There are a total of 13,637 polling stations set up across the national capital.

This step towards voter education and facilitation will not only help the electors to get all necessary assistance, but will also give wings to the vision of 'No Voter To Be Left Behind', CEO said.

A new provision has been already made in Special Summary Revision – 2024 as follows:

Draft Rolls are displayed in all polling stations as well as on www.ceodelhi.gov.in where citizens can check their names in the voter list. More than 13000 Booth Level Officers (BLOs) are interacting with the voters under their jurisdiction and encouraging young voters to enroll themselves in the voter list.

The CEO also emphasized the need to adopt on-line mode of availing electoral services. He advised every citizen to download ECI's VoterHelpline App/ Saksham App (Divyang). Online application can also be filed on ECI's portal <https://voters.eci.gov.in>. For any queries or assistance, citizens can call the election help line No. 1950.
