everyone shall have the right to hold opinions without interference.
(2) Everyone shall have the right to freedom of expression; this right shall include freedom to seek, receive and impart information and ideas of all kinds, regardless of frontiers, either orally, in writing or in print, in the form of art, or through any other media of his choice.

(6) Cumulative reading of plethora of decisions of this court as referred to, it is clear that if the field meant for legislature and executive is left unoccupied detrimental to the public interest, this court would have ample jurisdiction under art 32 read with arts 141 and 142 of the Constitution to issue necessary directions to the executive to subserve public interest.

(7) Under our Constitution, Art 19(1)(a) provides for freedom of speech and expression. Voters' speech or expression in case of election would include casting of votes that is to say, voter speaks out or expresses by casting vote. For this purpose, information about the candidate to be selected is must. Voter's (little man-citizen's) right to know antecedents including criminal past of his candidate contesting election for MP or MLA is much more fundamental and basic for survival of democracy. The little man may think over before making his choice of electing law breakers as law makers."

3. And whereas, the Hon'ble Supreme Court, by its aforesaid order dated 2nd May, 2002, had directed as follows: -

"The Election Commission is directed to call for information on affidavit by issuing necessary order in exercise of its power under art 324 of the Constitution of India from each candidate seeking election to Parliament or a state legislature as a necessary part of his nomination paper, furnishing therein, information on the following aspects in relation to his/her candidature:-

(1) Whether the candidate is convicted/acquitted/ discharged of any criminal offence in the past-if any, whether he is punished with imprisonment or fine?
(2) Prior to six months of filing of nomination, whether the candidate is accused in any pending case, of any offence punishable with imprisonment for two years or more, and in which charge is framed or cognizance is taken by the court of law. If so, the details thereof.
(3) The assets (immovable, movable, bank balances etc) of a candidate and of his/her spouse and that of dependants.
(4) Liabilities, if any, particularly whether there are any over dues of any public financial institution or government dues.
(5) The educational qualifications of the candidate."

4. And whereas, the Hon'ble Supreme Court, in its aforesaid order dated 2nd May, 2002, further observed that 'the Election Commission has from time to time issued instructions in order to meet with the situation where the field is unoccupied by the legislation' and had further directed that 'the norms and modalities to carry out and give effect to the aforesaid directions should be drawn up properly by the Election Commission as early as possible and in any case within two months';
5. And whereas, the Election Commission had, in pursuance of the above referred Judgement and Order dated 2nd May, 2002 of the Hon'ble Supreme Court and in exercise of the powers, conferred on it by Article 324 of the Constitution, directed by an Order dated 28th June, 2002, inter alia, in para 14 of the said Order as follows:-

"(1) Every candidate at the time of filing his nomination paper for any election to the Council of States, House of the People, Legislative Assembly of a State or the Legislative Council of a State having such a council, shall furnish full and complete information in regard to all the five matters, specified by the Hon'ble Supreme Court and quoted in para 5 above (reproduced in para 3 herein), in an affidavit, the format whereof is annexed hereto as Annexure-1 to this order.

(2) The said affidavit by each candidate shall be duly sworn before a Magistrate of the First Class or a Notary Public or a Commissioner of Oaths appointed by the High Court of the State concerned.

(3) Non-furnishing of the affidavit by any candidate shall be considered to be violation of the order of the Hon'ble Supreme Court and the nomination of the candidate concerned shall be liable to rejection by the returning officer at the time of scrutiny of nominations for such non-furnishing of the affidavit.

(4) Furnishing of any wrong or incomplete information or suppression of any material information by any candidate in or from the said affidavit may also result in the rejection of his nomination paper where such wrong or incomplete information or suppression of material information is considered by the returning officer to be a defect of substantial character, apart from inviting penal consequences under the Indian Penal Code for furnishing wrong information to a public servant or suppression of material facts before him:

Provided that only such information shall be considered to be wrong or incomplete or amounting to suppression of material information as is capable of easy verification by the returning officer by reference to documentary proof adduced before him in the summary inquiry conducted by him at the time of scrutiny of nominations under section 36 (2) of the Representation of the People Act 1951, and only the information so verified shall be taken into account by him for further consideration of the question whether the same is a defect of substantial character.

(5) The information so furnished by each candidate in the aforesaid affidavit shall be disseminated by the respective returning officers by displaying a copy of the affidavit on the notice board of his office and also by making the copies thereof available freely and liberally to all other candidates and the representatives of the print and electronic media.

(6) If any rival candidate furnishes information to the contrary, by means of a duly sworn affidavit, then such affidavit of the rival candidate shall also be disseminated along with the affidavit of the candidate concerned in the manner directed above."

6. And whereas, the President of India promulgated the Representation of People (Amendment) Ordinance, 2002 (No.4 of 2002) on the 24th August, 2002 further to amend the Representation of the People Act, 1951 inserting Sections 33A and 33B and 125A and amending Section 169 of the Representation of the People Act, 1951;

7. And whereas, by virtue of Section 33B of the said Ordinance, the Order of the Election Commission dated the 28th June, 2002, was rendered ineffective and the said Section 33B read as under:-

"Section 33B.- Notwithstanding anything contained in any judgement, decree or order of any court or any direction, order or any other instruction issued by the Election Commission, no candidate shall be liable to disclose or furnish any such information, in respect of his election, which is not required to be disclosed or furnished under this Act or the rules made thereunder."

8. And whereas, the Government of India by notification dated 3rd September, 2002 amended the Conduct of the Elections Rules, 1961 to give effect to the said Ordinance;

9. And whereas, the Association for Democratic Reforms, People's Union for Civil Liberties, and Lok Satta, filed three separate writ petitions before the Hon'ble Supreme Court of India challenging the constitutional validity of the Presidential Ordinance dated 24th August, 2002;

10. And whereas, the by Notification dated the 28th December, 2002, the Representation of the People Act, 1951 was amended by the Representation of the People (Third Amendment) Act, 2002 which substituted the aforesaid Ordinance dated 24th August, 2002;

11. And whereas, the said petitioners filed applications to treat the said writ petitions as challenging the constitutional validity of the Representation of the People (Third Amendment) Act, 2002;

12. And whereas, the Hon'ble Supreme Court in its order/judgement, dated the 13th March, 2003 declared Section 33B of the Amended Act as illegal, null and void;

13. And whereas, the following directions were issued in the Judgement of Hon'ble Mr. Justice RV. Reddi, which was concurred by Mr. Justice D.M. Dharmadhikari:-

"The right to information provided for by the Parliament under Section 33A in regard to the pending criminal cases and past involvement in such cases is reasonably adequate to safeguard the right to information vested in the voter/citizen. However, there is no good reason for excluding the pending cases in which cognizance has been taken by Court from the ambit of disclosure."

14. And whereas, the Judgement of Hon'ble Mr. Justice M.B. Shah, also held that Section 33B was illegal, null and void and further that the Election Commission would be required to revise its instructions in the light of the directions therein as under:-

"It is true that the aforesaid directions issued by the Election Commission is not under challenge but at the same time Prima facie it appears that the Election Commission is required to revise its instructions in the light of directions issued in Association for Democratic Reforms case (supra) and as provided under the Representation of the People Act and its 3rd Amendment."

15. And whereas, by virtue of the Judgement dated the 13th March, 2003 of the Supreme Court declaring Section 33B of the Representation of the People Act, 1951 to be illegal, null and void, the earlier instructions of the Election Commission dated 28th June, 2002 would continue to be operative subject to the aforementioned directions of the Supreme Court, and are therefore required to be revised and reissued;

16. Now, therefore, the Election Commission, in pursuance of the above referred order dated 13th March, 2003, of the Hon'ble Supreme Court and in exercise of the powers, conferred on it by
Article 324 of the Constitution, of superintendence, direction and control, inter alia, of conduct of elections to Parliament and State Legislatures, hereby issues, in supersession of its earlier order dated 28th June, 2002, its revised directions as follows:

(1) Every candidate at the time of filing his nomination paper for any election to the Council of States, House of the People, Legislative Assembly of a State or the Legislative Council of a State having such a council, shall furnish full and complete information in regard to the matters specified by the Hon'ble Supreme Court and quoted in paras 13 and 14 above, in an affidavit, the format whereof is annexed hereto as Annexure-1 to this order.

(2) The said affidavit by each candidate shall be duly sworn before a Magistrate of the First class or a Notary Public or a Commissioner of Oaths appointed by the High Court of the State concerned.

(3) Non-furnishing of the affidavit by any candidate shall be considered to be violation of the order of the Hon'ble Supreme Court and the nomination of the candidate concerned shall be liable to rejection by the returning officer at the time of scrutiny of nominations for such non-furnishing of the affidavit.

(4) The information so furnished by each candidate in the aforesaid affidavit shall be disseminated by the respective returning officers by displaying a copy of the affidavit on the notice board of his office and also by making the copies thereof available freely and liberally to all other candidates and the representatives of the print and electronic media.

(5) If any rival candidate furnishes information to the contrary, by means of a duly sworn affidavit, then such affidavit of the rival candidate shall also be disseminated along with the affidavit of the candidate concerned in the manner directed above.

17. For the removal of doubt, it is hereby clarified that the earlier direction contained in para 14 (4) of the earlier order dated 28th June, 2002, in so far as verification of assets and liabilities by means of summary enquiry and rejection of nomination paper on the ground of furnishing wrong information or suppressing material information is not enforceable in pursuance of the order dated 13th March, 2003 of the Apex Court. It is further clarified that apart from the affidavit in Annexure-1 hereto referred to in para 16(1) above, the candidate shall have to comply with all the other requirements as spelt out in the Representation of the People Act, 1951, as amended by the Representation of the People (Third Amendment) Act, 2002, and the Conduct of Elections Rules, 1961, as amended by the Conduct of Elections (Amendment) Rules, 2002.

18. In so far as elections to the Legislative Assembly and Legislative Council of the State of Jammu and Kashmir are concerned, the directions of the Election Commission contained in the preceding para 16 shall be deemed to have been issued under the provisions of section 138 of the Constitution of Jammu and Kashmir which are akin to Article 324 (1) of the Constitution of India and vest the superintendence, direction and control of the conduct of all elections to either House of the Legislature of that State in the Election Commission.

19. All Returning Officers shall ensure that the copies of affidavit prescribed herein by the Commission shall be delivered to the candidates along with the forms of nomination papers as part of the nomination paper.

(1) Notwithstanding anything contained in paragraph 6A, 6B or 6C, if any political party got recognized, whether before or after the commencement of the Election Symbols (Reservation and Allotment) (Amendment) Order, 2005, either as a National Party or as a State party, on satisfying the conditions for such recognition as they existed prior to such commencement, the said party shall continue to have and enjoy the status of such National or State party for the purposes of the next general election to the House of the People or, as the case may be, to the Legislative Assembly of the State concerned, depending on the election(s) which formed the basis for such recognition, and its continued recognition as such National or State party shall thereafter be dependent upon fulfillment by it of the conditions now specified in paragraph 6A or 6B, as the case may be:

Provided that nothing herein shall preclude the Commission from withdrawing the recognition of a party, either as a National Party or as a State Party, if it failed to satisfy any of the conditions for such recognition as they existed prior to, and also after, the commencement of the Election Symbols (Reservation and Allotment) (Amendment) Order, 2005.

(2) For the removal of doubt, it is hereby clarified that the conditions in paragraph 6A or paragraph 6B shall not be deemed to have been satisfied by a political party, -

(i) if it is newly formed, whether as a result of split in a recognised National or State party or otherwise, and registered with the Commission under section 29A of the Representation of the People Act, 1951, after the last general election to the House of the People or, as the case may be, to the Legislative Assembly of the State concerned; or

9. **Restriction on the allotment of Symbols reserved for State Parties in States where such parties are not recognised** – A symbol reserved for a State Party in any State –
   
   (a) shall not be included in the list of free symbols for any other State or Union Territory; and
   
   (b) shall not be reserved for any other party which subsequently becomes eligible, on fulfillment of the conditions specified in paragraph 6A, for recognition as a State Party in any other State:

   Provided that nothing contained in clause (b) shall apply in relation to a political party, for which the Commission has, immediately before the commencement of the Election Symbols (Reservation and Allotment) (Amendment) Order, 1997, already reserved the same symbol which it has also reserved for some other State Party or Parties in any other State or States.

10 **Concession to candidates set up by a State Party at elections in other States or Union Territories:**

   If a political party which is recognised as a State Party in some State or States, sets up a candidate at an election in a constituency in any other State or Union Territory in which it is not a recognised State party, then such candidate may, to the exclusion of all other candidates in the constituency, be allotted the symbol reserved for that party in the State or States in which it is a recognised State Party, notwithstanding that such symbol is not specified in the list of free symbols for such other State or Union Territory, on the fulfillment of each of the following conditions, namely :-

10A. **Concession to candidates set up by an unrecognized party which was earlier recognised as a National or State party**

If a political party, which is unrecognized at present but was a recognised National or State party in any State or Union territory not earlier than six years from the date of notification of the election, sets up a candidate at an election in a constituency in any State or Union territory, whether such party was earlier recognised in that State or Union territory or not, then such candidate may, to the exclusion of all other candidates in the constituency, be allotted the symbol reserved earlier for that party when it was a recognised National or State party, for such State or Union territory, on the fulfillment of each of the following conditions, namely:-

On Welfare schemes and governmental works:

1. Announcement of new projects or programme or concessions or financial grants in any form or promises thereof or laying of foundation stones, etc., which have the effect of influencing the voters in favour of the party in power is prohibited.

2. These restrictions apply equally to new schemes and also ongoing schemes. But it does not mean that in the case of national, regional and State utility schemes, which have already been brought up to the stage of completion, their utilization or functioning in public interest should be stopped or delayed. The coming into force of the Model Code of Conduct cannot be given as an excuse for not commissioning such schemes or allowing them to remain idle. At the same time, it should be ensured that the commissioning of such schemes is done by civil authority and without associating political functionaries and without any fanfare or ceremonies whatever, so that no impression is given or created that such commissioning has been done with a view to influencing the electorate in favour of the ruling party. If in doubt, a clarification should be obtained from Chief Electoral Officer/Election Commission of India.

3. It is further clarified that simply because a budget provision has been made for any particular scheme or the scheme has been sanctioned earlier or a reference to the scheme was made in the address of the Governor or the budget speech of the Minister it does not automatically mean that such schemes can be announced or inaugurated or otherwise taken up after the announcement of elections while the Model Code of conduct is in operation, since they will clearly be intended to influence the voters. Such actions if undertaken will be considered a violation of the model code of conduct.

4. No fresh sanctions for governmental schemes should be made. Review by political executive (Ministers etc.) and processing of beneficiary oriented schemes, even if ongoing, should be stopped till completion of elections. No fresh release of funds on welfare schemes and works should be made or contract for works awarded in any part of the state where election is in progress without prior permission of the Commission. This includes works under the Member of Parliament (including Rajya Sabha members) Local Area Development fund or MLAs / MLCs Local Area Development Fund, if any such scheme is in operation in the state.

5. No work shall start in respect of which even if work orders have been issued before the model code came into effect, if the work has actually not started in the field. These works can start only after the completion of election process. However, if a work has actually started, that can continue.
6. There shall be no bar to the release of payments for completed work(s) subject to the full satisfaction of the concerned officials. 7. Commission does not refuse approval for schemes undertaken for tackling emergencies or unforeseen calamities like providing relief to people suffering from drought, floods, pestilences, other natural calamities or welfare measures for the aged, infirm etc. In these matters, however, prior approval of the Commission should be taken and all ostentatious functions should be strictly avoided and no impression should be given or allowed to be created that such welfare measures or relief and rehabilitation works are being undertaken by the Government in office so as to influence the electors in favour of the party in power which at the same time will adversely affect the prospects of the other parties.

On Transfers and posting of officials: The Commission directs that there shall be a total ban on the transfer of all officers/officials connected with the conduct of the election. These include but are not restricted to:

(i) The Chief Electoral Officer and Additional/Joint/Deputy Chief Electoral Officers;
(ii) Divisional Commissioners;
(iii) The District Election Officers, Returning Officers, Assistant Returning Officers and other Revenue Officers connected with the Conduct of Elections;
(iv) Officers of the Police Department connected with the management of elections like range IGs and DIGs, Senior Superintendents of Police and Superintendents of Police, Sub-divisonal level Police Officers like Deputy Superintendents of Police and other Police officers who are deputed to the Commission under section 28A of the Representation of the People Act, 1951;
(v) Other officers drafted for election works like sector and zonal officers, Transport cell, EVM cell, Poll material procurement & distribution cell, Training cell, Printing Cell etc. Senior officers, who have a role in the management of election in the State, are also covered by this direction.
(vi) The transfer orders issued in respect of the above categories of officers prior to the date of announcement but not implemented till the time when model code came into effect should not be given effect to without obtaining specific permission from the Commission.

ORDER

Subject: RESTRICTIONS ON THE PRINTING OF PAMPHLETS POSTERS, ETC.

The printing and publication of election pamphlets, posters etc., is governed by the provisions of Section 127A of the Representation of People Act, 1951. The said Section 127A provides as follows:-

``127A. RESTRICTIONS ON THE PRINTING OF PAMPHLETS POSTERS, ETC.

(1) No. person shall print or publish, or cause to be printed or published, any election pamphlet or poster which does not bear on its face the names and addresses of the printer and the publishers thereof.

(2) No person shall print or cause to be printed any election pamphlet or poster-

(a) unless, a declaration as to the identity of the publisher thereof, signed by him and attested by two persons to whom he is personally known, is delivered by him to the printer in duplicate; and

(b) unless, within a reasonable time after the printing of the document, one copy of the declaration is sent by the printer, together with one copy of the document.

(i) where it is printed in the capital of the State, to the Chief Electoral Officer; and

(ii) in any other case, to the district magistrate of the district in which it is printed.

(3) For the purposes of this section:–

(a) any process for multiplying copies of a document, other than copying it by hand, shall be deemed to be printing and the expression ``printer“ shall be construed accordingly; and

(b) `election pamphlet or poster" means any printed pamphlet, hand-bill or other document distributed for the purpose of promoting or prejudicing the election of a candidate or group of candidate or any placard or poster having reference to an election, but does not include any handball, placard or poster merely announcing the date, time, place and other particulars of an election meeting or routine instructions to election agents or workers.

(4) Any person who contravenes any of the provisions of sub-section (1) or sub-section (2) shall be punishable with imprisonment for a term which may extend to six months, or with fine which may extend to two thousand rupees, or with both.

2. The above restrictions on the printing of election pamphlets, poster, etc, have been imposed under the law with a view to establishing the identity of publishers
and printers of such documents, so that if any such document contains any matter or material which is illegal, offending or objectionable like appeal on ground of religion, race, caste, community or language or character assassination of any opponent, etc., necessary punitive or preventive action may be taken against the persons concerned. These restrictions also sub-serve the purpose of placing a check on the incurring of unauthorised election expenditure by political parties, candidates and their supporters on the printing and publication of election pamphlets, posters, etc.

3. The Commission has noticed that the above provisions of law relating to printing and publication of election pamphlets, posters, etc., are being followed more in their breach than in their observance. At the time of elections, a large number of such documents are printed, published, circulated and pasted on the walls of private and Government buildings in respect of which the above mentioned requirements of law have not been complied with. The printing presses rarely send the printed documents to the Chief Electoral Officers or, as the case may be, the District Magistrates concerned along with the declaration obtained from the publisher as required under Section 127A(2). Many a time, the election pamphlets, posters, etc, do not bear on the face the names and addresses of the printer and/or publisher thereof in violation of Section 127A(1).

4. It is further complained to the Commission that no timely action is taken against the offenders with the result that offending material is freely published and circulated with impunity. In this connection, attention is drawn to the following observations made by the Supreme Court in Rahim Khan Vs. Khurshed Ahmed and others (AIR 1975 SC 290):

``Even at this stage we may notice that the handbill in question does not contain the name of the printer and publisher although the election law so requires. Unfortunately, when such printed material is circulated, there is no agency of the law which take prompt action after due investigation, with the result that no printer or candidate or propagandist during elections bothers about the law and he is able successfully to spread scandal without a trace of source, knowing that nothing will happen until long after the election, when in a sudden some litigation this question is raised. Timely enforcement is as important as rule of law as the making of legislation."

5. In order that in future there is strict observance of, and compliance with, the requirements of the above mentioned provisions of law on the subject, the Commission, in exercise of its power under Article 324 of the Constitution and all other powers enabling it in this behalf, and in supersession of all its previous instructions on the subject, hereby directs as follows:

(1) As soon as any election from a Parliamentary, Assembly or Council Constituency is announced by the Election Commission, the District Magistrates shall, within three days of such announcement of election, write to all printing presses in their districts.

(a) pointing out to them the requirements of above mentioned Section 127A and specifically instructing them to indicate clearly in the print line the names and addresses of printer and publisher of any election pamphlets or posters or such other material printed by them;

(b) asking the printing presses to send the copies of the printed material (alongwith three extra copies of each such printed material) and the declaration obtained from the publisher as required under Section 127A(2) within three days of its printing;
(c) impressing on them in clear terms that any violation of the provisions of Section 127A and the above directions of the Commission would be very seriously viewed and stern action, which may in appropriate cases include even the revocation of the licence of the printing press under the relevant laws of the State, would be taken.

(2) The Chief Electoral Officer shall do likewise in respect of the printing presses located at the State capitals.

(3) Before undertaking the printing of any election pamphlets or posters, etc., the printer shall obtain from the publisher a declaration in terms of Section 127A (2) in the proforma prescribed by the Commission in Annexure-A hereto. This declaration shall be duly signed by the publisher and attested by two persons to whom the publisher is personally known. It should also be authenticated by the printer when it is forwarded to the Chief Electoral Officer or the District Magistrate, as the case may be.

(4) As directed above, the printer shall furnish four (4) copies of the printed material, along with the declaration of the publisher, within three (3) days of the printing thereof. Alongwith such printed material and the declaration, the printer shall also furnish the information regarding number of copies of the document printed and the price charged for such printing job, in the proforma prescribed by the Commission in Annexure-B hereto. Such information shall be furnished by the printer, not collectively but separately, in respect of each election pamphlets, posters, etc., printed by him within three (3) days of the printing of each such document.

(5) As soon as a District Magistrate receives any election pamphlets or posters, etc., from a printing press, he shall examine whether the publisher and printer have complied with the requirements of law and the above directions of the Commission. He shall also cause one copy thereof to be exhibited at some conspicuous place in his office so that all political parties, candidates and other interested persons may be able to check whether the requirements of law have been duly complied with in relation to such document and which would also enable them to bring to the notice of the authorities concerned the cases of other election pamphlets, posters, etc., in respect of which the above requirements of law have been violated.

(6) The Chief Electoral Officers shall also likewise take further follow up action as mentioned in sub-para (5) above in respect of the pamphlets, posters, etc., received by them.
